YOU MAY BE CURED

544 Garfield Avenue, Chicago, Ill., October 9, 1902.

After doctoring for eleven months and taking forty-three bottles of medicine and finding no relief for leucorrhoea resulting from irritation of a fallen womb I took Wine of Cardui and fourteen bottles cured me. This seems strange but it is the simple truth. Wine of Cardui helped me from the time I began taking it and having heard it praised so highly by friends who had tried it I felt satisfied that it would help me, and it did. It cured me. Took every bit of ache, pain and headache, cramps and dragging down sensations away till I felt young, strong and happy once more. It is a wonderful medicine and a true friend to women. When I look back on the months of torture I had it seems like a hideous nightmare. Wine of Cardui will cure any woman I believe. I have more faith in it than all other medicines combined.

Francis Kingzley
Vice-Pres., Chicago Historical Club.

How can you refuse relief when you know you are growing worse day after day? Shooting pains, irregularity, inflammation and bearing down pains make thousands of women miserable. Why drag through life never enjoying anything? Wine of Cardui has made over 1,500,000 weak and suffering women well and strong. We ask you to go to your druggist today and secure a \$1.00 bottle of Wine of Cardui and begin to take it at once. Do that and the health Mrs. Kingzley writes about will soon be yours. If you think special directions are needed in your case, address, giving symptoms, Ladies' Advisory Department, The Chattanooga Medicine Co., Chattanooga, Tenn.

FOR SALE.

The mountain section of the Ill of Kalaehaha, containing an area of 293 1/2 acres.

This land extends from a short distance above the Lanailo Home to the peak of Tantalus and thence to the head of Manoa valley. It includes a portion of the upper section of Panoa Valley.

The Government Tantalus Road winds through the property for about three miles, making easy access available to all parts. It contains all of the choice, available locations for Mountain Homes.

There are never-failing springs at the upper end of the property which could be opened up and made to furnish an ample water supply. There are several houses and gardens on the property.

The land is heavily timbered and reaches an elevation at its highest point of over 2,000 feet. In the tropics high-elevations bring health. For further information apply to

APPEALS IN VAIN FROM KONA SALE

Justice Galbraith dissenting, the Supreme Court today filed decision in McCloskey & Sons against the Kona Sugar Co. and the First American Savings & Trust Company, in which Kona was sold and a receiver appointed, and W. W. Hayes, Limited, the present appellant, obtained leave to join receiver as a defendant in his petition in intervention, wherein petitioner claimed the right of possession of railroad goods then in the possession of the receiver.

The prayer of the bill is that an accounting be had to ascertain the amount due the complainants, that their claim be decreed a lien on the crop of cane and the sugar and its proceeds, that the respondent be ordered to pay complainants' claim, that a sale be ordered of all the assets of the respondent or of some portion thereof sufficient for the purpose of satisfying the lien, that respondent be decreed to pay the lien out of the proceeds of such sale, that a receiver be appointed of all the assets of the respondent and that the respondent be decreed to make such transfer or conveyance to the receiver or purchaser as may be necessary and appropriate.

The case was within the general scope of the jurisdiction of a court of equity and was not without traces of equity jurisdiction. The defects complained of cannot avail the appellant at this stage.

On the merits no objection is made to a confirmation of the sale. The appeal cannot be sustained.

Hatch & Ballou for Wm. W. Hayes, Ltd.; Cathcart & Milverton for complainants.
