**THROUGH THE BRIDGE.**

Troy, O., Dec. 14.—The last span of the Big Four Bridge across the Miami river, one-half mile east of Troy, went down at 5 o'clock this morning as a westbound freight train was crossing. Fireman W. H. Clifford of Indianapolis was killed and at 11 o'clock today his body had not been recovered from the river. The engineer, fireman and conductor were in the cab of the engine at the time. The conductor, George Henry, had his right hand badly scalded but the engineer escaped without a scratch. The bridge was supposed to be one of the best on the road. The engine and nine cars went to the bottom of the river.

**USEFUL CITIZEN GONE**

The death of Henry G. Blatt on Saturday evening was surprising news to many of his friends and acquaintances yesterday. Within a few days he had been about town, apparently in good health. He leaves a wife and a son, the latter sixteen years of age. The funeral took place from the Catholic cathedral to the cemetery in King street at 3 o'clock Sunday afternoon. Mr. Blatt was a native of Holland and 47 years of age at death. He came to Honolulu eighteen years ago and for many years was the leading worker in the jewelry store of A. Wenner & Co., and when that firm dissolved he went into partnership with Mr. Jacobson. For seven or eight years past, however, Mr. Blatt has been conducting a watchmaker and jeweler's establishment on his own account. A few years ago he sold a homestead in Magistrate street and acquired a new one in Prospect street, where he died. Mr. Blatt was an industrious man and a square man in business. He took an intelligent interest in the affairs of his adopted country and was able to hold discussion with the best-informed people on many subjects. The funeral was under the auspices of the Knights of Pythias, of which order Mr. Blatt was a member. H. J. Gallagher, C. C. of Mystic Lodge, had charge of arrangements. Many flowers were contributed by friends.

**SPRECKELSVILLE SUICIDES**

Wailuku, Dec. 20.—The body of a Japanese in a very bad state of decomposition, was found hanging among the algaroba trees between Pala and Spreckelville yesterday. Deputy Sheriff Hayselden and several mounted police rode to the spot where the corpse was hanging and ordered it buried. The deputy sheriff and his associates had no sooner reached Wailuku than another telephone message reached him that a Porto Rican had committed suicide at Camp 5, Spreckelville. Mr. Hayselden is there now making a thorough investigation. A Porto Rican with a large family was reported around Lahaina early this week that he had expressed a wish to die because he could not find work to support himself, wife and four children. Up to this writing his determination has not been executed.

**THE FLEETING CASHIER.**

El Paso, Texas, Dec. 13.—Captain White, Chief of the El Paso police, is convinced that Fleishman, the fugitive California bank cashier, passed through El Paso Sunday, and is now in Mexico fleeing toward the coast. "Fleishman could be easily apprehended in Mexico," said the chief today. "but I do not believe that the bank officials care to bring him back, or do the Los Angeles police appear to be putting forth any unusual exertions to catch the fugitive. They have never sent me an official notice of Fleishman's escape. All the official information I received came from a detective agency at San Francisco, where one of the bank officials resides." Tom Bandy, who professed his services to the Los Angeles police to capture the fugitive, received the following today: "Two thousand five hundred dollars reward for the capture of Fleishman; \$5000 for him and the money. Don't let him get away. CHARLES ELTON, Chief of Police."

**CATHOLIC SECRET SOCIETY.**

Cincinnati, Dec. 12.—The Federation of Catholic Societies after a session of three days, this afternoon adjourned to meet in Chicago July 15, 1902. After the final adjournment of officers this morning the last day was mostly devoted to the consideration of plans for field work. The officers elected were: President, T. B. Minehan of Columbus, O.; vice presidents, T. J. Kauffmann of New York, T. H. Cannon of Chicago and Daniel Duffy of Patuxent, Pa.; secretary, Anthony Smith of Cincinnati; treasurer, H. J. Frier of Erie, Pa. The election of Anthony Maitre, the principal of St. Philomena's Parish School in this city, as secretary means that the headquarters, at least until next July, will be in Cincinnati. The convention closed amid enthusiastic demonstrations, all joining in singing "America," after which Bishop Messmer gave the benediction in Latin and Bishop McPaul in English.

