LILY WHITES ARE BUSY
APPLICATION TO BE MADE TO A. A. U. AT ONCE

Meeting Yesterday Did Good Work and Arranged Details. Papers to Reach New York By November Fifteenth.

Yesterday afternoon the committee of the Hawaiian Amateur Association got together and drafted an application to the A. A. U. All the clubs that have decided to come into the fold will be asked to have their representatives sign the application.

The parent body in the States will be communicated with, and the application for membership will be forwarded to it. The papers have to be in New York by November 15, and an effort will be made to get them off as soon as possible.

At the meeting yesterday there was some talk of starting a purely amateur baseball league, and it was thought that there was a chance of doing so. That would be the proper move, as the Honolulu Cricket Club and several other organizations that have agreed to join the Lily-white ranks are not, and never were, in danger of becoming professionals.

Following is the application to the A. A. U.:
"Board of Governors, Amateur Athletic Union of the United States of America.

"Gentlemen: The Hawaiian Amateur Athletic Association, comprising the following clubs: The Hawaii Yacht Club, the Honolulu Yacht Club, the Honolulu Cricket Club, the Hawaiian Association Football Club, the St. Louis College Athletic Association, the Diamond Head Baseball Team, the McKinley High School, the Kamehameha Schools, the Grammar School League, the Myrtle Boat Club, the Maile Baseball Team, the Oahu College Alumni Association, the Healan Yacht and Boat Club, the Outrigger Club, the Y. M. C. A., the St. Louis Alumni Association, the Kamehameha Schools Alumni Association, the Honolulu Golf Club, the Oahu Country Club, the Oahu Polo Club, the Hawaiian Tennis Association and the Hawaiian Gun Club, hereby respectfully makes application for membership as an active member in the Amateur Athletic Union of the United States of America as the Hawaiian Union of the United States of America.

"The territory to be included in this association is to be the Territory of Hawaii, comprising the five islands, namely, Oahu, Hawaii, Maui, Kauai and Molokai.

"The reasons why the creation of such a proposed association is desired and desirable are as follows:
"First—The Territory of Hawaii is two thousand miles from the Pacific Amateur Athletic Association of the A. A. U., which is the nearest branch of the A. A. U.

"Second—The climate is the same the year around, permitting athletic sports of all kinds to continue uninterrupted, and the various seasons are not strictly observed. The population of the Islands is over 200,000, and there are a number of athletic clubs promoting tennis, baseball, foot-

ball, handball, basketball, rowing, sailing, surfing, canoeing, polo, swimming, golf, cricket and field and track athletics, but there is no satisfactory association to govern competitions. Young athletes are continually going to the United States to compete, but they have no standing. Many of them have made, and are making, notable records in the big Eastern colleges on the various athletic teams. They have made brilliant records in the Islands, all of which counts for naught for the reason that there is no official record of their achievements. Records are being made in athletic meets in the Territory of Hawaii which compare favorably with the records made in the States, yet by reason of the Islands not being on the athletic map athletes in the Islands can not gain recognition outside their own community, and can not compete except among themselves. There is no encouragement for amateur athletics in the Islands and no incentive to desist from becoming a professional. While there is not enough remuneration in any line of sports to make it a profitable vocation, there is enough professionalism intermingled with amateur sports to work a serious detriment to healthful athletic activities. There is no officially recognized body in the Islands to regulate sports, to see that tracks upon which races are held are exact in length, that various implements used are of the prescribed weight, length or size, and no properly constituted authority to arrange athletic meets and tournaments and award official trophies, or provide suitable medals or prizes.

"Third—As a regularly organized branch of the Amateur Athletic Union of the United States of America the Territory of Hawaii could send a field and track team to the regular A. A. U. meet in the States that might be able to threaten the recorded official records made in the States. The citizens of Hawaii are American citizens and are entitled to recognition in athletics as well as in any other line of effort.

