INQUIRIES COME FROM ALL STATES

Several Excursions Are Being Planned From Coast

Secretary Wood has prepared the following report which he will submit to the Promotion Committee at the meeting this afternoon:

Our mail by the S. S. Nippon Maru was the heaviest we have received in some time, practically every State in the Union being represented. There were upwards of sixty letters from different leading railway and steamship passenger agents, some thanking us for data sent, others asking for additional pamphlets for distribution, several expressing their intention of visiting Hawaii at the earliest possible opportunity and all signifying their desire to be of service in advertising the Islands.

Mr. Dunann, general passenger agent of the Pacific Coast Steamship Company, writes, "We hope you will always remember us when you send out anything, as it will be cheerfully received. Be sure and send enough for our different agencies to the north. It will ever be our pleasure and theirs to serve you."

The city passenger agent of the Rock Island Railway at Hot Springs, Arkansas, writes, "I beg to acknowledge receipt of your advertising matter, which I will get our three daily papers to mention and will see that it gets into the hands of a number of people."

The agent of the Rock Island line at Des Moines, Iowa, writes, "We have some business from this section to Hawaii and the matter you have sent will enable us to better describe your beautiful country to those making inquiry."

The agent of the Southern Pacific Railway at Portland, Oregon, writes, "Hope to be able to visit Honolulu soon. We are sending over passengers each steamer from this section. Those who have returned speak in glowing terms of Honolulu and its fine climate."

Mr. August Wolf of the Chamber of Commerce of Spokane, Washington, a regular correspondent, writes that it gives him pleasure to continue directing people our way and sends word that Mr. T. C. Jackson, the "Mule King" of Butte, Montana, accompanied by Mrs. Jackson, has concluded to make an extended visit to Hawaii.

The editor of "Motor Talk," published at Detroit, Michigan, in acknowledging the receipt of photographs of the Floral Parade, writes, "The pictures are certainly very attractive, and coming to our offices when the snow is whirling itself against the windows and whistling down the alley-ways, it makes us envy you of the warmer climate. I hope and trust that sometime in the near future I may visit 'Hawaii, the Beautiful.'" The photographs sent will be used in April "Motor Talk."

The editor of "Motor," published in New York, writes, "We were very glad to get yours of March 7th and the interesting photographs of the recent Floral Parade. We are planning to use these photographs in our May issue."

Mr. Charles W. Hornick, general manager of the San Francisco Call, writes, regarding a special excursion to Hawaii, that owing to the expected arrival of the Fleet, it will be impossible to interest the people for the present, but during the summer months he believes the plan can be worked out and will then give careful consideration to our suggestion.

Secretary Wiggins of the Los Angeles Chamber of Commerce writes, under date of March 28th, "At this present moment, Mr. Raymond, manager of the celebrated Raymond, Whitcomb Excursions, is figuring at one of our desks on an excursion to Honolulu. How we come out with it, you will be informed later. One of the great troubles has been the chartering of a suitable steamer."

Dr. C. L. Caven of Bisbee, Arizona, who was in Hawaii about a year ago, writes under date of March 27th, "Having become familiar with your efficient and excellent methods of promoting the interests of Hawaii, and being one of a committee of the Bisbee Board of Trade, to prepare pamphlets and folders on the resources of our district, I would appreciate your sending us sample copies of your literature that the com-

mittee may become familiar with your methods."

VAUDEVILLE TONIGHT

The vaudeville show has made a hit with the theater-goers, as everybody in touch with the Lilliputians had predicted it would. Last night's show was considered by many to be the most entertaining of any that have been staged during the present engagement, and the record for floral tributes was smashed, and a new mark set that will last for some time unless, as is more than probable, it is broken tonight.

For there are few companies that could rouse their audiences to greater enthusiasm than was displayed during last night's show. The songs, dances, skits, and burlesque bits were all well received and heartily applauded.

Tonight, the friends of the little actors are planning to turn out in force, and there will probably be an interesting scene when they begin to demonstrate their approval of the Lilliputians and their acting, that will, in itself, be well worth the price of admission.

