TOURIST KNOCKS PROMOTIONISTS

The duty of the Promotion Committee staff to give information to tourists is not always a pleasant one. Many who visit the headquarters ask the most ridiculous and foolish questions and then berate their informants when their answers do not please them. A few days ago an individual whose accent would indicate British extraction, but whose manners would have been a discredit to a Siwash Indian, called for some information about the location of the golf links. He was told of those at Haleiwa, Moanalua and Manoa, and had those places pointed out to him on a map of the island. He then demanded a detail map of the suburbs, and on being told that there was none such on the premises he fell into a gibbering rage and proceeded to berate his informant, who was one of the young ladies employed by the Promotion Committee. In spite of his outrageous display of ill-breeding, which should have earned him penal assistance through the door, he was courteously given additional information.

It now appears that, having probably been rendered temporarily mentally incapable by his rage, understood that by going to Moanalua he would find the Manoa golf links. Whether he tried to reach the Manoa links by this route is not known. If he did he must have enjoyed considerable exercise. He now, paradoxically, is bitterly complaining at the treatment which he received at the hands of the Promotion Committee, and is knocking that valuable institution with all his might and main.

CHILDREN WILL ENTERTAIN

On Thursday evening, April 25, the Opera House will be the scene of Mrs. Mary Gunn's annual exhibition of children's fancy dancing. This promise to be one of the most delightful social events of the season. Efforts of past years will be outdone in the elaborate costumes and the clever work of the little artists. The dancing is very catchy and is bound to make a hit. Indications point to a large attendance. Box plan opens at Wall, Nichols Co. next Monday morning.

Good Results In Lung Trouble

Mrs. Victor A. Beaucaire, a prominent club woman of Chicago, Ill., contracted a severe cold from being exposed in bad weather which resulted in serious lung trouble.

Mrs. Beaucaire, after taking several doses of Duffy's Pure Malt Whiskey, says it has helped her wonderfully, brought the color to her cheeks, and that she would not be without it.

She pays high tribute to the world's greatest tonic stimulant in the following letter:

"As I am a member of the Hull House Women's Club, I was called out many times when the weather was very bad and so caught a very hard cough, and doctors claimed that my lungs were affected; in fact the left lung was almost gone, but since I have taken your valuable DUFFY'S PURE MALT WHISKEY, I feel better and would not do without it. I have not been taking it very long, but I am sure of good results; I have good color in my face and feel that I can work with a great deal more ambition. I cannot praise it too much. I have recommended it to several of my friends and they, too, are thankful for the benefit they have already derived from it." Mrs. Victor A. Beaucaire, 255 Ogden Ave., Chicago, Ill. May 4, '06.

Duffy's Pure Malt Whiskey

If you wish to keep strong and vigorous and have on your cheeks the glow of perfect health, take Duffy's Pure Malt Whiskey regularly, according to directions, and take no other medicine. It is dangerous to fill your system with drugs, they poison the body and depress the heart, while Duffy's Pure Malt Whiskey tones and strengthens the heart action and purifies the entire system. It is recognized as a family medicine everywhere. Duffy's Pure Malt Whiskey has stood severe tests for fifty years and has always been found absolutely pure and to contain great medicinal properties.

CAUTION.—When you ask your druggist, grocer or dealer for Duffy's Pure Malt Whiskey be sure you get the genuine. It's the one absolutely pure medicinal malt whiskey and is sold only in sealed bottles; never in bulk. Look for the trade-mark, the "Old Chemist," on the label, and make sure the seal over the cork is unbroken. Price \$1.00. Illustrated medical booklet and doctor's advice free.
