Bishop Restarick Has BEGUN His Work In Honolulu

Bishop Restarick celebrated his first communion in the new missionary district of Honolulu in St. Andrew's Cathedral yesterday morning at the 7 o'clock service. In the congregation was Queen Liliuokalani. There was a full choral service during which the new Bishop made a brief address of welcome.

At 9:45 o'clock, the Bishop made an address, particularly for the Hawaiian members of the congregation. His remarks were interpreted by Solomon Meheula.

At the 11 o'clock service, the Bishop was greeted by a congregation which filled every seat in the nave and aisles. Revs. Canon Mackintosh, Weymouth, Kitat and Ault, together with Rev. Arthur Evans of Los Angeles, occupied the stalls. The sermon by the Bishop was as follows:

Galatians VI:14: "But God forbid that I should glory save in the cross of our Lord Jesus Christ by whom the world is crucified unto me, and I unto the world."

Among the books and papers sent to me by a member of this congregation on my election to Honolulu, was the history of the first five years' work of the Anglican Church in these islands.

These words about the cross are often very empty sayings. If there is one thing which men in this generation despise it is insincerity—words which mean little or nothing to life. There are people who talk about the cross of Christ, and Christ saving men, as if salvation were a sort of necromancy wrought by the crucified Jesus.

It is there is one thing more than another which men should get burned into their minds and souls it is that victory by the cross has meaning only when life is brought in a degree into the measure of what the cross stands for.

What does it mean by the cross? What does it stand for in life? People ready to get something instead of giving something are ever ready to look upon the cross as assuring them exemption from something.
