Runaway and Smashup.

Mr. Frazee, superintendent of the Governmetn electric lights, and his buggy wrecked at the Judiciary building yesterday afternoon. His horse ran away from the road department's stable yard and passing through an open gate by the Kapuaiwa building dashed the vehicle against a tree. The off hind wheel went to bits and the horse cleared free of the shafts, leaving the buggy capsized in twisted shape at the side door of the United States District Court rooms. The horse was caught before running very far and found uninjured. Just before the crash the runaway shaved close by the hind wheels of J. D. McVeigh's brake, and would have smashed it only that the horse moved forward as far as possible approach of the flying rig. Mr. McVeigh saw the narrow escape from a window of the Board of Health office, holding his breath till the danger was past.

White Teeth!

are generally perfect and sound, and at all events are a much prettier feature of the mouth than dirty and discolored teeth.

Then again when kept clean and white are less liable to decay which rather is due to thoughtlessness in teeth care.

All teeth preparations, in a general way are good—we have them all—some better than others.