The Truth About Kidney Trouble

(PHYSICAL WEAKNESS)

When there is a pale, pasty complexion that persists in spite of diet and careful living, or where there is physical weakness that likewise resists the usual treatment, the kidneys are to be suspected.

Poof often does people with kidney disease very little good. Instead of acting on the system the albumin, starches and sugars that our food releases the inflamed kidneys deflect them, and tests disclose them in the eliminations unused. The patient grows weaker and weaker, and as the kidneys are not supplied there is usually no pain, and there appears to be no cause for the continued weakness. In such cases a test for albumin may disclose a strong percentage of the strength of the food in the eliminations unused, but as albumin can not be seen and is only disclosed through chemical tests, the patient, unless he is in the hands of a physician, often has no line on his difficulty, and thousands of such cases go untriedly into the supposed chronic, incurable stage.

In these cases Fulton's Renal Compound acts definitely, but quite slowly. The inflammation is usually of considerable standing and permanence. As in the other cases of inflammation of the kidneys Medical Works have nothing but diet and symptomatic treatment, both of which have proven futile in these chronic cases. Fulton's Renal Compound reduces the inflammation, the albumin will be found to be gradually decreasing and recovery slow but definite in about 57 per cent of all cases.

Washington, March 21.—Representative Coudrey of Missouri thinks he has discovered a use for former Presidents of the United States, "where the knowledge and experience gained by them while in office will continue to be at the command of the nation."

In a bill introduced to-day Mr. Coudrey provides that all ex-Presidents be made honorary life members of the Senate and compensated for their services at \$25,000.

Mr. Coudrey says this solves the question, "What shall we do with our ex-Presidents?" and provides a salary sufficient to maintain them in comfort without having to face the American idea of opposition to civil pensions.

After suffering for seven years, this woman was restored to health by Lydia E. Pinkham's Vegetable Compound. Read her letter.

Mrs. Sallie French, of Pauenaula, Ind. Ter., writes to Mrs. Pinkham: "I had female troubles for seven years—was all run-down, and so nervous I could not do anything. The doctor treated me for different troubles but did me no good. While in this condition I wrote to Mrs. Pinkham for advice and took Lydia E. Pinkham's Vegetable Compound, and I am now strong and well."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, nervousness, prostration. Why don't you try it?

Don't hesitate to write to Mrs. Pinkham if there is anything about your sickness you do not understand. She will treat your letter in confidence and advise you free. No woman ever regretted writing her, and because of her past experience she has helped thousands. Address, Lynn, Mass.

OAHU ASSOCIATION WILL HOLD MEETING

The Oahu Association will be in session for four days beginning Friday, April 10th, at the Kaili-Moanana Church, Rev. W. K. Poal, pastor. At this meeting will be gathered the representatives of all the churches of this Association and of the missions connected with the Hawaiian Board. As the churches represented use various languages, provision is made in this program, for the first time, for meetings of the different nationalities in separate sessions, for the presentation and discussion of the topics assigned. At a subsequent hour all will meet in the same room and the main points of the papers will be translated into Hawaiian, English, Chinese and Japanese.

The program for Friday will be as follows:

- 10 a. m.—Hymn, prayer, H. K. Poepe's address, Words of welcome, W. K. Poal, Preparation of Roll, by clerk, H. K. Poepe. Appointment of Committees: (1) Program, (2) Pledges, (3) Reports of Churches, (4) Obituary.
- 11-11:30—Sermon by the new secretary, Rev. W. B. Oleson.
- 11:30-12:30—Paper, "Our Churches and Reform Movements."
- 12:30-1:30—Noon meal.
- 1:30-2:30—Mutual reports on the topic of the morning from those who prepared papers in the several languages.
- 2:30-4:00—Regular business session.
- 4:00-5:00—Sunday school business session.
- 5:00-6:00—Evening meal.
- 6:00-8:00—Business meeting of the Christian Endeavor.
- 8:00-8:30—Devotional exercises.
