## BOOSTS HAWAII ON ITS PINEAPPLE

The following was included in an address by the Governor of Porto Rico, before the first general meeting of the Porto Rico Association:

"The marvelous commercial development of Hawaii, through the

combined efforts of business interests, is well known to all. The attractions of Hawaii as a winter resort, with its palatial tourist hotels, have had worldwide advertisement, and the products of Hawaii are known everywhere. Even here in Porto Rico, where as good pineapples are grown as anywhere in the world, and under as favorable conditions, we find Hawaiian canned pineapples for sale in the stores and in the army commissary, under the label, 'The finest pineapple grown; the ripest pineapple picked; the juiciest pineapple canned.'
