St. Louis Team Defeats Kams By 6 to 1

Yesterday afternoon the St. Louis team defeated the Kamehameha boys by a score of 6 to 1, amidst the greatest excitement. The game was a close one for seven innings, and then the Kams went to pieces and the Saints forged ahead. The Saints scored first in the third, and then did nothing till the eighth, when they certainly did things with a vengeance, scoring no less than five. It came to pass in the following manner. Asam came up to bat and hit the ball right into the river. It was a foul ball, but the umpire let it pass, and Asam stayed on second. This upset the other team a lot and after that the runs came fast and furious; with Asam on second, Espinda walked, and Asam and Xavier got home on a passed ball. Pedro made a good hit to left field, and through a wild throw, and the ball not being followed up, Espinda, Dreier and Pedro came home.

In the ninth inning Espinda struck out three men without any trouble and that ended the game as far as the Kams were concerned. The next game of the series will be played tomorrow afternoon on the Kamehameha diamond and will be between the St. Louis and High School. The second game is to be played by the Kams and Oahu College. A start will be made at 1:30 and it is expected that the usual crowd will turn out for the games.

Inter - Island Baseball Is Coming

It is pretty well decided that A. K. Vierra, who has done so much for baseball during the past, will take a Honolulu team for a tour of the islands, leaving town about next August. This is a scheme that should make good, as the other islands of the group are taking as much, if not more, interest in baseball than the local people. At Walluku the Vierra combination will run up against a fine bunch of players, and it will take them all their time to put it over the Maui men. Then the Kahului boys won't take water from any bunch of

A. K. VIERRA.

Invaders, and the Honolulu team will have to play real ball to have a look-in. Lahaina, too, is not backward at the national game, and, besides the town team, there is the Lahainalua school crowd ready at all times to have a cut at anybody. And when the Vierra outfit reaches Hilo, perhaps there won't be something doing in the ball line! There are several teams in the rainy city, and the outside plantations all run clubs; there should be enough games arranged to keep the Honolulu crowd going for some time. This inter-island baseball will stir up a tremendous amount of interest in the game, and should be a great success. The local team that will make the tour is to be known as the "Reach" layout. The only weak point in the proposition is the name; why not try and be original? This cribbing of names from other parties is not the thing, and already we have a "Reach" team as also an "All Hawaii." There are plenty of suitable names, and, after all, some of the native words are far better than any other borrowed cognomens.

However, be it "Reach" or any other name, one thing is certain, and that is that the tour will be a huge boost for the game right through the group.

How would "Vierra Specials" do?

Hilo Baseball Games Are Very Poor

Some excellent running exhibitions and with good reason. It would be well for the Baseball League to answer given at the Mooheau Park, Hilo, last Sunday afternoon. However, as the quite considerable crowd which attended the events, had been lured to the spot to see baseball, it was disappointed to quite an extent, nounce the events as a running race next time it contemplates giving such a performance, which, on the other hand, it is hoped it will never do, says the Hilo Tribune.

Both games were fierce, and the game between the Senior teams was even worse than that put up by the Juniors. The score of 23 to 13 by which the Mooheaus defeated the Naniwas is sufficient comment on the article of ball which was put up. However, it may be said in defence of the boys that this is early in the season, and the lamentable exhibition of last Sunday may serve to make the teams pull themselves together and give the public some ball which will be to their credit, and which will make up for the debacle.

The Naniwas made scores of five runs in two innings, the second and the ninth, but otherwise the Mooheaus had them at their mercy most of the time. Twenty base-hits were made by the Mooheaus and, on the whole, the game was such a comedy of errors that the spectators had lost their interest in it long before it finished.

The second game, between the Morning Stars and the M. A. C.'s was not a good game, but it was somewhat better than that of the Senior teams. At least one feature, the fielding and throwing of the Stars, was quite good, and although this team did not win the game, it put up some very fair plays.

Guards Dance Promises Very Well

The N. G. H. is at the back of the military ball which is to come off tomorrow evening at the Knights of Pythias Hall, and this fact is sufficient to assure the complete success of the dance. What with a champion (embryo) baseball team, and a go-ahead lot of social men at the head of their regiment, the Guards are certainly making a noise like sport. Sergeant Barry is the organizing spirit of the dance, and although his team have to play a hard baseball match on Sunday the gallant sergeant has no qualms in allowing his men to trip the light fantastic into the small hours of the Sabbath. The Guards will be on deck at Lellehua, and Barry will no doubt repeat the historical words of Wellington and cry, "Up, guards, and at them!"

Army and Navy officers and their ladies are expected to attend the ball tomorrow night in large numbers, and the more the merrier, say the guards. Their dances in the past have always been huge successes, and from present appearances tomorrow's will keep up the reputation of the regiment. Tickets may be obtained at the doors and the moderate charge of 50 cents will admit a lady and gentleman.

***** Mahoe, Elizabeth Awal; guards: Sarah and Eliza; centers: Eva Keawe (captain) and Mamie Keonaona. Another game will be played in the near future and the Waialua girls are going to beat the Hauula maidens next time or know the reason why.

Swimming Carnival During June

The swimming carnival which the Myrtle and Healanu Boat Clubs intend bringing off in the near future promises to be one of the best events pulled off in this city for some time. The water sports will be held at the Hotel Baths, and arrangements are now being made with the Young Hotel people as to securing the baths. An attractive program is being made up, and some fine stunts will be shown; high and fancy diving will play a prominent part in the show, and races over various distances will be swum.

Diving for objects is another interesting stunt, and it is wonderful how long some men can stay under water, and how many of the pieces of broken crockery they can recover. A. Ewart, Wm. Lyle, and Ray B. Rietow are on the joint committee for the Myrtles and John Clark, Ben Clark, and Carl Osa represent the Healanu.

Hauula Girls Basketball Champions

Last Saturday afternoon at the Hauula school a fine basketball game was played between the Waialua girls and the local team. A large crowd of spectators attended the game, which was fought out with great determination by the young ladies. The Waialua girls were playing under a slight handicap owing to being on a strange ground, but they did remarkably well, taking everything into consideration. The final result showed that the Hauula team won by a score of 14 to 6; this looks a big margin on paper, but the actual game was much closer than the score indicates.

When the game was finished everybody sat down to a fine luau, and this feature of the day turned out to be almost as enjoyable as the match. Singing was in order, and the sweet voices of the young girls blended beautifully with those of the grown-ups.

Miss Diana Kawahilo, who has a thorough knowledge of the rules of basketball, refereed the game, and, as usual, gave the greatest satisfaction. Mr. Awal and Miss Christophersen acted as umpires, and their decisions were always correct. The line-up for both teams was as follows:

Hauula - Forwards: Lucy Kenunui (captain), Josephine Akao; guards: Melrild Kamalola, Katherine Keaunui; centers: Agnes Keaunui, Dora McKeague. Waialua - Forwards: Josephine