**CONCENTRATION CAMP DEATHS**

London, Dec. 14.—The delay in the publication of the October and November returns from the concentration camps, which were issued today, was apparently due to the Government's desire to accompany the announcement of the pitifully high death rate with some official explanation. The Blue Book issued today shows 3156 deaths of whites in October, of which number 2633 were children, and 2607 deaths of whites in November, of which 2371 were children. This makes the total number of deaths for the last six months 13,941, or a death rate approximating 253 per year per thousand. Among the colored population there were 1308 deaths in two months. The Blue Book contains the Government's plans for breaking up the camps, as recently outlined in the speeches of the War Secretary.

**Water Notice.**

In accordance with Section 1 of Chapter XXVI of the Laws of 1886: All persons holding water privileges or those paying water rates are hereby notified that the water rates for the term ending June 30, 1902, will be due and payable at the office of the Honolulu Water Works on the 1st day of January, 1902. All such rates remaining unpaid for fifteen days after they are due will be subject to an additional 10 per cent. All privileges upon which rates remain unpaid February, 1902, (thirty days after becoming delinquent), are liable to suspension without further notice. Rates are payable at the office of the Water Works in the basement of Capitol building.

**PRENDERGAST TALKS OF WAILUKU NEEDS**

Wailuku, Dec. 20.—Hon. J. K. Prendergast, Home Rule member from Honolulu, has been in Wailuku on business matters, and at the same time looking into the actual needs of this town. During the last session of the Legislature, he voted \$15,000 for a new courthouse for Wailuku. After viewing the courthouse this morning he remarked about the inadequacy of the former amount they voted, and he now believes that Wailuku needs above all a \$75,000 courthouse, and he will exert his utmost at the next legislative meeting, if he has the good fortune to be re-elected, to convince his fellow members that nothing less than \$75,000 would satisfy him in his efforts on behalf of Wailuku.

**HILO MATINEE RACES**

Hilo, Dec. 20.—The matinee races last Saturday at the park attracted about 200 people, who were rewarded by some good racing. The track was heavier than it was Thanksgiving Day, but the speed was good. The first race was a half-mile handicap. Frank S. entered with pounds, Royal ran and Philip 118. The start was a good one. The race went to Frank S., time 1:52. The second race was between Dick Land and Fiero, one mile. The merits of these two mounts always make a match between them exciting. They were off together. At the end of the first eighth, Alvie Lane forged ahead by a neck and kept the lead to the end, finishing first in 1:48. The third race was between Merri's Force and Rejected. These two good runners were head and head all the way around the five-eighths circle. Rejected came under the wire in 1:07, in the lead. The performance of Rejected was especially good, considering the fact that he had been in training only for a few days. The spectators were well pleased with the races.—Tribune.

**DIED FROM BURNS**

Hilo, Dec. 20.—The adopted 3-year-old daughter of Mr. and Mrs. Philip Victor was accidentally and fatally burned at her home on Waiannu street last Saturday evening. The little girl had been dressed for bed by her mother and the mosquito netting had been spread. Instead of going to sleep, the child secured some matches from a near by shelf and got out of bed to strike them on the floor. The nightgown caught fire and instantly the child was enveloped in a sheet of flame. Her cries soon brought her mother to the room. In putting out the fire Mrs. Victor's hands and arms were badly burned. Medical aid was summoned, but nothing could be done. Death ended the pain six hours later. It is supposed that the flames were inhaled and that the internal inflammation caused the death. The funeral was held Monday morning at 10 o'clock from the Catholic Church.—Tribune.

**CAPTAIN BANTON SICK.**

Washington, Dec. 15.—Captain Matthew A. Banton, Fifteenth Cavalry, who organized and led the famous organization of native Filipinos known as Banton's Scouts, in the earlier days of the Filipino insurrection, has fallen a victim to hardships in service in the Philippines, and has been ordered to the general hospital at Washington barracks for examination and treatment.
