THE LEAGUE DISBANDS

The Protective League met in the Y. M. C. A. yesterday afternoon and decided to disband and turn over its work to the Anti-Saloon League, feeling that the object for which the organization had been formed had almost been accomplished. Those present at the meeting were: Revs. Pearson, Muckley, Westervelt, Wood, Hartley, Soares, Dr. Burgess, Secretary Brown of the Y. M. C. A. and Messrs. Theo. Richards, Leadingham, George B. McClellan, Gullick and D. H. Case.

Reports of the secretary, showing progress, the committee on investigations and the president, were read. In the president's report it was brought out that the donations to the society's funds had been \$11, expenditures \$58.95, and balance on hand \$182.00. Dr. Burgess introduced the motion to adjourn and it was opposed by Mr. Gullick. Mr. Richards was in favor of disbanding. After much discussion, Dr. Burgess withdrew his motion and substituted the following, which, being carried, the meeting adjourned sine die:

"Moved, That the president be empowered to request the Anti-Saloon League to take over the effects of the Protective League of Honolulu and request the formation of a standing committee to carry on the work. In case they accepted the work and did appoint such a committee, that this league be considered disbanded; and in case they declined the work to turn it over to such organization as might be willing to accept it, and, if accepted, the Protective League to be considered as disbanded."

MCKINLEY MEMORIAL

The executive members of the McKinley Memorial Association of the Hawaiian Islands met yesterday afternoon. It was announced by Governor Dole that the whole system was in perfect working order and that the returns from the various chairmen should be forthcoming.

The secretary read a number of letters from members of the committee on the other islands. One of these was from Mr. Fraser of Mahukona, who wrote as follows:

C. M. Cooke, Treasurer: I enclose herewith list of subscriptions to the McKinley Memorial Fund aggregating \$306.50, of which \$55 has already been remitted to you, leaving a balance of \$253.50, to cover which I enclose herewith check of Hawaii Railway Company, Limited, on the Bank of Hawaii. In addition we have about \$100 promised, a portion of which will undoubtedly be realized and remitted, if possible, by next week's mail.

E. A. FRASER, Chairman Kohala McKinley Memorial Committee.

There was only a general talk at yesterday's meeting of what form the McKinley memorial should take.

OFFICIAL SEA SERPENT

New York, Nov. 22.—A special to the Sun from Washington says: After being a subject for many years of uncertainty, doubt and even downright disbelief, the sea serpent has been vindicated officially, and the evidence of its living, breathing, spouting reality is duly recorded in the Government archives in Washington. In a report to the hydrographic office of the Navy Department, Henry Neligan, one of the regular observers of marine events designated by the chief hydrographer, officially vouches for the existence of one of these monsters of the deep.

Neligan, who is third officer of the steamer Irada, reports that the monster was sighted October 26, 100 miles southwest of the Mississippi. It was about 100 feet long. The head had a blunt, square nose, and was ejecting water to a height of two or three feet from its nostrils. The animal, or fish, had three distinct sets of fins and tail lying across like a porpoise. On its back was a series of humps like those of a camel. It was heading about east and moving slowly. The officers of the hydrographic office credit the report.

BOER WORKERS PAID.

New York, Nov. 23.—The Vienna correspondent of the London Times and New York Times says a pro-Boer journal publishes a telegram stating that all over Germany arrested Boer emissaries are secretly working.

The correspondent remarks that no anti-British outbreak in Austria followed Mr. Chamberlain's reference to Doetsch in his Edinburgh speech. He notes, in connection with this, that Dr. Leyds has not been in Vienna, and says the Austrian authorities have made it known that Anglophobe demonstrations will be disapproved.
