

Poisons

There are very few farmers, nurserymen, horticulturists, etc., nowadays who don't appreciate the necessity of spraying. It has been proved that spraying improves both the yield and the quality. But spraying involves time, labor and expense, which are wasted if the poisons used are not effective. There are two poisons which you can rely on absolutely. They are carefully and skillfully made of the purest raw materials—S-W. Paris Green and S-W. Arsenate of Lead.

S-W. PARIS GREEN

ARSENATE is the killing agent in Paris Green. There must be sufficient arsenic to kill all the insects or the Green will not be effective; but if too much arsenic is left "free," or not fully incorporated with the other ingredients, the Green will blight or burn the foliage. There is about 2% of "free" or uncombined arsenic in S-W. Paris Green. S-W. Paris Green contains 5% of arsenical oxide. It is light in gravity and will stay well in suspension in the spraying can, providing a uniform mixture that will not readily wash off the foliage. The economy of S-W. Paris Green lies in the purity of the ingredients, the strength of the poisons and the skill of the manufacturer.

S-W. ARSENATE OF LEAD

HERWIN-WILLIAMS Arsenate of Lead is made by a new process which renders it the most effective and economical insecticide on the market. It is manufactured from a finely divided foculent base and is prepared in softer form than any other. It conforms to Government specifications in every respect, and is order to keep it always in a condition easily worked up for use, we do not press out all the moisture as do most other makers. We market it in this form, and to conform to the Government specifications, which demand 99% dry arsenate of lead, we ship 100 pounds for every 99 pounds invoiced. Our lead in this form is also more effective, pound for pound, than that put up in the stiff paste form in which it is usually sold. Our free Booklet No. 3 contains full information on Arsenate of Lead. Write for it.

Young Housekeepers

If you are about to buy a refrigerator, take our advice and give the matter of selection great care, for there are many things that depend upon your choice. First, your health; select a refrigerator that can be easily cleaned and is so constructed that there is very little chance for any dirt to collect in it. Second, economy; some refrigerators fairly eat ice, others keep it for the maximum length of time. There are other reasons almost equally as important.

See our stock and we will point out to you how to choose.

LOCAL TENNIS MEN SHOW GOOD FORM

Long and McLoughlin, the tennis pair who are traveling to Sydney, N. S. Wales, to there play for the Davis cup, will have to improve 100 per cent on the form they showed on the Heretania courts on Saturday, if they are to have any chance of winning the world's championship.

It is granted that the Americans had just stepped off the Aorangi and had not got their shore legs. They, of course, did not play up to the form they must have exhibited on the mainland, for the tennis people on the coast know exactly what sort of players they have in the Antipodes.

But, nevertheless, neither man showed strokes which would entitle them to consideration as top-notchers.

No matter how much a man may be out of form, at times he shows glimpses of what he really was at some time in the past. The challengers for the championship are not in the Wright-Alexander-Lanard class at present. In three or four year time Long and McLoughlin are pretty sure of developing into champions, for now, young and inexperienced as they are, they have reached a fairly high place in American tennis.

In their match against our local men the mainland players made inexcusable mistakes in both ground and air strokes.

And as far as double faults went, it was a miserable exhibition. Time after time Long failed on both serves, and mostly through serving his second just as fast as his first.

The other man was good on the service most of the time, and also did some fine volleying.

Ge and Roth did well in running the visitors so close, and, although the third set was no criterion as to the coast pair's ability, owing to their holding back a little, our men by getting five games to their opponents' seven in the first set, did well.

In the second set the visitors won out 6-4, and the tennis was devoid of any really exciting rallies.

The third set, which went to the local players, 10-8, was good up to the five-all mark. After that the coast men did not exert themselves very much, and double faults were in evidence at critical moments.

Roth, once he warmed up, played the game of the day. His volleying was good and his side line shots immense.

Ge played well as usual, and was particularly good in his service. His first serve was always good, and he backed Roth up well.

Taking it all around, the fact was proved that, according to mainland standards, the game is well up in these islands. Our men, if they had the opportunity of playing against coast men more frequently, would soon blossom out as players of the best class.

One peculiar thing was noticed in the mainland men's play. When one of the couple was serving from, say, the left hand court, his partner would always remain in that court. The same thing occurred when one of them was serving from the right hand side.

This practice of having both players on the same side of the center line certainly gives them an advantage in stopping sharp cross-court shots, but will be received with wonder in Australia.

In the writer's opinion there are at least half a dozen pairs in the land of the kangaroo who are capable of defeating Long and McLoughlin.

The games down under will all be played on grass courts, and that will not make things any better for the challengers.

The match on Saturday went in favor of the visitors, 7-5, 6-4, 8-10; 21 games to 19, and our players did remarkably well.

There was a big crowd present, and the ground was lined with automobiles. As soon as the visitors were prevailed upon to play, the word was passed around, and everybody who could turned out to see the champions at work.

The coast men, when seen in their dressing room after the match, seemed surprised at the class of tennis our local men had put up. "Roth is very good on his air strokes," remarked McLoughlin. "Yes," added Long, "both Ge and Roth played well. I was astonished at the way

they came at us right from the start." The visitors had a good time, considering the short stay of the Aorangi, and after the match were entertained at the University Club.

Good Golf At Moanalua Links

At Moanalua on Sunday the four-ball foursome tournament of the Honolulu Golf Club was played, and resulted in a win for H. A. Wilder and A. Ewart, who defeated R. A. Jordan and D. W. Anderson in the final by two up and one to play.

