### Tomorrow Night Championship Go

Now that the night is approaching for the big boxing contest between Dick Sullivan and Jack Cordell, interest in the championship event is growing very strong.

Both the men have eased up in their work, and today and tomorrow will take a rest in anticipation of the strenuous time they will have to put in in the ring tomorrow night.

It is thought by many fans that the fight will end sometime before the twenty rounds are gone through; other experts at the fight game reckon that both men will be on their feet at the end of the deciding round and that another draw will eventuate for sure.

However, one thing is certain and that is that the spectators are going to be treated to a wonderfully fast fight and one that they will not forget in a hurry.

Sullivan will win if possible and there is no doubt of his wanting to settle the championship without room for question before he settles down to the business life for the rest of his years. Jack Cordell is equally determined to get Dick's scalp if he can, and it won't be Jack's fault if the genial Sully's hairlock is not dangling from his belt when he boards the steamer for the Coast.

The Star Theater should be absolutely crowded tomorrow night and the fan who thinks that he can stroll down to the theater at 8 o'clock tomorrow night, and get a seat in any part of the house will find that he is most greatly disappointed.

The preliminary will be a real good one, too, and both Sarconi and Terry are going to put up the fight of their lives before the contest is over.

Mike Patton will referee the big match, and if the fight is anything like the last one, his job will not be the easiest in the world.

However, Mike is capable of taking care of any kind of a contest, and the public may rest assured that the decision will be given to the best man.

All the fittings are ready at the Star, in fact they have not been removed since the last scrap. The announcing will be done by Mr. Anderson and he fills the bill most satisfactorily at all times, and leaves nothing to be desired as an introducer of new pugilists and also old time ones.

Sullivan will have his old reliable henchman, McFadden and the two Heines in his corner, and they will look after Dick's health in good shape.

Tommy Lane will be in Cordell's corner, and "Kid" Terry if still in the land of the living, will also do his little bit to help Jack.

### Honolulu League Play Ball Tomorrow

When the St. Louis and Punahou teams step on the league ground diamond tomorrow afternoon, there should be very few vacant seats in the grandstand, to say nothing of the bleachers.

Both teams are capable of putting up a fine game, and it is certain that the men will do their very best to each put it over the other.

The Punahous will be stronger tomorrow than on Saturday last, and they should be able to show the public that with a little practice they are as good as ever they were.

The Junior players who are going to play with the "big" men will also be watched with great interest, as a lot depends on the way they shape.

Tickets have been going off in great style, and as the cost of reserved seats has been reduced from a half dollar to 35 cents, no doubt a number of people who have not purchased season tickets will take a run out to the grounds and have a look at the Honolulu League men at work.

Charlie Fulk and Eddie Fernandez are working tooth and nail to make a success of the big league ball, and it is to be hoped that the public patronize the game as they should.

Saturday afternoon ball is what the people have been looking forward to for some time, and it in no way affects the regular Sunday games.

Bert Bowers will umpire the games, and there is not a better man for the position in these islands. L. A. Andrews will, as usual, act as scores, and he fills the bill in the best possible way.

The regular monthly meeting of the Chinese Athletic Club will be held this evening at the Chinese Y. M. C. A. at 7:30 o'clock and it is requested that all the members turn up as important matters are to be considered.

### Maui Cricket Team Has Been Selected

At the meeting of the Honolulu Cricket Club, which was held yesterday afternoon, the details of the trip to Maui were discussed and a number of names of men who will be able to make the trip handed in.

The cricketers will leave town on the Mauna Kea at noon on Tuesday, Aug. 24. At McGregor's Landing the team will be met by the boys from Walluku and conveyed in automobiles to the town.

On Wednesday the cricket match will be played, and as the Maui players are reported to be in the best of form, a real good game should eventuate.

On Wednesday evening the Oahu boys will be entertained at dinner by the Maui bunch. After dinner there will be music and singing, and later on the Claudine will be boarded and the crowd will return to Honolulu.

A special round trip fare has been arranged for, and the total cost will only be \$9. There will be no other expense except, maybe, for tobacco.

Tomorrow week there will be a special practice game at Makiki for the men who are going to make the Maui trip.

It is to be hoped that as many members as possible will turn out for a game then, as the team for Maui want all the practice they can get to fit them for the inter-island match. The following men are certain of going: Bob Anderson, C. P. Morse, R. A. Jordan, J. C. McGill, D. L. Withington, H. B. Bailey, H. M. Ayres, R. J. Buchly, J. N. Denham, J. H. Fiddes, C. F. Maxwell, F. B. Withington, S. Beardmore and W. L. Stanley.

### Fighting Fifth And Oahu Club Polo

At Moanalua tomorrow the Oahu polo team will run up against the Fifth Cavalry for the third time, and the resulting match should be just as good as the others played at Liliuoa.

The polo field at Moanalua is at its best now, and some good work has been done on it to make all ready for the big match of tomorrow.

The Honolulu team has practiced hard for the coming match, and the Schofield Barrack men have done the same. The latter team will be without the services of Lieutenant Sheridan, and he will be greatly missed by his team mates.

Bam Baldwin will play for Oahu, and he and the doctor of the same ilk should open the eyes of the spectators to the way the game should be played.

Oahu will have a very strong team tomorrow, and if the Fifth defeat them they will be entitled to a huge amount of praise. The Liliuoa men have a good lot of ponies, and as the small animals are said to be very fast, too, there will be something doing on Squire Damon's beautiful field.

Being so close to town makes the trip to the field very easy, and no doubt a big number of polo enthusiasts will line the grounds and cheer the men on to victory.

The game will start at 3:30 o'clock, and by that time the people who wish to see the match had better be on the ground, as the game will start promptly on time.

Polo is on the boom, and a meeting will be held this afternoon to make arrangements for the big tournament starting on Wednesday, Sept. 4. It is intended to make the tournament one of the biggest that has ever been pulled off in these islands, and from present indications it certainly will be.

### SHORT SPORTS.

The Myrtle Freshmen had a brush with the Senior crew on Tuesday evening and the latter bunch got a severe licking, the Freshmen coming in some ten boat lengths to the good.

A bus will probably run from the end of the car line to the polo field tomorrow, and it should prove a great convenience to those who want to take in the game.

The Riverside League will hold a meeting today at noon in the offices of A. L. C. Atkinson, and some important matters will come up for discussion.
