Almost Blind

Scrofula Affects the Eyes—Little Boy Treated by an Oculist Without Relief—But Now He is Well.
"When my little boy was three months old his eyes became very sore and he was almost blind. I took him to an oculist who treated him for six months, and left him as bad as he was at the beginning. Finally Hood's Sarsaparilla was recommended and I began giving it to him. In less than three weeks he was able to go into the sun without covering his eyes, and today his eyes are perfectly well, and his ears and nose, which were badly affected, are also well. Hood's Sarsaparilla has certainly done wonders for my boy." MRS. JAMES H. PAINTER, Amador, California. Remember

BRYCE AND THE ALLIANCE

Does Not Advocate Formal Agreement with United States.
Present Friendship is Strong Enough and will Hold Good—Two Nations with Common People and Purpose.

London, November 2.—In an address tonight the Hon. James Bryce said:
When last in the United States I was much struck with the change in public sentiment. The spontaneous outburst of feeling in Great Britain when the European powers wished to intervene against the United States during the recent war with Spain made the Americans understand how close we felt the tie between ourselves and ourselves. They have shown that they appreciate and reciprocate our sentiment.
I would never advocate a formal alliance. At all events the obstacles at present are serious, but all the conditions exist for a solid and durable friendship between America and Great Britain. They have no adverse interests anywhere in the world and they have common aims in sundry regions. Everywhere each can render a great service to the other. The Americans and the British understand each other better than they can understand any foreign country. Nature and history meant them to be friends, and the closer and the deeper that friendship is the better it will be for the greatness and welfare of both.

Impure Blood in Spring.
This is the almost universal experience. Diminished perspiration during winter, rich foods and close confinement indoors are some of the causes. A good Spring Medicine, like Hood's Sarsaparilla, is absolutely necessary to purify the blood and put the system in a healthy condition at this season.
Hood's Pills are the best family cathartic and liver tonic. Gentle, reliable, sure.

The Last Car.
The last cars of the King street line going to Waikiki and Palama pass the Anchor Saloon. The cleverest mixologists in the city are there always to put you up anything you may desire. Drop in and take a drop before you take the car. The celebrated Seattle beer is to be had here on draught. A full line of liquors including the famous A. A. Jesse Moore Whisky etc., always on hand. The most exacting and varied demands can be satisfied. The Anchor Saloon is here to please its patrons.

Kaimuki Tract.

This tract having been platted is now ready for sale, and we offer the public an opportunity of procuring delightful residence sites at reasonable prices.
Situated in the district of Honolulu, about three miles from the center of the city, with fine macadamized roads leading to it, and on the line of the new Electric Street Railway; at an elevation overlooking Kapiolani Park, the ocean, the city, and Pearl Lochs, it is, without exception, the healthiest and most picturesque of our city suburbs.
Same is laid out with streets each 50 feet wide, each lot containing 15,000 square feet, 100 x 150 and 75 x 200, which we offer at \$400 each, on payments of \$100 cash and balance in monthly installments of \$25.
Those desiring to visit the property will be personally attended and conveyed to and from same by making engagements at our office, where further information will be furnished, and where a map of the tract can be seen.
