Boers Are Now Ready To Make Peace Proposals

London, May 29.—It is reported that the Pretoria Government has decided to sue to Lord Roberts for peace.

Mafeking Relief Confirmed.

London, May 29.—4:25 p. m.—Last night's court circular contains the following: "The Queen received on Friday night with the greatest gratification the news of the relief of Mafeking after a heroic defense of over seven months by Colonel Baden-Powell and troops under his command."

The significance of this which refers to the receipt by her Majesty of a copy of the press despatches from Pretoria is that it is the first official intimation of the relief of Mafeking, and it would not have been made had any doubts existed in the official mind as to the correctness of the news, but so far not one line of official news confirming the press despatches has been received.

Meanwhile the usual Saturday night's silence covers the seat of war. Cables are mainly composed of reports of enthusiastic jubilation over the relief of Mafeking at various points in South Africa.

A dispatch from Winburg, dated May 19th, says: "General Ruddle reached Trommel, twenty-eight miles from here, on Friday, traversing exceedingly mountainous country. Commandant Olivier's commando is several days ahead of him, but stray patrols of Boers are watching Ruddle's movements. His men are in excellent form, in spite of the long daily marches."

A dispatch from Pietermaritzburg says: "The occupation of Newcastle by General Buller has caused great jubilation. The magistrate and his staff, the Mayor and the corporation have left for Newcastle. Many of the fleeing Boers have gone to the Free State by Miller's Pass; others have gone to Wakkerstroom. Most of them, however, have gone north as a disorganized mob."

What Kruger Wants.
Lourenzo Marques, May 19.—The Transvaal Government decided today to send a message to Lord Roberts, requesting the cessation of hostilities, demanding a guarantee that the lives of all colonials fighting with the Boers shall be spared, and stating that unless these terms are granted the mines will be blown up and Johannesburg destroyed.

The Government has been for some time considering the destruction of the mines. President Kruger and the executive council were against the proposition, but a strong popular pressure was brought to bear in favor of it. President Kruger has had a dream that the war would be ended within three weeks, which he firmly believes. There is much uncertainty in Pretoria, where Kruger is the only strong hand. The Boer President told me yesterday that he would fight until the last cartridge, but many officials and burghers are shaky and desire a compromise. They do not want to defend Pretoria for fear that their property will be destroyed by bombardment.

A large meeting was held Thursday night at which the women of Pretoria passed resolutions urging the defense of the capital to the bitter end. Provisions will soon be scarce in Pretoria. All is being taken to Lydenburg, where the capital may be removed. Notwithstanding the discouraging situation, President Steyn maintains a cheery and bold demeanor.

A few hundred men of the foreign legion attacked Mafeking Saturday and carried several forts. The Boers failed to support them and the result was a fiasco. The relieving column of the British was then within a few miles of the town, and the Boer Government had stopped all telegraphic news going out.

Nearly Caught Boers.
London, May 19.—The War Office has received the following dispatch from General Buller, dated Newcastle, May 19th:

"General Clery moved to Inyanga today and General Dundonald to Laing's Nek. We almost caught up with the tail of the enemy's column and have captured a few prisoners and wagons. The men have marched very well, indeed. I left Ladysmith May 10th and by the road used am now 138 miles from there. The telegraph section has been indefatigable and the army service corps has kept us full of rations all the time. The Fifth division, also, has done great service."

Work of Fenians
Chicago, May 19.—A special to the Times-Herald from Vancouver, B. C., says: Fenian sympathizers with the Boers have made an attempt to blow up the British fortifications at Esquimaux. The big naval docks, where \$70,000,000 damage could have been done, were the objective point of the leaders in the plot, who barely escaped from the guard with their lives.

TO HONOR NATION'S DEAD

G. A. R. Veterans Will Decorate Graves of Comrades.

Procession Forms at 2:30 p. m.—Order of Exercises at Nuuanu Cemetery—Officers in Charge.

This is the day that is being observed with solemn ceremonies all over the United States and Hawaii will do her share toward honoring the memory of the brave men of the Grand Army of the Republic who have died on her shores.

