New York, April 28.—There is a serious doubt in Wall street as to whether John W. Gates really had a corner in May wheat or was merely playing poker with the Armour.

Chicago, April 28.—Alarmed at the wave of public opinion which is sweeping over the country in favor of Government rate control, railroad presidents are organizing for defense.

International Poultry Food

is a wonderful egg-producer and it cannot be fed to hens at any season of the year without showing a large increase in eggs.

International Poultry Food

Prevents sickness, promotes good health, causes young chicks to grow very rapidly, invigorates the digestive organs, supplies material for bone, muscle and feathers and is very beneficial during moulting season.

International Poultry Food

Invigorates the egg-producing organs and makes hens lay more and longer. It prepares chickens for the market more rapidly than any other preparation.

International Poultry Feed

Prevent disease and cures chicken cholera.
