## LEWIS & Co.

If a man's dinner is right,  
and he rises from the table  
conscious that his wife has  
used the same judgment as to  
price that she did in the selec-  
tion of the articles disposed of  
there can be no indigestion to  
follow. Our goods are of the  
kind which bring health,  
happiness and a fat purse.

Table delicacies are a fad  
with us—they are bought be-  
cause we know the average  
Honoluluite is fond of good  
things for the stomach. Our  
prices are below the average  
and special inducements are  
offered to cash purchasers. Our  
latest importations include the  
best goods obtainable in the  
English markets.

Copeland's English Peas;  
Cod's Roe, Mackerel in Must-  
ard Sauce and Cambridge  
Sausages in tins are so well  
put up that it would be diffi-  
cult to detect the difference  
between them and the same  
articles direct from the market.

"Teyssonneau" is a long  
name to put before Pate but  
the combination makes the best  
tid bit ever placed before a  
gourmet. These are goods  
that anyone may eat without  
fear of indigestion following.  
They are put up in the best  
factories in Europe and come  
to us in elegant condition.

### How to Choose Floor Coverings.

For the sake of moderate means,  
with one servant, living in a small  
house or apartment, rooms can be kept  
clean with less labor if the floors or  
margins of them are stained and the  
center covered with a rug, which can be  
lifted every few weeks and taken to the  
yard or roof and shaken and thoroughly  
brushed. A good Havana rug will stand  
hard wear for ten years, longer than the  
best carpet will present a respectable  
appearance.

For bedrooms, whether for city or  
country, it has long been conceded that  
matting is the best, cheapest and most  
sanitary and artistic substitute. Good  
matting will give satisfaction for three  
years if turned once during that time  
and wiped once a month with a cloth  
wringed out of warm water containing a  
little soda.

It is more than possible, however,  
that matting, which has so long held  
the field, will be superseded by a com-  
paratively new material called "floor  
fiber." It is as flexible as the best Chinese  
matting, is neat and unobtrusive in de-  
sign, comes in many soft colors, and can  
be sewed together and bound like car-  
pet. It forms one of the best back-  
grounds for rugs, and, it is said, will be  
largely used for hallways as well as for  
ceilings. For hammock and floor and  
piazza cushions it is cool, durable and  
unrivaled from any point of view.

### How to Prevent Black and Blue Marks.

Immediately after the accident mix  
an equal quantity of capsicum annuum  
with mucilage made of gum arabic. To  
this add a few drops of glycerin. The  
bruised surface should be carefully  
cleansed and dried, then painted all  
over with the capsicum preparation.  
Use a camel's hair brush and allow it  
to dry. Then put on the second or third  
coat as soon as the first is entirely ab-  
sorbed. A medical journal is authority  
for the statement that if this course is  
pursued immediately after the injury,  
discoloration of the bruised tissue will  
be wholly prevented. It is also said that  
this remedy is unequalled as a cure for  
rheumatism or stiffness of the neck.

### How to Mix Good Mustard.

Four tablespoonsfuls best English  
mustard, 2 teaspoonfuls salt, 2 tea-  
spoonfuls white sugar, 2 teaspoonfuls  
salad oil, vinegar to make smooth paste.  
Rub the oil into the mustard with a  
wooden or silver spoon until absorbed.  
Wet with vinegar to a stiff paste. Add  
the other ingredients, rubbing together  
thoroughly and adding more and more  
vinegar until consistency of cake dough.  
Beat five minutes and bottle. This will  
be mellowed enough for use in two days.

### How to Make Brown Bread.

One cup of Indian meal, 2 heaping  
cups of rye meal, a teaspoonful of soda  
and 1 of salt, a cup of molasses. Mix  
well together, add a pint of hot water  
to the molasses and stir into meal and  
beat smooth. Put in a pudding dish or  
a lard pail and cover tightly and boil  
3 hours in a pot of boiling water. Add  
raisins if cared for.

### How to Administer Medicine to Infants.

In giving medicine in liquid form to  
a baby place the point of the spoon  
containing the medicine against the  
root of the mouth. Administered in  
this way it will be impossible for the  
child to choke or reject the medicine.

### How to Darken Brown Boots.

Wash constantly with saddle soap  
and soda water. The soda has the effect  
of gradually darkening the leather and  
does not destroy it. After the boots are  
dry, polish with a dark polish.

They Were Filled.

