MAY SUTTON SCORES WIN

MISS HOTCHKISS GIVES CHAMPION HARD TUSSELE

Brilliant Tennis in Final Round of Ladies' Singles—Three Hard Fought Sets—May Sutton Unbeatable.

The tennis championships at Del Monte were nearly completed by today's play, says the Examiner of September 9. The final round in ladies' singles was finished when Miss Hazel Hotchkiss was defeated by Miss May Sutton in a hard three-set match. Miss Sutton will play her sister, Miss Florence, tomorrow in the challenge match for the championship.

The men's singles was brought to the same stage when Melville Long defeated Gerald Young in a three-set match. Long will tomorrow meet George James in the challenge round of this event.

In the mixed doubles Miss May Sutton and Gerald Young will play the final match against Miss Hotchkiss and Melville Long, and, as the present champions will not defend, the winners will secure the championship title.

The men's doubles for the Del Monte cups also reached the final round and the teams to contend for their possession are Long and Sinsabaugh and Bacon and Young.

The final match between Miss Hotchkiss and Miss Sutton aroused more interest than any other event in the tournament, overshadowing all the other contests.

It attracted a larger number of spectators and evoked more enthusiasm than any tennis before seen at Del Monte and the players responded by furnishing the most sensational match in Coast tennis history. The spectators, at the close, without exception were satisfied that at last they had seen Miss May Sutton extended to the limit and forced to show the last iota of skill which she possessed in order to maintain her supremacy. In the first set Miss Sutton easily won the first three games before Miss Hotchkiss could reach her best form, but from that time on ensued a nerve-racking contest, which was in doubt until the last point had been scored. Through-out the match Miss Sutton pursued her usual policy of driving her opponent sharply from side to side, using a forehand drive and a back-hand chop and very often running round the ball in order to make her favorite stroke but covering her court so well that there seemed few openings for her opponent.

Miss Hotchkiss bombarded the opposite back-hand court with her fine chop stroke and showed good judgment in taking the net, where her execution was almost perfect and where she won a very large proportion of her points on placed volleys. Miss Sutton, however, was so severe and so accurate that the net could

be approached only with great caution and usually only after a long exhausting rally.

After losing the first three games Miss Hotchkiss won the fourth and fifth, and Miss Sutton won the next two, making the score 5-2. Then Miss Hotchkiss evened the score at 5-5 all by taking the next three games, but Miss Sutton ran out the next two games and won the first set by a score of 7-5.

In the second set, Miss Hotchkiss took the lead at once with three games, and after Miss Sutton had taken one game, secured a lead of 5-1. During these games Miss Sutton drove out and netted more balls than usual, and her opponent scored frequently on fine volleys. Miss Sutton, by a desperate effort in the hardest play of the match, won three straight games and made the score 4-5, but Miss Hotchkiss took the next game and won the set by a score of 6-4.

In the third and last set Miss Sutton took the lead, and though Miss Hotchkiss managed to make the score 3-1, then 4-1, she was unable to get past her rival, and finally lost the match by a score of 7-5, 4-6, 6-4.

On the following day Miss May Sutton played her sister Florence and beat her, as already announced by cable.

CHARLIE REILLY IS GOING TO SYDNEY

Popular Lightweight Wants to Follow in Dick Cullen's Footsteps.

Charlie Reilly, the well-known lightweight boxer, blew in on the Sierra this morning. Charlie has traveled a lot since he was in Honolulu last, and he fought over in New York State several times. He was unfortunate enough to injure his elbow and that handicapped him a lot.

Reilly is very sorry to think that he just missed meeting Ed Madison, who went to the Coast on Wednesday last. As there does not seem to be anybody in town at present who could take Reilly on, he is thinking of continuing on to Australia if he can make arrangements with Hugh McIntosh and his bunch of stars on the Zealandia.

According to Charlie, George Peterson is out of the boxing game at present, and is working in the liquor business. Hines, who will be remembered as a long individual who visited Honolulu at the same time as Peterson, is knocking around Frisco, doing nothing at present.

Charlie Reilly should do well in Australia if he gets a chance to go down, and as Dick Cullen seems to be making money, there is no reason why the lad who outpointed Dick in several fights should not be a drawing card in the land of the kangaroo and sport.

On board the Zealandia, which will proceed to Australia tomorrow, is an aggregation of pugilists, and the chief star among them is Billy Papke, who is known all over the world as the man who seems to have scared Stanley Ketchell. Hugh McIntosh is taking the pug to Australia, where they will be matched against the best that the Antipodes can at present produce.

OAHU LEAGUE.

SECOND SERIES SOON STARTS

SIX WEEKS OF GOOD BASEBALL ASSURED

Henry Chillingworth and David Desha Will Act as Umpires—Champions to Get Cup.

It is good news to hear that the ball fans will be soon seeing some baseball, and that the Athletic Park will be the scene of action. The Oahu league last night held its postponed meeting, and a schedule for the second half of the 1910 series was adopted.

The settlement in regards to the Waseda series was made, and everything went off with a swing that promises well for the smooth running of the league's affairs in the future.

Twelve games will be played, and the series will last six weeks. There will be two games every Sunday afternoon, and the schedule looks very attractive. The Marines are down for the first game three Sundays out of the six, and in a way it suits them best, as they have to get back to their quarters on time for dinner.