Ever since there has been any occasion for the observance of Memorial Day here, Geo. W. De Long Post, No. 45, G. A. R., has seen to it that comrades lying cold in the earth have been remembered most fittingly. This year, for the very first time, the bodies of departed ones here may be said to rest in American soil.

From all indications, there will be a very long procession and the day being fine and calm, there will undoubtedly be a very large attendance at the cemetery. Floral designs by the hundred to be strewn on the graves of the departed heroes, are being made at various places in town today.

The procession will form on King street at 2:30 p. m. today, the right of the line resting on King and Fort streets. In order that people intending to be in it may know their respective places in the line, the following order of procession is published:

- Lieut. Leslie and eight Mounted Patrolmen.
- Firing Squad from 6th U. S. Artillery Hawaiian Band.
- Col. J. W. Jones and Staff.
- National Guard of Hawaii.
- Kamehameha School Cadet Band.
- Kamehameha School Cadets.
- Hon. H. M. Sewall, Orator of the Day.
- Worth Bagley Garrison, Army and Navy Union.
- Geo. W. De Long Post No. 45, G. A. R. General Public.

The line of march will be on Fort to Vineyard, across to Nuuanu and thence to the cemetery in Nuuanu where the following order of exercises will be carried out:

- 1. Music.....Band
- 2. Ritual.....Post Commander
- 3. Prayer.....Chaplain
- 4. Ritual continued Post Commander
- 5. Decoration of Graves.....O. D.
- 6. Ritual.....Chaplain
- 7. Music.....Band
- 8. Lincoln's Gettysburg Address.....Lorrin Andrews
- 9. Oration.....Hon. H. M. Sewall
- 10. Roll Call of the Dead.....Adjutant
- 11. Salute.....Post and Escort

The officers of the G. A. R. who will have charge of the observance of Memorial Day are as follows:
Post Commander.....W. L. Eaton.
Adjutant.....Jas. T. Copeland.
Officer of the Day.....E. A. Strout.
Chaplain.....E. Cook.
Col. J. H. Fisher is grand marshal of the day and will have charge of the procession.

IN YACHTING CIRCLES.

In yachting circles there is talk of a three-cornered race to Lahaina and return between the La Paloma, Eva and Helene. The owners of the first two are very much in favor of the plan but the other man is holding off.

Yachtsmen are very anxious to have some buoys or stakes placed in the channel leading to Pearl Harbor. Nearly every time there is a run down in that direction, someone gets stuck. It is hoped the government will attend to the matter.

Broke a Leg.
Touli, a South Sea Islander and an employe of the Inter-Island Co. had his leg broken this morning. Touli was one of a gang of men working on sugar from the Mauna Loa at the Inter-Island wharf. He was standing on a pile of bags of sugar when, upon noticing a sling coming from the steamer, he made a jump to get out of the way. In doing this his foot caught between some of the bags and he was thrown so forcibly that he twisted his leg and broke it above the knee. The man was taken to the hospital where his injuries were attended to.

REPUBLICAN CONVENTION

Temporary Organization completed This Morn'g.

Full Delegations From Islands But Kauai—Kaulokou Temporary Chairman by Unanimous Vote—Adjourned Till Evening.

Cecil Brown took the chair and called the Territorial Republican Convention to order at 10:25 this morning. Then he called for nominations for temporary chairman.

A. B. Loebenstein of the First District was nominated by A. G. M. Robertson, seconded by C. M. White.

J. L. Kaulokou of the Fifth District was nominated by W. Aiken.

Geo. W. Smith was nominated by C. P. Laukea.

J. W. Kalua was nominated by Mr. Smith.

Mr. Kalua retired in favor of Mr. Smith, and Mr. Smith retired in favor of Mr. Loebenstein.

W. Luther Wilcox was elected as interpreter, Mr. Kalua declining a nomination.

The chair appointed C. M. White, S. Parker and J. W. Kalua as tellers.

Geo. W. Smith moved for a call of the roll to see how many votes should be cast.

A. V. Gear, there being no roll, moved for a committee on credentials. After remarks by Mr. Loebenstein, it was agreed to obtain a statement from the chairman of each district.

First District—Mr. Loebenstein reported eight delegates present with three proxies.

