For more than fifty years has PERRY DAVIS' PAIN KILLER stood the test against all remedies prepared to eradicate pain, and today stands at the head of the list among the medicines that are so essential to keep at hand in the home.

It is not a new fangle remedy nor do the proprietors lay claim to any wonderful revelation of the ingredients that enter into the manufacture of this ever popular remedy.

It is perfectly harmless, you need have no fear of becoming habitually inclined to its use.

For Colic, Cramps, Dysentery, Colds, and all painful affections, a few doses will certainly give relief. You cannot afford to be without a bottle in the house.

Your forefathers used it and found it beneficial.

Why experiment with some remedy that is new and its effect on the system unknown?

It has many rivals but no equal.

The new 35c. size contains over double the quantity of the 25c. size.

OLD BOAT BACK.

Australia Arrives from San Francisco This Morning.

It was certainly a good sight to see the old Australia hauled alongside the Oceanic wharf this morning with Captain Houdlette on the bridge, Chief Officer Lawless giving orders to the men, "Tommy" McCombe rushing around attending to the newspaper men and Chief Neiman standing on the deck bowing to his many friends on the wharf.

She was to have sailed on the 2d of this month and the agents were not expecting her until tomorrow. As it was she got away a day sooner. A fine trip throughout was experienced. The Australia brought 23 cabin and 40 steerage passengers. Most of the latter are men in search of work down here. The Australia also brought 57 bags of mail and a cargo of general merchandise.

On account of the fact that the Australia was not looked for until tomorrow, the Scandia was not moved from the Oceanic wharf. This caused the Australia to wait a half hour in the stream or until the Scandia could get out.

The present officers of the Australia are as follows:

H. C. Houdlette, commander; R. T. Lawless, chief officer; P. Anderson, 2d officer; Geo. W. Lasswell, 3d officer; W. H. Neiman, chief engineer; J. W. Smith, 1st assistant engineer; Jas. O' Connor, 2d assistant engineer; T. C. McCombe, purser; Dr. H. J. McNulty, surgeon; J. G. Penfield, chief steward.

Well Officered School.

Mr. Fitz, who arrived in the steamer Aorangi, has come out from Hurstpierpoint, England, to take up a position in Iolani school, the institution long maintained with an excellent record by Bishop Willis. The school is now in the hands of Mr. Lane, seconded by Mr. Fitz, and perhaps has never had a stronger staff than it has today.

Moonshiner Nalei.

Deputy Marshal Chillingworth, in the guise of a soldier, went far up into Maunaloa Tuesday night and captured the Moonshiner Nalei who had in his house, okolehao of the finest brew. In the Police Court this morning the defendant plead guilty to the charge of distilling liquor.

Nalei was released from jail four years ago when he had been sent for ten years, having been found guilty on the Island of Kauai of murdering a Japanese, his associate in the work of distilling liquor.

The Japanese and he had a quarrel on the banks of one of the streams. The two fell in and Nalei, being the superior swimmer, held his antagonist under water until he was dead.

When arrested by Deputy Marshal Chillingworth last night he confessed his guilt in the matter of distilling okolehao.

Police Court Notes.

In the Police Court yesterday forenoon the following cases were disposed of:

Ah Kee, unlawful possession of opium, sentence to be imposed Thursday, September 8.

Ah Pau, unlawful possession of opium, nolle pros entered.

Flora, disobedience to parents, ordered to return.

Richard Antone, intending to commit an offense, discharge.

Nalei, selling liquor without a license, nolle pros entered.

Nalei, distilling liquor, \$100 fine and 3 months imprisonment Defendant plead guilty.
