## Just Like Gold Coin.

For more than fifty years has PERRY DAVIS' PAIN KILLER stood the test against all remedies prepared to eradicate pain, and today stands at the head of the list among the medicines that are so essential to keep at hand in the home.

It is not a new fangle remedy nor do the proprietors lay claim to any wonderful revelation of the ingredients that enter into the manufacture of this ever popular remedy.

It is perfectly harmless, you need have no fear of becoming habitually inclined to its use.

For Colic, Cramps, Dysentery, Colds, and all painful affections, a few doses will certainly give relief. You cannot afford to be without a bottle in the house.

Your forefathers used it and found it beneficial.

Why experiment with some remedy that is new and its effect on the system unknown? It has many rivals but no equal.

Price 25c. and 50c. a bottle.

## BELONGS TO THE DUTCH.

Credit for a New System of Signaling at Sea.  
An Amsterdam correspondent writes to the Westminster Gazette: "It looks as if we dull Dutchmen are upon the point of giving to the world a priceless invention—the means by which ships at sea may be on speaking terms under all circumstances or have the power to communicate with the shore. Some weeks since people living on the outskirts of the town, returning home in the dark hours of the evening, were scared by very peculiar, unearthly sounds, something akin to the deep, penetrating scream of a steamer's siren in the mist, although there was no water near to speak of, and consequently no possibility of a steamer. The riddle is now solved. It has been found possible to produce a constant, unvarying sound, which may—

"First—Be heard at a distance of at least five miles against a stiff breeze.

"Second—Is of such a nature and quality that it is quite easy to determine to a nicety the direction from which it comes.

"Third—Is produced by an instrument which can be moved about without altering the sound; that is, in the same manner as an electric searchlight.

"Fourth—Last, but not least, that parts of the instrument may be differently tuned, which makes it possible to give constant alternative signals which may be codified, so that a conversation may be kept up.

"It appears that the inventors some weeks ago made trials in the dark, and of course in lonely, outlying places in the neighborhood, and so produced the ghostly noises aforesaid. Competent persons are of the opinion that the thing really is a great success. The Zealand Company has resolved to give the invention a fair trial, and the world may soon hear more of it. It is quite clear that if the steamer which met the Drummond Castle had possessed such an instrument and its signals could have been understood by the Drummond's officers, the disaster might not have occurred.

**Citizens Attention.**

These are days of considerable anxiety and perplexity to all who have possessions or other interests in the Republic of Hawaii, and it is time that our citizens came to a mutual understanding on several important issues. The prospects for Annexation appear at present vague and indistinct, and our destiny cannot be foretold with certainty. There are those, also, who still fondly cling to the hope of a return to the old order of things, and who cannot be persuaded otherwise, yet this out look appears far more hazy than that of Annexation even to the most hopeful disciples of the Monarchy. But, fortunately, in the midst of all this uncertainty there is solace in the fact that Buffalo Beer has come to stay and that patrons of all sorts and opinions may equally share the benefits of its invigorating and sustaining properties. We are moreover assured that this favorite brew will continue to be dispensed as heretofore at the Royal, Pacific and Cosmopolitan Saloons.

**PRESIDENT DIAZ DECORATED.**  
BERLIN—The Reichsarzt officially announces that President Diaz, of Mexico, has been decorated by Emperor William with the grand cross of "Rainier." President Diaz issued an edict to the effect that no beer except the sparkling "Rainier" be served in public places, or on state occasions. On tap or in bottles at the Criterion.

**Seattle Book.**  
By the steamer Miowers, the Criterion Saloon received a large consignment of the celebrated book beer, brewed by the Seattle Brewing and Malting Co. This is the first book to make its appearance, and is a sure indication of better days.

Portraits enlarged from small photos and handsomely framed for \$10 at King Bros.

With a large lot of goods just received by the Australia and Amy Turner, the Pacific Hardware Co. have another invoice of the favorite Universal Stoves and Ranges. Some sizes were sold as soon as set up, but another supply has been ordered.

HONOLULU, April 21, 1896.  
Mr. C. W. MACFARLANE—It affords me pleasure to recommend, to any one whose hair is falling out, the use of DR. POTTIE'S HAIR OIL. My hair was coming out at such a rate as led me to believe that I would soon become bald. After using the oil for five weeks this ceased entirely; none whatever is now falling out. I consider it the best and only worthy remedy for this trouble and also recommend it as a stimulant to new growth.  
505-ft Yours truly, J. B. DANIELS.
