Completing their nominations on the City and County ticket, the Democratic convention adjourned last night, with about an evenly divided feeling of unrest and satisfaction upon the part of the delegates. The friends of Dr. Raymond are angry because their candidate was killed in his aspirations for a nomination to the upper house. Raymond was considered a strong candidate but when it came to the issue he discovered that he was to be sacrificed and accordingly withdrew his name and allowed the other candidates to scramble for the place.

Two prominent Democrats who cannot stand for the platform, Col. McCarthy and Chan Wilder were absent on the roll call and did not appear at all. The McClelland program was carried out with consistency. All of the Democratic incumbents in the City and County Government were renominated, Mayor Fern, Sheriff Jarrett, Deputy Sheriff Rose, Treasurer Trent and Supervisor McClellan.

As stated in the Bulletin yesterday Mayor Fern was renominated without opposition and amid enthusiasm. Following the caucuses of the two districts to select their candidates the votes were reported as follows:

Fifth District—Lester Petrie, 169; M. C. Pacheco, 165; H. H. Piemmer, 96; Kapana, 12; C. Keawe, 8; M. Kapua, 2; M. C. Moses, 7. The three highest—Petrie, Pacheco and Piemmer—were declared nominated.

The result in the fourth district was as follows: W. H. McClellan, 167; Robt. Pahau, 166; M. E. Silva, 99; Kiakahi, 57; "Goody" Morse, 34; Foster, 19.

The result was that McClellan, Pahau, Silva and Kiakahi were named from the Fourth, Morse and Foster losing out. From the Fifth came Petrie, Piemmer and Pacheco, as had been expected. There were cheers followed by music after the candidates had taken the pledge.

Jarrett was nominated for Sheriff by acclamation, Chairman Watson leaving the chair to Vice Chairman Clem Quinn to make the nominating speech. Watson stated that he had nominated Jarrett for two offices, Deputy Sheriff and Sheriff both of which he had filled with success and ability.

The balloting on candidates for the House did not come until the evening session. When the convention was called to order at eight o'clock the districts were asked by Chairman Watson if they had agreed upon a candidate but nothing definite being learned by the chairman a further recess was granted.

Before the recess was taken, however, Dr. Raymond candidate for the Senate took the floor and stated that he had decided to withdraw his name and could not allow it to be presented to the convention. Dr. Raymond stated later that he withdrew because he knew there was a plan to knife him because of his supposed opposition to the platform, something which he denied most emphatically.

The balloting in the two districts resulted as follows:

Fourth District (long term: two highest)—Judge Edings, 58; B. G. Rivenburg, 100; Wm. F. Wolters, 46.
Fifth District (long term)—J. S. Kalakiela, 65; A. V. Gear, 36; (short term), Eddie Hanapi 69; David Kalawala, 39.

Kalakiela got the long term nomination, and Eddie Hanapi the short term, A. V. Gear being defeated.

The result of the balloting for the House was as follows:

Fourth—Hathburn, 51; Turrill, 56; Wolters, 95; Keaweakahu, 93; Morse, 73; Weed, 28; Lowe, 31; Meheula, 53; Benvedos, 75; Wolter, Keaweakahu

Benvedos, Morse, Turrill and Meheula were the six elected.

The result of the balloting in the fifth was as follows: Ed. Like, 55; S. Kaohela, 28; D. Kamahu, 21; J. Makannai, 20; Max Schlemmer, 8; Kupihea, 31; J. M. Poepeo, 22; Kaal, 9; Kekoa, 9; J. Keawe, 1; those declared elected being E. L. Like, S. Kaohela, D. Kupihea, J. M. Poepeo, Gus. Kalei, Luka Keliikipi.

LAND FOR ALL SETTLERS

Dr. Clark Will Try to Get People Located on Farms.

The Board of Immigration is having offices on the corner of Alakea and Merchant streets, and within a short time Dr. Victor S. Clark and his office force will be installed there.

In speaking this morning of the work which he expected to do, Dr. Clark said that besides the general immigration work, he was to have a sort of land office, where questions about land for sale especially could be answered.

"There are many people who come here and after seeing the city and environs wish to make Hawaii their home. It is this class of people that we wish to reach especially, and all sorts of information about lands and crops will be furnished by this office," said Dr. Clark.

