**DECISION OF UMPIRE.**  
Editor Evening Bulletin:—The members of the Good-Eyes baseball club wishing to have the public know the facts, state that the game of baseball played last Sunday was unfair. They feel aggrieved, as this game was one in a championship series. A well-known player of the H. A. C. was umpire. We believe and so do the majority of the one thousand people who witnessed the game that his decision in the last inning calling Gomez out, which run would have tied the game, was rank and unfair, and, we believe, a deliberate intention on the part of the umpire to give the decision of the game to the other club. We deem this explanation due the public.

Although Admiral Terry, the new commandant of the Naval Station, has been expected here for some time past, it is thought by many that he will not reach this place until October. The following clipping from the Army and Navy Journal would seem to support this view:  
Miss Eleanor Terry, daughter of Admiral S. W. Terry, U. S. N., has gone to Baltimore to stay with friends and will remain until the first of August, when she will go with her parents and her brother to Narragansett Pier for the remainder of the season. Mrs. Terry will remain in Annapolis with her son, Mr. Mason Terry, until the departure of the rest of the family for Narragansett Pier.
