ALOHA BRANCH THEOSOPHICAL SOCIETY.

Official Notice.

At the regular annual meeting of the Aloha Branch, T. S., last March, the following officers were unanimously elected for the present year by 17 votes: A. Marques, President; S. I. Shaw, Vice President (since resigned through gross insult by A. Fullerton); S. W. Shaw, Secretary; W. Dix, Treasurer; L. D. Merry, Librarian; while Mrs. M. D. Hendricks and Mrs. A. Rowe, who dubb themselves President and Secretary of the same Aloha Branch, were elected on their side by a faction of 5 votes only. The alleged cancellation of Aloha Charter by Fullerton, June 23, at the request of the minority only, is an illegal act which is null and void. Moreover, by Resolution of Aloha Branch, dated April 23, Alexander Fullerton, General Secretary American Section, T. S., has ceased to be recognized in that capacity by the said Aloha Branch, and all intercourse of the Branch with him has been suspended until he fully apologizes: (a) for his ungentlemanly and untheosophical conduct in wantonly insulting 5 members thereof; (b) for his undue favoritism for and siding with the minority faction; and now, for his gross partiality against Mr. Marques, who, on January 7th last, was unjustly and illegally expelled on false and trumped up charges by Mrs. Hendricks and her 4 followers (to-wit: Mrs. A. Rowe, the two Misses Rice, music teachers, and J. Rice, their father), in the absence of all the other members, cowardly advantage being moreover taken of Mr. Marques' own absence through sickness, so as to prevent him having any lawful trial and any chance to defend and justify himself, although he had written for a postponement of the case in order to be able to attend.

THEOSOPHICAL SOCIETY.

Official Notice.

By order of Alexander Fullerton, General Secretary, American Section, T. S., notice is hereby given that a new charter has been issued to Aloha Branch, T. S., of which Mrs. Mary D. Hendricks is President, and Mrs. Albene Rowe, Secretary, replacing the old charter retained by the ex-President of said Aloha Branch—Mr. A. Marques—and that said old charter was on the 23d day of June, 1902, annulled.

Notice is also given that the above mentioned A. Marques is in no way connected with Aloha Branch, T. S., of Honolulu, H. T., and has not been a member of that Branch since the 7th day of January, 1902.

The case of Solomon Matthews, charged with receiving stolen goods, came up for trial in the Police Court Friday. When a couple of witnesses for the prosecution had finished their testimony, a nolle prosequi was entered and the defendant discharged. There was an incident worthy of note in connection with the case. Attorney Nobles, a new legal luminary, attempted to get Deputy Sheriff Chillingworth out of the case on the ground that he was not a legal prosecutor according to United States laws. Judge Wilcox listened as long as possible and then told Nobles to pay more attention to the man he was defending.

NO FEARS ARE FELT OVER FORT GEORGE

There is considerable difference of opinion along the waterfront over the failure of the bark Fort George to arrive. The comment is divided into two camps, one predicting that the ship is lost, the other laughing at the idea. It is stated that as the Fort George is only in ballast and consequently very light, she should make the trip very quickly. This might be true in case the Fort George should be accompanied by a fair wind but in case she should have to do any great amount of tacking, the very lightness of the vessel would prove to be a great hindrance as she would not be sufficiently deep in the water.

There are some who reason that the Fort George has met variable or unfavorable winds as the winds in the Pacific have lately been amusing themselves on their own hook without paying the slightest attention to charts or the way the meteorologists want them to behave.

This point was sufficiently illustrated by the experience of the Mohican, which vessel was driven clear up into the north Pacific while she was trying to make the usual sailing route to Honolulu.

A number of captains and waterfront kamaainas expressed themselves on the subject this morning and were unanimous in declaring that there was no reason whatever to fear that the Fort George has met with any misfortune and state that they would not be in the least surprised if the vessel, under the circumstances, should be out a hundred days or over, several captains in port giving her twenty more days for the passage.

A SIX MONTHS' SENTENCE.

Brady Clemmons, a big negro who for two months past has been hanging about in the vicinity of the Popular saloon, Magoonville, was sentenced to six months' imprisonment Friday forenoon on the charge of vagrancy.

The prosecution had a number of witnesses to show the absolute uselessness of the defendant and his propensity for begging money from time to time. The owner of the pool room near the saloon stated that Clemmons was in the habit of "raising a little hell" in his place whenever he felt so disposed.

ALL-COMERS' TOURNAMENT.

At the regular meeting of the Elks last night, Exalted Ruler F. M. Brooks appointed Harry Couzens, E. E. Hartman and Lorrin Andrews a committee to make all arrangements for the on-coming all-comers' tournament. The details will be completed very soon. The tournament is to begin during the first week in August. A general invitation is issued to the ping-pong players of the city to take part in the tournament. Forty entries have already been received by the committee. Three prizes are to be offered. The first will probably be a silver cup.
