On the ribbon will be printed "Aloha from Hawaii." These lels will be distributed freely at Los Angeles, and the whole thing will undoubtedly be a good advertisement for Hawaii. |

During the past week there have been several members of the Hilo lodge in town, and they are going back today to work up enthusiasm among the herd of the Big Island. The Kauai and Maui men are equally enthusiastic, and the demonstration made at Los Angeles will be by the Elks, not of Honolulu only, but of the whole Territory.

John Nichols, a line man in the employ of the telephone company, was rather badly battered up when a rotten pole fell with him this morning. He is now in the Queen's Hospital, suffering from three broken ribs, a dislocated shoulder and a damaged knee.

Nichols was at work on an old pole one Vineyard street near Fort. The pole had been ordered down by the company, and Nichols was doing the preliminary work necessary to prepare the pole for lowering.

Suddenly, without warning, the pole gave way, and Nichols came crashing to the ground. Luckily he fell in such a way that he escaped being crushed by the big piece of timber, and his injuries were the result of the fall alone.

It is not believed that his injuries will confine him to the hospital long, though he is now suffering great pain.

Wm. C. Lyon of Brown-Lyon Co., leaves on a business trip to Maui on the Tenyo Maru tomorrow.