The opening doubleheader takes place on Sunday, September 25, and the games will be: Marines vs. Japanese Athletics; and Chinese Athletics vs. Portuguese Athletics. Both should do well to stir the fans up and to create a lot of interest in the series.

The question of umpires came up, and Henry Chillingworth, who had been prevailed upon to reconsider his resignation, was induced to take on the job again. There was much satisfaction expressed when it was announced that "Kiddo" would accept the position. As an assistant, David Desha was appointed, and between them the two young experts should be able to please nearly all the fans. To please all is impossible, and the same old kicks will doubtless be registered by men who, at a distance of two hundred feet, declare a man is safe or otherwise, notwithstanding that the umpire, who was within a few feet of the play, calls the opposite to what the fan thinks.

The second series of the Oahu league will last till the end of October, and unless wet weather interferes a lot, there should be the same old crowds at the Athletic Park every Sunday afternoon. The Oahu Juniors will play their games in the mornings, and there will be baseball all day long, with a short interval for luncheon.

Antone Kaoo, the "Wai'alua Horse," has signified his willingness to run Soldier King any distance from five miles to the full Marathon distance. The soldier champion will probably leave San Francisco about October 24 for Honolulu, and the race will be run soon after.

REGATTA DAY FINAL TRAINING STUNTS

Crews Are Ready and Anxious for Fray—Special Pair Oar Great.

Tomorrow will be Regatta Day, and all the hard work of the men who have been for weeks past training on the harbor will end when the pistol announces the finish of the different races. The seniors, juniors, freshmen and pair-oar men will take things easy on Sunday instead of wending their way down to the boat clubs and putting in a couple of hours' hard work in the shed and on the water.

All the crews are wound up for the test, and it won't be lack of condition that beats any of the men. The Healanis and Myrtles are exhibiting the greatest rivalry about the races, and the result should be a fine day's sport.

Last evening the crews were out on the water, and some good spins were done by the seniors and freshmen, who seemed to pair off for the rowing stunts. The Healanis freshmen hit up a good clip and rowed a fine even stroke; they should give a good account of themselves tomorrow.

The special pair-oar crews are looking fine, and this race is going to cause much excitement. It was planned to start the special third on the program, instead of way down eighth, where it was first scheduled to be. The first race will start at 9 o'clock, and by that time the clubhouses should be crowded.

ROWING CLUB'S DANCE TO BE BEST EVER

Good Music, Fine Floor, Pretty Girls and Long Program On Tap.

Tomorrow night at the Young Hotel, the dance given by the Myrtle and Healanis boat clubs will be the best ever brought off at the close of Regatta Day. A fine program of waltzes and two-steps has been arranged, and from an early hour till midnight all will be fun and joy.

The music will be supplied by Kaa's string band, and everybody knows what that means. The floor is in perfect condition, and as all the pretty girls of Honolulu are to be present, there is no doubt of a good time being had by the members and their friends.

The committee in charge of the affair is as follows: H. P. Bailey (chairman), George Gall, J. B. McSwanson, H. O'Sullivan, Robert Chillingworth, E. Schieber, S. A. Walker and W. McTigue. The floor manager will be Sam Walker, and he will have as assistants O. L. Sorenson and W. W. Harris.

The program calls for fourteen regular dances, and then there are four extras on the cards also. These extras will probably be stretched to eight or ten before the evening is over, and the more the merrier. The tickets for the dance are going off fast, and a huge crowd is expected to be present when the first two-step, "Good Sports," is played.

The big Japanese wrestling tournament starts up on Monday next, and seventy-six contestants have so far announced their intention of competing.

DICK SULLIVAN IS WELL AND STRONG

Popular Athlete Comes In On Sierra—Charlie Reilly Also Returns.

Dick Sullivan, the popular athlete, returned on the Sierra this morning, and he looks remarkably well. All the talk of Dick being ill was poppycock, and the well-known and well-liked young fellow is feeling splendid. He enjoyed his trip to the Coast very much, and while away renewed his friendships with many Honolulu people who have settled on the mainland.

"Yes," remarked Dick this morning, "I saw some boxing while on the Coast, preferred a contest between Trinkle and Charlie Norvall, and the sailor got the decision. Trinkle is the sailor who boxed in Honolulu at the time of the visit of the big feet, and Norvall is known as a good man with the gloves. I saw George Peterson, the man I boxed some time ago, and he seemed about the same as ever.

"Charlie Reilly came along on the Sierra, and he thought he would be able to get a match with Madison, but I see that the long fellow has gone back to the Coast.

"I did not see anything of Jack Cordell, but I hear that he has gone East to break into the six-round game. I am sorry I missed Cordell, as I would have liked to have heard him talk of the go he had with Pat. Dick saw Jack Densham in San Francisco, and says that the sporting writer is doing well and seems happy.

"Say," added Richard, "I see that people have been allying to me as a dead one; I don't look much like that, do I? Why, I have put on weight, and am a fine sample of a live corpse." And with that the most popular athlete in Honolulu blew out onto King street to be greeted by a bunch of friends who had heard that he had returned on the Sierra.

At 4 o'clock this afternoon the committee of the Boy Scouts will meet to arrange a public gathering of those interested in the movement.

The football season is showing signs of life and this afternoon the College of Hawaii will try and get a team out for a first practice.