Second District—J. D. Paris reported nine delegates present with three proxies.

Third District—A. N. Kepoikal reported 16 delegates present with two proxies.

Fourth District—Geo. W. Smith reported 17 delegates present with one proxy.

Fifth District—J. L. Kaulokou reported 17 delegates present, one being absent without proxy.

Sixth District—Dr. Sandow reported three delegates present with one proxy.

The chair announced that 80 votes were represented, and called for the ballot. The ballots were told off aloud, and thus declared:

Kaulokou.....49
Loebenstein.....29
Mr. Loebenstein, upon Mr. Kaulokou being declared elected, thanked the friends who had nominated him and voted for him; adding that he could not have desired an abler or better man for the position than Hon. John L. Kaulokou. Mr. Loebenstein then moved that Mr. Kaulokou's election be made unanimous. The motion was carried with applause.

Mr. Loebenstein and Mr. Kaneakua escorted Mr. Kaulokou to the chair.

Mr. Kaulokou on taking the chair thanked the convention for the honor, and promised to guide its affairs to the best of his ability and with an eye to the utmost welfare of the Republican party. He asked for the election of a temporary secretary.

W. C. Achi nominated H. L. Holstein of Kohala, eulogizing him as a bright young Hawaiian gentleman and lawyer, proficient in the two principal languages of the country.

Arch. F. Gillilan moved the nominations close.

W. J. Sheldon thought it would only be fair to elect a foreigner, since the chief office had been given a native Hawaiian. He therefore nominated E. R. Henry.

It was objected that for temporary organization the office should be filled by a delegate. On motion Mr. Achi cast the ballot of the convention for Mr. Holstein.

The temporary secretary on taking his place made a neat speech, saying he took the honor as one to the Republicans of the island of Hawaii. Meetings held in the different precincts showed that Kona, Kohala, Hamakua and Waimea were strongly Republican.

Cecil Brown moved that the chair appoint a committee on credentials consisting of one delegate from each district. Carried, and the following committee was appointed:
Loebenstein, Paris, Kepoikal, Smith, Johnson and Sandow. The committee retired and, after a recess of ten minutes, reported exactly the same result as had been ascertained before the balloting for temporary chairman. It was added that two of the proxies from one

district and one from another had not been elected as delegates. As the business was new to most of the convention, however, the committee recommended that these proxies be seated. Adopted.

Carl S. Smith moved, seconded by J. D. Paris that the chair appoint a committee of seven on rules.

C. M. White moved that the chairmen of delegations form the committee.

Geo. Hons moved that the chair appoint one member, and the respective delegations one each.

A debate that threatened to be interminable followed, being taken part in by the authors of motions and amendments and Messrs. Kahaulelio, Gear, Deana and Laukea. Mr. Laukea thought time was being wasted over business that belonged to the permanent organization. Mr. Kahaulelio was ruled out of order for too much speaking.

The original motion finally carried, and the chair appointed as the committee, named in order of districts, the seventh being a member at large: C. S. Smith, E. A. Fraser, W. O. Aiken, Cecil Brown, W. C. Achi, J. K. Kapuniala and J. W. Kalua.

Mr. White moved for a committee of seven on permanent organization.

C. S. Smith stated that this object was covered in his motion just passed. As he recollected, the committee now appointed was for the purpose of drawing up rules and regulations and effecting permanent organization. Ruled accordingly.

Mr. White moved that the chair appoint a committee on resolutions. Carried, and these were appointed: Robertson, Kepoikal, Laukea, G. W. Smith and Loebenstein.

Geo. W. Smith, at 12:13, moved that in honor of Memorial Day the convention take a recess until 7:30. Carried.

Place of Meeting.
Progress hall, in the third story of Progress block, was tendered free to the convention by Delegate Desky. It is admirably suited for the purpose. Its octagonal shape, beautiful lighting day and night, exposure to the mountain breezes and, last but not least, high and broad and deep platform, all combine to afford cheeriness and comfort. For the present occasion the hall is beautifully decorated. Over the right and left of the platform margin are tastefully draped the United States and Hawaiian flags. Between these and over the chairman's station a fine portrait of President McKinley draped with the national ensign is suspended. Surmounting the seven outer faces of the octagon are semi-rosettes of red, white and blue. There is an official stenographer's desk besides the table for chairman and secretary on the platform. On the floor to the right of the chair ample accommodation is provided for press representatives. Each delegation's position on the floor is designated by elevated placards, the same as in big conventions in the States.