There were quite a number of golfers out on the beautiful links, and the weather was ideal for the game. Moanalua is looking at its best now and the greens are all in excellent condition.

The official results were as follows: First Round—J. Evans and C. Weight, (8) beat Captain Campbell and J. Cullen, two up and one to play; Austin White and W. C. Wilder (5) beat A. E. Jordan and C. Carter (8), one up. The following were byes: J. G. Rothwell and M. Robinson, 10; H. A. Wilder and A. Ewart, 7; W. Simpson and Captain Falls, 8; R. A. Jordan and D. W. Anderson, 6; F. Kiebahn and W. Woon, 5; E. O. White and E. Aunro, 3.

In the second round, White and Wilder beat Evans and Weight, two up; Wilder and Ewart beat Rothwell and Robinson, three up and two to play; Jordan and Anderson beat Simpson and Falls, three up and two to play; Kiebahn and Woon beat White and Munro, three and one.

In the semifinals, H. A. Wilder and Ewart beat White and W. C. Wilder, one up in twelve holes; Jordan and Anderson beat Kiebahn and Woon, one up. In the final, Wilder and Ewart beat Jordan and Anderson, two up and one to play.

Kewalos Defeat Aalas By 5 to 1

At Aala Park yesterday the Kewalos defeated the Aalas by a score of 5 to 1. The Aalas were the champions of the first Riverside series, and the Kewalos had captured the honors in the second series.

The best two out of three games have to be won to decide the championship of the whole season, and the second game will be played next Sunday. If the Kewalos win again they will be the champions of the season of 1930.

A fair-sized crowd of fans attended the game, and the play of Freitas, who pitched for the winners, was much applauded. The score was as follows: Kewalos' lineup: Geo. Medeiros, cf.; M. R. Freitas, p.; Plada, 2b.; M. de Ponte, ss.; A. Souza, 3b.; F. Joseph, 1b.; Ornelas, rf.; Mike Freitas, lf.; M. Joseph, c.

Aalas: Harris, 2b.; Desha, 3b.; Henry Chillingworth, ss.; Hoopli, rf.; Moses, c.; Kaimi, 1b.; Rob Chillingworth, lf.; Henry Walker, cf.; Millikan, p.

AALA. Runs 1 0 0 0 0 0 0 0—1
KEWALO. Runs 0 1 0 0 0 4 0 0—5

High School And Town Team Tie

Out at the League grounds on Saturday afternoon a few hundred people watched the High School and Town team play their football match. The game was very even right through, and neither side could manage to score. The ball was only once dangerously near either of the goal lines—that is when not knicked over the line. In the first half the Town team forced the School right back to their own goal, and were only stopped from scoring by a long punt by Henry Chillingworth.

The game started at 4 o'clock and Benny Clark acted as referee, Sergeant Corey, umpire; Johnny Marcellino was head linesman and McCarriston and Dixon assistants.

The High School kicked off and shortly afterwards Dave Sherwood was downed on the twenty-yard line. Shortly afterwards the school was set back fifteen yards for a fumble. Then Achieu made a right-end run, and got up fifteen yards but was downed on the twenty-yard line. Several attempts were made to drop-kick goal, but although some of the shots were close, there was no scoring done.

In the second half Plunkett went for Clark, and Dwight for Campbell; Henry Chillingworth was hurt and Rosa took his place.

Just before Chillingworth was injured he sent a beauty to Sing Hoon, who got away quickly and after dodging four men, was only downed by Sumner when he looked like a certain scorer.

The game ended shortly afterwards, and neither side had scored; the play was interesting and the men showed that they are getting into form. It is to be hoped that more people attend the games in the future as football is a fine game and a clean one at that.

Doubleheader At Athletic Park

There was a marked falling off in the attendance at the Athletic Park yesterday, and the bleachers were minus the usual crowd.

The first game was between the Kallhis and the J. A. C. and the former team, being short a man, brought Tom Collins of Ewa into the game.

The young Australian was given a great reception, and his debut into the American game was very much applauded.

The Kallhis got the whitewash applied in great chunks, and they had not a look in with the "Japanese" nine.

The J. A. C. made one in their first, and followed it up with three in the second, two in the third and one in the fourth.

The game was an interesting one, and was too one-sided to make people root much.

The second game was played by the Marines and the C. A. C. and the half-wets started doing things in the first by scoring one run.

Then in the second the C. A. C. afresh took flight and no less than three runs were notched up by the Marines. They then led by 4 to 0, and going on in a scoring humor made one more in the third.

Five to nil was the score at the end of the third spasm, and things looked blue for the Chinese.

In the third Gibson hit a peach of a three bagger and scored Davis, who came home from second. Then in the fourth neither side scored, but in the fifth both made one run.

The sixth was marked by two runs to the Marines, and in the eighth they piled up no less than four, whilst the C. A. C. made two in the last inning. The final result was Marines 12, C. A. C. 3.

The class of ball was exciting, and the spectators were kept in a state of enthusiasm all the time. The standing of the teams in the second series is as follows:

J. A. C. 1,000
Kallhis 500
Marines 500
C. A. C. 090

The scores of both games were as follows:

SHORT SPORTS.

Dick Cullen and Charlie Reilly have been matched to box a fifteen round go on October 20.

The Iroquois baseball team beat the Comanches on Saturday by a score of 16 to 15. The game was remarkable for the number of runs scored and every member of the two lines romped at some time or other.

The result of the Johnson-Ketchel fight not surprise many people, and the only thing to wonder at was the fact that Stanley stayed as long as twelve rounds with the negro—probably it was on surferance, and the champion could have won earlier if he had wished to do so.