Rev. Protean Nubbin—So you say  
Kyote Bill's stockings were found  
hanging on a telegraph pole this morn-  
ing?  
Slobface Ike—Jesse, parson! Jesse!  
Rev. P. N.—I suppose they were  
filled?  
S. I.—Well, you betcher life they  
weren't Jam full of Bill's feet.—Up to  
Date.

### A VOICE FROM THE BLEACHERS.

Local interest in the cricket games  
as reflected from the "bleachers" is in-  
creasing. During Saturday's games the  
"bleachers" were particularly vociferous  
and kept the players under a  
running fire of good natured banter.  
One small boy brought down the  
crowd by advising the batsman to "go  
buy a case of Rainier Beer and get  
some life in you." The crowd applauded  
the remark, knowing that Rainier  
Beer is celebrated for its invigorating  
and strength-giving propensities.

On tap or in bottles at the Criterion.

Printed ducks are just as good,  
if not better than anything else  
for boys' shirt waists. They wash  
and wear well, two very important  
considerations. Kerr has them in  
a large variety of patterns at eight  
yards for one dollar.

## No Cause for Alarm!!!

Now that we have found a  
preparation that is a powerful  
disinfectant, perfectly harm-  
less, free from odor, con-  
venient to use and at the re-  
markable low figure of—

## 5 Cents a Gallon.

No prudent housekeeper can  
afford to run the risk of con-  
tracting sickness, which is sure  
to occur, should you neglect  
to keep the sewers, cess-pools  
and outhouses in a perfectly  
deodorized condition.

## Purifine 25c.

Any Physician will endorse  
what we claim when we tell  
you that nine tenths of all  
fevers and alike illness is the  
result of carelessness about  
the sanitary conditions of the  
premises.

## Purifine 50c.

One great objection to most  
disinfectants is that they have  
such a disagreeable odor. Puri-  
fine is odorless.

## Purifine \$1.00.

Don't delay in purifying the  
air you daily breathe and  
trust to kind providence that  
you may escape illness. Now  
is the time to commence the  
good work, don't wait until  
the dead heat of summer has  
arrived; it may be too late.

Take time by the forelock.  
To be forewarned is to be fore-  
armed.

## When "The Fever,"

the Bicycling fever, catches  
you (or you catch it) we would  
like a chance to prescribe for you,  
not that we expect to effect a cure,  
only to sell you a wonder in  
wheels.

This is what one of the Hawaii-  
an College boys writes to his father  
regarding the best wheel to buy  
for his sister: "I hold the Ram-  
bler second to none in the country  
(the U. S.), and if anyone can  
show a wheel which has traveled  
as many miles as mine has with  
as little expense as mine I would  
very much like to see it. Beside  
changing the gear from 64 to 70  
and the saddle to one of later  
pattern my entire expense for the  
wheel has been fifty cents. That  
I think is a pretty good record,  
don't you? I am very much afraid  
that my tires, the same ones I got  
on the machine, will not last me  
through the next season. They  
are almost worn through all over.  
It will cost me from \$12 to \$15  
to get new tires put on, but it is  
legitimate wear. I never knew a  
pair of tires to wear as long and  
as well as these have, considering  
the amount of travel. When you  
consider that they have traveled  
as far as from Cleveland, O., to  
Honolulu, over all sorts of roads  
and paths, you will see that they  
must needs wear some."

The above opinion you will  
find to be the opinion of about  
every rider of a Rambler in this  
city, and there are a lot of Ram-  
bler riders here. Our trouble has  
been to get enough wheels, the  
makers not realizing that we want  
'97 stock before the snow has  
melted in their country. By the  
Australia this week we received 7  
ladies' wheels, and six of them we  
have sold. By the Miowera mail  
we ordered 20 Ramblers and by  
this week's mail we are ordering 5  
more, and we have orders in for 2  
Racers, so by return Australia we  
will have 27 Ramblers, and in fu-  
ture we do not propose to lose the  
sale of any wheels by not having  
them on hand. Remember that  
the Rambler is fitted with the only  
tire that has proved entirely satis-  
factory in this country, the great  
"G. & J." There are imitations to  
this tire to be found here, but if  
you don't find it out when you buy  
them, you will after you have used  
them a while, to your sorrow. The  
genuine "G. & J." tire is to be had  
only at the Rambler Agency, and  
there you can get the right article,  
fully guaranteed.
