From all over the country, come words of praise for Chamberlain's Cough Remedy. Here is a sample letter from Mrs. C. Shep, of Little Rock, Ark.: "I was suffering from a very severe cold, when I read of the cures that had been effected by Chamberlain's Cough Remedy. I concluded to give it a trial and accordingly procured a bottle. It gave me prompt relief, and I have the best reason for recommending it very highly, which I do with pleasure." For sale by all dealers. Benson, Smith & Co., General Agents.

Clock Will Strike.

Kawaiahaeo church clock is not only being put into condition of keeping time, but that of striking the hours as well. This clock is a fine piece of mechanism, and its works have nothing wrong with them. The instrument has been exposed to the elements, including floating dust, too much for its good. Now its chamber in the tower is being plastered. There will be a change in the windows to give proper egress to the sound of the bell when the hour is struck. O. H. Harlan is doing the work in the tower, while M. R. Counter thoroughly overhauls the clock mechanism.

Honolulu Workmanship.

Consul General Haywood expressed to B. F. Dillingham his great satisfaction at the work on the two scows built for the U. S. navy coaling depot in Honolulu harbor. The construction was done under the direction of J. A. Hughes, foreman of the O. R. & L. Co.'s carshops. Mr. Haywood said that the craft were made much stronger than was required by the contract, and he would have great pleasure in testifying of the excellence of the job to his superiors in Washington.

Still Hope for Kipling.

New York, February 25.--Rudyard Kipling has been close to death today, but those who watch at his bedside have not given up hope for his ultimate triumph over the disease from which he suffers. At 9 o'clock tonight the following bulletin came from the sick room:

"Mr. Kipling has been in a serious condition through the afternoon and evening, one which occasions anxiety, but is not without hope.

"E. G. JANEWAY, "THEODORE DUNHAM."

We call the special attention of any who are the victims of Liqueur, Morphine, Opium or Cocaine, to the new cure advertised in today's issue. It has made a marvelous success in the United States, and is beyond question the most sure and rapid cure for these diseases known to the Medical fraternity. Full particulars can be had by addressing Chas. H. Boyce, Gen'l Manager, 2303 Bush street, San Francisco, Cal.
