A. G. M. ROBERTSON GIVES THANKS

A. G. M. Robertson this morning forwarded a letter of appreciation to the Bar Association. Mr. Robertson was endorsed for the Federal judgship at a time when it was thought Mr. Woodruff had withdrawn. Robertson had the unanimous backing of the Bar Association. The letter follows:

Honolulu, T. H., June 15, 1909.
W. A. Kinney, Esq.,
President Bar Association of Hawaii, Honolulu.

Dear Sir:

I desire to thank you, and through you, the members of the Bar Association, for the hearty endorsement recently twice given me for the Second Federal Judgship. There are no better judges of a man's fitness for a position on the bench than his fellow practitioners at the bar, and I can say with the utmost candor that I much prefer the endorsement of the Bar Association without a judgship to a judgship without that endorsement.

Thanking the Association for its cordial expression of confidence, I remain,

Very truly yours,
A. G. M. ROBERTSON.

Lucas Brothers Lowest.

Bids were opened this morning by the United States Depot Commander for the construction of a swimming tank at Fort Shafter. The lowest bid was submitted by Lucas Brothers of this city, their tender being $3,684.

The bids will be submitted to Washington, and, if approved, Lucas Brothers will receive the contract for the work. It is the desire of the authorities to have work begin at once, as the swimming tank is badly needed. The specifications call for a tank 130 by 100 feet.

Location This Week?

It is generally believed that a decision will be reached this week with regard to the location of the permanent post at Leilehua. A meeting of the location board is being held today at Schofield barracks.

The water question has been the vital issue with the location board, a large amount of water being an absolute necessity where as large a body of troops as a brigade is to be located. As something in excess of $2,000,000 will be expended before the brigade post is completed, no mistake must be made in the location.

Maj. Winslow at Hilo.

IN FOREIGN PORTS

Tuesday, June 15.
NEWCASTLE—Sailed June 14: S. S. Flensburg, for Honolulu.

UNDERSTANDING IN MAKEE LAND CO.

A letter from Col. Spalding, representing the Makee interests, has been received by the Territorial Government, in which it is understood the proposition made through Governor Frear will be accepted with but few changes.

Under the new proposition the land and water are segregated, but the same conditions relative to the company's taking the land on one side of the river and the government taking land on the other will hold. The restrictions of the forest reserve regulations will also be complied with. Under this proposition the Makee company has practical control of all the cane land for development, and nothing can interfere with their rights. Such available land as is not otherwise used can, at the discretion of the government, be taken up for homestead purposes. Nothing definite has been given out as yet, but the matter will be soon decided after the return of Governor Frear.

JAP BUCKS UNCLE SAM AND LOSES

Post Office Inspector Frank J. Hare, after investigation, has just discovered the forger of a United States money order, presented at the Hilo post office some time ago. The forger is a Japanese and Deputy U. S. Marshall R. Irwin left today on the Mauna Kea for Hilo to make the arrest. The Jap's name is known to the officials but will not be given out until the man is in custody, for fear that he might be warned.

The money order was made out for $95, almost the limit, and the Japanese will be prosecuted under section 5463 of the U. S. Postal Code.

A. M. BROWN BUYS IN CORNWELL RANCH

(Special to the Bulletin)

Wailuku, Maui, June 14.—Arthur M. Brown and Frank Thompson were in Wailuku last Saturday. Mr. Brown came up to look over the Cornwell Estate, Waiohuli ranch, having purchased Miss Kate Cornwell's interest in said ranch for $10,000 or $12,000. Frank Thompson, the Honolulu attorney, accompanied Mr. Brown to the ranch and rode up to the summit of Haleakala early Sunday morning.

Mr. Brown told a friend he might take up his residence on Maui later on, to look after the ranch. The ranch is valued at about $60,000, and the purchase made by Mr. Brown is that of a third interest in the property.

AUTO RUNS INTO AND SMASHES BUGGY

Automobile No. 348, driven by Manuel Silva, was last night driven full tilt into a buggy in which J. A. R. Vierra, Mrs. Vincent Fernandez and her little daughter were driving. The buggy was wrecked and the horse knocked down and dragged along, but none of the occupants were injured.

From the accounts of eyewitnesses the buggy was being driven on the right side of the road near the Seaside Hotel, when the automobile came dashing along, and, without giving any warning, ran into the back of the buggy. The light vehicle was thrown around at right angles and dragged along for about twenty feet.

Silva has been mixed up in three of four accidents since he got his chauffeur's license last April.

Sealed bids have to be in the hands of Major E. Eveleth Winslow, C. E., U. S. Army, constructing quartermaster, not later than July 7, 1909.
