"ARABIC"

IS A NEW THING HERE.

But is not new in other Tropical Countries. If anyone has an Iron Roof, no matter how large or small, we will paint it for them at a small cost, and, if it is not satisfactory, they need not pay for it. The fifty roofs that we have painted in the last two months, are all giving the best of satisfaction. See testimonials at the office of

McINERNEY SHOE STORE

THE STORY OF LACE CURTAINS.

ONE NIGHT IN PARIS

A petite chanteuse arrived home tired and fagged after her evening's performance. Immediately on entering her elaborate apartments she proceeded to hastily disrobe. In a mood of abandon and nonchalance she threw her embroidered lace petticoat carelessly from her, and it caught upon the curtain pole of a window. There it hung until morning, and, when the petite one awoke she was struck by the beautiful effect produced by the sun's rays peeping through the embroidery and open work of the petticoat. Her upholsterer was summoned and commissioned to design curtains after the pattern of the undergarment. The idea was novel and spread the world over. And that's how lace curtains originated

ONE DAY IN NEW YORK

We stumbled across some American made Nottingham and Arabian curtains that for artistic conceptions and beauty of designs surpass anything of the kind we have ever seen. We couldn't believe at first that they had been made in America. Neither, perhaps, could you believe it. But we bought those curtains and you are invited to come into our store this week and examine them.

We call your especial attention to the Vestibule Panel Curtains. They are different from anything ever shown here, not only different in design, but different in prices. Ask to be shown a few of these items:

- Rich Arabian Bed Sets. Exquisitely lovely designs. Color extra. Spreads extra, shams extra. Price per set. \$25.00
- Nottingham Curtains. That you can't help but believe came from Nottingham though they didn't. \$2.00, 3.00, 4.00 and 5.00 a pair.
- Denelle and Nottingham Bed Sets. Wonderfully clever products of American Mills. Entirely novel patterns. Generously made and moderately priced. \$25.00, 30.00 and 50.00 per set.

ARABIAN VESTIBULE AND PANEL CURTAINS

In order to introduce these AMERICAN MADE CURTAINS TO AMERICAN BUYERS we have taken these two numbers and marked them down to actual cost as leaders. This is a genuine bargain opportunity and one which will last this week of our introductory sale of curtains only. The vestibule curtains will be \$4.50 a pair. The panel curtains will be \$1.00 each.