ANOTHER HANRAHAN ARREST.
Hanrahan, police officer, made another important arrest today. This time it was Private Sternfeld, driver of one of the Buena Vista Red Cross ambulances and a man who was associated with the police officer before he ceased work at the hospital. The charge of heedless driving was placed against Sternfeld. He was locked up for five minutes and then allowed to go on his own recognizance.

Sternfeld tells the following story of his arrest: "I was standing on Fort street outside the Progress block when Hanrahan came along. He told me to move to another place and I started to drive off. Then he put me under arrest for heedless driving. I was going at the terrific rate of about twenty miles an hour."

Hanrahan is very evidently keeping his eye on the Buena Vista people. This is his second arrest of hospital men within a very short time. Sternfeld's case will come up tomorrow and some interesting developments are expected at that time.

A King Street Dog.
A King street dog near Thomas Square that has been complained of many times within the past two years, ran out into the street Sunday while a young native was riding along on his bicycle. The poor fellow was thrown off while trying to get out of the dog's way and the result was that he is now lying at his home with painful bruises all over his head and body.

Democrats Will Meet.
The committee of twenty-one of the Democratic party will meet in the office of Kinney, Ballou & McClanahan at 7:30 o'clock tomorrow night for the transaction of important business.

The visiting cards, which are thin octavo sheets, are colored crimson; pale red is used for bills, yellow sprinkled with gold or green for wrapping goods, orange for weddings, and so on through the list.

\$3,000,000 From ed.

The success of the promoters of the Kohala-Hilo Railroad seems now assured. Hon. W. O. Smith, the attorney for the company has just received advice that the company's bonds to the amount of \$3,000,000 have been floated by the firm of Dill, Borneisier & Baldwin of 27 Pine street, New York.

This is a firm well known financial agents who have been largely instrumental in arranging the Carnegie-Frick transactions that have been so prominent of late.

President H. B. Gear of the Kohala-Hilo road returned to Hilo by the last Kinau, the plans submitted by him to the Government having been approved, so that work on the road construction will commence at once.

Delay in completing the financial arrangements mentioned above, was caused by the delay in Congress for completing the details of Territorial government, not by any difficulty in creating confidence in the enterprise itself, which is considered first class.

QUEEN IN SAN FRANCISCO

San Francisco, May 20.—Ex-Queen Liliuokalani, the last of the Kalakaua dynasty to sit upon the Hawaiian throne, arrived in this city last night, accompanied by a number of her loyal friends. The party came directly from Washington and will remain here until the end of the month, when they will leave for Honolulu on the Australia.

Accompanying the ex-Queen are: Joseph Heleluhe, her secretary; Miss Myra Heleluhe, and Charles Hamilton English, her physician.

Liliuokalani has not changed materially since her last visit to San Francisco. When she left here two years ago for her native land and the scene of her regal life she was buoyant in spirit and hopeful that the crown lands would be restored to her. So far her own efforts and those of her long journey to Washington went for naught. Although resigned to her position, the ex-Queen is still of a mind that suitable provision will be made for her by this Government.

The Hawaiian orchestra now in this city serenaded Liliuokalani last night for two hours. Many of her friends gathered in the California to pay their respects. While in this city the ex-Queen will receive from time to time in an informal way.

Will-ox is Returning.
R. W. Wilcox of Honolulu, who has been in Washington, D. C., for some months past looking after the interests of the Hawaiian people in the legislation pending before Congress, arrived here from the East yesterday and is a guest at the California. Wilcox was one of the committee named by the natives to represent them at the national capital.—Chronicle, May 20.

Will Decorate Carter's Grave.
Marshal Brown, as head of the Citizens' Guard, and representing that body of men, will decorate the grave of the late Charles L. Carter this afternoon, according to the custom that has been in vogue for the past four years. A beautiful wreath of white flowers with a yellow C in the center, will be placed on the grave.