"We the undersigned athletic clubs, constituting the Hawaiian Amateur Athletic Association, hereby make application for membership in the Amateur Athletic Union of the United States of America for the reasons above set forth and we do hereby agree to enroll as members of the Hawaiian Association of the Amateur Athletic Union of the United States of America."

HONOLULU PEOPLE ON BIG AUTO TRIP
A party of motorists consisting of Mr. and Mrs. L. Abrams and C. W. Macfarlane of Honolulu and Miss A. Dequelin of San Francisco passed through Sacramento this week en route to Lake Tahoe in a large touring car. Contrary to the popular idea, the best season for automobile trips to the mountain resorts is during the month of September, rather than July and August. The later tourists escape the discomfort experienced during the heated spell. The mornings and evenings are much more delightful than in midsummer, and the beauty of the mountain scenery is enhanced by the brilliant coloring of autumn leaves.

October is the best month of all for mountain motoring, except that it is not safe to venture beyond the snow-line, for there is danger of being snowed in. Sometimes the first snowfall leaves a deposit of two or three feet in places, and dairymen who put off till the middle of October the transfer of their herds to the valley are sometimes caught by early snow-storms and subjected to severe hardships.

It did not take George Freeth long to once more get into the breakers at Waikiki, and he started out to his old stamping grounds yesterday afternoon, soon after he had made a trip home and had seen his people.

Freeth found the water at Waikiki quite warm after the colder waters off the coast of California. He, however, soon was to be seen away out on the crest of the waves, balanced on a surfboard and rushing in headlong to the beach.

Some swimming was indulged in and Freeth showed that he still possesses the speed that he exhibited here some three years ago. In a race yesterday, the returned expert beat the bunch in from the reef to shore.

Alexander Hume Ford, the much-traveled one, was at the beach, and he soon had Freeth recounting all his adventures since leaving Hawaii net. Freeth was loth to talk much, but, little at a time, it was elicited that he had, up to date, saved a great many lives. It was on account of his wonderful feats that Congress donated to him the beautiful gold medal that he so proudly carries around.

During the two years that Freeth was at Venice, not a life was lost at the watering place, and then when the Honolulu man shifted to Redondo Beach, he kept up the great record. Besides saving lives which are frequently in danger through the terrific undertow, Freeth put in a lot of time breaking in a water polo team, and he soon had a splendid lot of players, who could hold their own with any other bunch that could be gotten together.

If possible, Freeth would like to get employment as a diver at Pearl Harbor. He would appear to be an ideal man for such work. He has had experience at diving, and if he succeeds in getting the job he is after, he will remain in the Islands. Otherwise it will be back to the mainland for the expert aquatic man. It was suggested that the beach hotels employ Freeth as official surfboard instructor and life saver.

Antone Kaoo is thinking more about his race with Soldier King than the one with Nigel Jackson, but still imagines that the preliminary run against the New Zealander will do him a lot of good and increase the interest in the big race.

Jackson, the marathon runner, is still putting in hard licks every afternoon on the roads. He thinks that he will be in the pink of condition when the race with Kaoo comes off.

On Sunday, October 9, the Honolulu Yacht Club will have a wren race, and it should be a good one, as the wind has been in the right quarter lately.

FREETH ONCE MORE AT BEACH
CHAMPION SURFBOARDER GOES TO WAIKIKI AGAIN

May Stay In Hawaii for Some Time If Everything Is Satisfactory—Would Like Diving Job.

It did not take George Freeth long to once more get into the breakers at Waikiki, and he started out to his old stamping grounds yesterday afternoon, soon after he had made a trip home and had seen his people.

Freeth found the water at Waikiki quite warm after the colder waters off the coast of California. He, however, soon was to be seen away out on the crest of the waves, balanced on a surfboard and rushing in headlong to the beach.

Some swimming was indulged in and Freeth showed that he still possesses the speed that he exhibited here some three years ago. In a race yesterday, the returned expert beat the bunch in from the reef to shore.