"Then, besides these people, there are the immigrants. Many have trouble with a luna or trouble in some other way where they are doing plantation work. If these persons are desirable home-makers we want to reach them. We shall get in touch with them and try to make them interested in having land and a home for themselves," he said.

The new offices are just a short distance from the waterfront and are in an ideal location for the work which is to be done by Dr. Clark's office.

TOMMY BURNS MEETS WITH BAD INJURY.

Sprained Tendon in Right Knee and Is Lame.

As a result of injuries received in the Labor Day lacrosse game between Vancouver and New Westminster, Tommy Burns may retire from the ring, says the Examiner of September 9. He is matched with Sam Langford for a bout in London in December, the winner to meet Jack Johnson later, either in England or Australia, but it is a question whether the Canadian will ever be seen in the ring again.

During the game Monday Burns strained a tendon in his right knee. He did not pay any attention to the injury at the time, but it steadily became worse, and next morning he could not move the injured leg. He called in expert medical advice, but the knee was swollen and stiffened so that he has difficulty in walking with the assistance of a cane. It will be two months at the least before he will be able to do any training.

"My right knee has been bad for years as a result of an injury, but as long as my right leg was good I was all right," said Burns. "Now the right knee is gone. I will give it a trial, but if it does not come around I am through."

PITCHER MITCHELL PUTTING UP BLUFF

Player's Antipathy to Camera Raises Suspicion.

Pitcher F. Mitchell of the San Francisco team, and the "man of mystery" of the Coast League, is no longer against newspaper photographers that he threatens bodily harm when ever one approaches says the Examiner of Sept. 9. Today one of the camera artists sauntered over to the players' bench where Mitchell sat and tried to make a snapshot.

Mitchell saw him in a moment, and leaping to his feet, picked up a large hat that are not endearing, and declared he would smash his apparatus. The camera man retired temporarily, but later caught Mitchell unawares. Other photographers have had similar experiences with him the past few days.

Help! Is it possible that the Seals have annexed a big leaguer who is trying to hide his identity? All kinds of stories to that effect have floated from the southland. If such is the case Danny Long played an innocent part in the proceedings, as the newcomer just happened to stroll into the Portland rink when the team was in the north last, and showed enough to warrant giving him a uniform.

JORDAN'S

MEN NAMED BY GILLET FAVORED

Recess Appointments Appear Satisfactory and Opposition Looks to Be Doomed.

SACRAMENTO, Sept. 4.—That Governor Gillett's recess appointments will be confirmed by the Senate at the next session now can be said almost certainly. The opposition which Senator L. H. Howe, of Santa Barbara, Senator John W. Stetson of Oakland and a

few others of Lincoln Roosevelt tendencies filed to organize has come to naught, because of the general satisfaction that is felt regarding the appointments.

It developed that the reason of Roosevelt's activity was his antipathy for the third mayor of Santa Barbara and chief clerk of the Assembly, who was appointed by Gillett as a member of the State polytechnic school at San Luis Obispo. To effect to make a formal issue of the confirmation of appointments failed.

Gillett will probably transmit his message to the Senate tomorrow,

asking the upper house to confirm his recess appointments. The new page will be withheld by him, however, until such time as the Senate shall have definitely decided upon the verbiage of the two constitutional amendments that are to be submitted to the voters of the State in behalf of the Panama Pacific International exposition.

JUDGE DRAFTS A LAW MAKING DIVORCE HARD

Jurist Urges That No Decree Be Granted by Default—Accused Must Appear.

LOS ANGELES, September 3.—Judge F. W. Howser of the Superior Court of Los Angeles today has drafted and presented to the State divorce laws, at the request of Francis M. Wood of Pasadena, and the matter will be presented to the State Inter-judicial Association, which convenes

in San Francisco on Thursday. Mr. Moody is the secretary of the body. Judge Howser proposes that there shall be no default divorce cases, the defendants being obliged in every instance to testify. No one will be permitted in divorce cases to refuse to testify on the grounds that it might incriminate him, nor can he be prosecuted afterwards for any testimony he might give used upon the grounds of perjury.

All witnesses now to be excluded from the courtroom. Judge Howser does not mean by this to exclude the public, but only witnesses connected with the case on trial.
