BRITAIN DISSATISFIED NOT LIKELY TO ACCEPT RUSSO-AMERICAN PLAN

Withdrawal of Troop; May Threaten British Interests--American Necessities Different from those of British.

New York, Sept. 1.—A dispatch to the Tribune from London says: The immediate results of the latest American note was to cause a sort of ministerial conference to assemble yesterday. Several members of the British Cabinet came up to London in haste, and held a consultation on the Chinese question.

Whatever may be the official view of the matter, it must be said that the Russo-American proposal has been very coldly, not to say unfavorably, received by the newspapers, which in this case it is believed reflect the tone of the comparatively few people who understand the subject.

People here well recognize that the United States, which has no political interests in China beyond that of securing freedom of trade and intercourse, should be anxious to withdraw from the Asiatic continent as speedily as possible.

Roberts Strong Grip On Delagoa Railway

New York, Sept. 1.—A dispatch to the Tribune from London says: Lord Roberts' dispatches show that the British are getting a firm hold on the Delagoa Bay Railway.

It is uncertain whether the main body of General Botha's army is retiring east or north toward Lydenburg. In the former case the end of the campaign should be close at hand.

President Kruger, with some of his chief officials, is at Pilgrims' Rest, in a wild, mountainous district northeast of Lydenburg.

None of the heads of departments had any matter to submit to Governor Dole this morning. No action was taken, either, on any pending question.

RED AND BLUE WIN ONE VICTORY A PIECE

Junior Event Goes to Myrtles and Senior to Healanis.

LAST RACE WAS CLOSE FROM START TO FINISH

Was One by Quarter of a Length-- Myrtle Spurred a Little Too Late ---Leianis Not in It From the Start.

For the first time since the introduction of the popular championship races at Pearl Harbor, the Healanis and Myrtles have taken their shells out of the water with honors even.

The junior race was a little slow in starting. The Naval Station launch kindly loaned by Captain Merry, took the judges, timekeepers and newspapermen to the starting point.

The Myrtles took the lead at the start with a strong, sweeping stroke, putting a boat length between them and their opponents before the first white flag was reached.

As in the first race, the Myrtles got the lead at the start but, before long, it was noticed from the judges' launch that the Healanis had caught up and were forging ahead with a magnificent and well sustained stroke.

At the half mile boat, the Healanis were about a length ahead of the Myrtles and both crews were at it in good shape now.

Just then, there was a low word spoken by the coxswain and the Healanis boat made a bound forward, impelled by a number of short, quick strokes.

The time in this race was 10:14.

The crews in the day's events were as follows: Myrtle, Senior—Bow, W. H. Soper; No. 2, P. Lishman; No. 3, George Angus; stroke, A. F. Judd, and coxswain, W. Alvarez.

Healanis, Senior—Bow, G. J. Boisse; No. 2, James Lloyd; No. 3, Dan Renner; stroke, Paul Jarrett; coxswain, Charles Reynolds.

Leianis, Senior—H. D. M. Cobb; bow, C. Peck; P. T. Phillips; S. E. P. Taylor, stroke; H. Wagner, coxswain.

Myrtle, Junior—Bow, Geo. Fuller; No. 2, Arthur Giles; No. 3, Sam Johnson; stroke, Allan Judd; and coxswain, W. Alvarez.

JUDGE SILLIMAN RESIGNS.

Judge R. D. Silliman, second judge of the First Circuit of the Territory has sent his resignation to President McKinley. This announcement was made by Judge Silliman and came as a great surprise to his many friends.

Judge Silliman's reasons for resigning are his preference for active practice and the fact that he finds the salary entirely inadequate.

Judge R. D. Silliman is the youngest member of the local bench. Previous to the establishment of the Territory he was appointed by Mr. Dole to fill a temporary vacancy.

Robt. Wilcox on Maui Hilo Gets Convention

ALULI AROUSES IRE OF INDEPENDENT LEADER

Bob Calls His Critic a Poodle Dog-- General Mass Meeting of All Parties to be Held in Rink.

Walluku, Sept. 8.—Robert Wilcox accompanied by Mrs. Teresa Wilcox and children, arrived in Walluku last Monday afternoon from Uluvalu district and on the following day, Tuesday, Wilcox spoke to a large audience, mostly Independents, in the skating rink.

Mr. Wilcox gave a brief outline of his work as a delegate to the United States Congress during the discussion and voting on the Hawaiian bill. He praised his own work among the members of both Houses, and told how leaders of both Houses sought information relating to Hawaii from him.

The speaker praised the invaluable work Judge Little did for the welfare of Hawaiians. Mr. Wilcox explained to the people the reason for the existence of the Independent party of Hawaii, which he declares as the Royalists in another dress.

Mr. Wilcox as usual called the missionaries and the worst enemies of Hawaiians. Taken all in all, Mr. Wilcox's language was not as inflammatory as the speeches he made in 1891 in Honolulu in company with C. W. Ashford.

Mr. Clark followed Mr. Wilcox. Mr. Clark announced himself as a Democrat, and likened the Independents to the Colossus of Rhodes standing on Republicans and Democrats, but with the difference that it will not amount to anything.

THE EMPIRE'S CREW LOSE DAMAGE SUIT

Captain Macaulay Intervenes for Share of Dunneegan Salvage--More American Citizens--The Circuit Court.

Judge Ester in the United States District Court this morning gave judgment for defendants in the libel for damages of Benson and others against the American bark Empire.

A separate case against the same vessel by Collins and others was on a different footing, and was continued until Monday after next.

G. A. Davis of Davis & Gear brought up a motion to have the Empire party show cause why their appeal from judgment in the case that the sailors were should not be dismissed on the ground that it had not been perfected.

Mr. Davis undertook to explain that he meant no reflection, and was told to stop right there—the matter was not one for discussion.

Mr. McClanahan having shown that the Court had on Friday given two days to the appellants to file a new bond, the Court dismissed the motion to show cause.

In Celebration of the Fiftieth Anniversary of California State's Admission into the American Union.

The yellow flags of the Sons of the Golden West with a light blue or grey ground may be seen everywhere on the streets today, for this is the day when the sons of California are celebrating the fiftieth anniversary of the admission of their State into the Union.

Manager Allen of the hotel is doing all in his power to make the affair a success. A table, extending the whole length of the spacious land, recently built on the Alaskan side of the hotel, has been put in place and now are now busy arranging the decorations.

Whole strings of pennants have been stretched from corner to corner and, throughout, there will be a liberal display of red, white and blue incandescent lights.

The most prominent decorations will be a bear banner running the whole length of the land and shutting off the dining room.