He has had experience at diving, and if he succeeds in getting the job he is after, he will remain in the Islands. Otherwise it will be back to the mainland for the expert aquatic man. It was suggested that the beach hotels employ Freeth as official surfboard instructor and life saver.

Antone Kaoo is thinking more about his race with Soldier King than the one with Nigel Jackson, but still imagines that the preliminary run against the New Zealander will do him a lot of good and increase the interest in the big race.

Jackson, the marathon runner, is still putting in hard licks every afternoon on the roads. He thinks that he will be in the pink of condition when the race with Kaoo comes off.

On Sunday, October 9, the Honolulu Yacht Club will have a wren race, and it should be a good one, as the wind has been in the right quarter lately.

COMING EVENTS.
Secretaries and managers of athletic clubs are invited to send in the dates of any events which they may be getting up, for insertion under the above heading. Address all communications to the Sporting Editor, Bulletin.

Oahu League.
Oct. 8.—U. S. M. vs. J. A. C.
Oct. 9.—C. A. C. vs. P. A. C.
Oahu Juniors.
Oct. 9.—Asahis vs. Palamas.
Oct. 9.—Ma Hocks vs. C. A. C.
Jrs.
Golf.
Oct. 23.—Four Ball, Foursome, H. G. C., Moanalua.
Cricket.
Oct. 1.—Match.
Tennis.
Oct. 1.—Opening of MOANA Courts.
Oct. 6.—Manoa Electric Light Tournament.
Sailing.
Oct. 9.—Wren Race.
Running.
Oct. 16.—Kaoo vs. Jackson.

BOXERS ANXIOUS TO START IN GAME
Promoter Love Looking For Suitable Location.

Boxing Show Promoter Love was seen last night with regard to any possibility of some bouts being seen in the near future. Love said that he was willing to get in and do his part of the business if a hall could be secured for the occasion.

Joe McGurn is anxious to have a go at Jim Hono, and the native lad is said to be agreeable to meet the man from the Coast at any old time. The match would be a good one, as Hono is clever with the mitts and McGurn is a slogger who can take a lot of punishment.

Then Sarconi is looking around for a dish of stoush, and he may be accommodated with a match before long. Ironman McCollough wanders around the city with a chip on his shoulder, and no one seems ready to knock it off. The cavalryman, "Bare Socks," as he was called the other night, wants a go, and Charlie Reilly, from the Coast, is also thinking of fight as he works hard at his trade all day.

There is plenty of material around, but managers and locations are scarce nowadays. It should be a paying proposition to put on a boxing show at present, as the town is crowded with fight fans and boxers.

BRODERICK WITHDRAWS COPIT FROM RACE
"No Money In Sight," Says Veteran Horseman.

Jerry Broderick, the well-known veteran trainer and horse owner, writes to the effect that he will not race his mare Copit next Saturday against Lizzie Moore and Mary Winkelfield. "There is no money in sight," writes Broderick, "and there does not seem to be any chance of any appearing. My mare will not race on Saturday, and as for the other two, I don't know and don't care."

The proposed three-cornered race would therefore appear to be knocked on the head by the withdrawal of Copit. Jerry does not see any fun in chasing around trying to get the other owners to put up their share of the purse. He will rely upon John O'Rourke of Hilo bringing his horse to Honolulu, and then a good race should eventuate.

It is to be regretted that the owners of Lizzie Moore and Mary Winkelfield have not come through with their share of the purse, for, according to Broderick, that is all that prevents the race coming off.

Sergeant Barry works nights now, but as soon as he awakes, some time this afternoon, he will be informed that he and his Beatus have got to get a baseball reputation before they can secure a game with the Puns. There will be some tall and strenuous language when Barry gets the news, and if he can reach the Bulletin office before the paper goes to press, there will be some fun all around.

The Manoa night tournament will attract the best tennis players in the city, and the play should be exciting enough for anybody.
