ARMY AND NAVY

Paymaster Missing.

Paymaster William H. Doherty, U. S. N., attached to the U. S. S. Misouri, according to a newspaper dispatch from Washington, has disappeared from his ship, and all efforts of the Navy Department to find him have been without avail. He left the ship, which is at the Boston Navy Yard, on Aug. 20. Pending the result of further search, Past Assistant Paymaster L. W. L. Jennings has been detached from duty at the Philadelphia yard and assigned to serve temporarily in Paymaster Doherty's place. The Bureau of Navigation is much puzzled over Paymaster Doherty's disappearance. He is a native of Massachusetts and entered the service on May 20, 1898. He has been on his present duty since August, 1907.

Desecration of Sabbath.

Bluejackets of our warships who, several years ago, when the fleet under Rear Admiral Evans had a rendezvous off the Massachusetts coast, sought to play baseball on shore on Sunday and found the community up in arms against what was called a desecration of the Sabbath, may get some comfort out of the fact that, though cleanliness is next to godliness, it must not be cultivated publicly in Boston on the Sabbath, as we learn from the following paragraph in the Boston Transcript: "A fine of \$5 was imposed yesterday by Judge Duff, in the Municipal Court, in the case of Mrs. Emma Goldstein, of Genesee street, for sweeping the sidewalk on Sunday." It will be remembered that Admiral Evans spoke very sharply about the attempt of the town's selection to interfere with a harmless amusement that afforded both recreation and needed physical exercise for his sailors.

Award of Contracts.

The Board of Construction at its meeting on Aug. 27, considered the award of contracts for the battleships Wyoming and Arkansas, with Rear Admiral Cowles, president of the board; Captain Griffin, acting chief of steam engineering; Naval Constructor Linnard, acting chief of construction and repair, and Captain Chase, acting chief of ordnance, present. Rear Admiral Kimball was absent by reason of illness, and Rear Admiral McLean and Commodore I. S. K. Reeves, who are engaged in connection with the trials of the South Carolina, were not present. The board considered data arranged for them by Naval Constructor Robinson, and adjourned until further data can be had as to combination of turbines with reciprocating engines. It is settled that contracts for two battleships will go to the Cramps and the New York Shipbuilding Company. There is strong probability that the board will decide on a combination of the turbine and reciprocating engine.

Good Coaching Staff.

The Army Athletic Council states that the Army has been fortunate in securing an excellent coaching staff. Capt. J. W. Beacham, 9th Infantry; Lieut. A. J. Hanlon, 28th Infantry, and Lieut. W. C. Philoan, 14th Infantry, have been detailed to assist in this important work. The spirit of the Corps of Cadets was never better, and the interest taken in athletics by the Army is greater than ever before. Last year West Point won all its championship games—football, fencing, baseball. As a consequence, special interest centers around the contests of this year. The object is the promotion of wholesome athletics, not alone at the Military Academy, but throughout the Army. The arrangement concerning tickets, etc., for the Army and Navy football game will be the same as last year. All applications for tickets for this game, as well as for other games, should be made to the treasurer, U. S. Military Academy, West Point, N. Y.

KAMEHAMEHA MEETING

Tomorrow evening at 7:30 o'clock the Kamehameha students and members of the Alumni Association will meet in their club house on Fort street and talk over matters of vital importance, which, it is expected, will eventually affect the school affairs. All the Kamehamehas are urgently requested to be present and take part in the discussion.

Find Help in Lydia E. Pinkham's Vegetable Compound

Winchester, Ind. — "Four doctors told me that they could never make me regular, and that I would eventually have dropsy. Pinkham's Vegetable Compound. After taking one and one-half bottles of the Compound, I am all right again, and I recommend it to every suffering woman." — Mrs. MAY DEAL, Winchester, Ind.

Hundreds of such letters from girls and mothers expressing their gratitude for what Lydia E. Pinkham's Vegetable Compound has accomplished for them have been received by The Lydia E. Pinkham Medicine Company, Lynn, Mass.

Girls who are troubled with painful or irregular periods, headache, fainting spells or indigestion, should take our Compound and be restored to health by Lydia E. Pinkham's Vegetable Compound. Thousands have been restored to health by its use.

If you would like special advice about your case write a confidential letter to Mrs. Pinkham, at Lynn, Mass. Her advice is free, and always helpful.

PRESIDENT MONTES READY FOR WAR.

Bolivians rushed by thousands to enlist for the war that they expected either with Peru or Argentina. The decision of President Alcora of Argentina in arbitrating the boundary dispute between Peru and Bolivia aroused the Bolivians to white heat. Argentina then became angered because of a statement that President Ismael Montes issued reflecting upon the Bolivian centenary celebration because of the talk of war.
