REPUBLICANS CLOSE WHIRLWIND CAMPAIGN

Sweeping Victory Is Now Believed Certain

Burden of Boss McCandless Has Played Havoc With Bourbon Prospects Over County and Territory

Kuhio Should Get Majority on Every Island in Group

Republicans all over the Territory will close today the hardest and one of the most spectacular campaigns in the history of the party in Hawaii. With reports coming in today from every island in the group, the Republican leaders are confident that Kuhio and the ticket will make a clean sweep, and are now figuring in majorities.

That Boss McCandless is beaten, and that his own tactics at the Democratic convention since have helped to beat him is the statement that is coming in from all sides, and even in the Democratic ranks McCandless is felt as a burden to his party. A prominent Bourbon politician today made the remark: "With McCandless off that ticket, I'd bet my entire worldly goods on it, but McCandless has been anything but a help to us."

Campaign Closes Tonight. Both parties will close their campaigns tonight with rallies at Aala Park, and the leaders of both tickets, County and Territorial, are to speak.

Prince Kuhio will lead the Republican speakers, and McCandless is on the Democratic program. Besides the candidates for Delegate, every county and legislative nominee will be present and every one is due for a short talk unless time interferes.

The air about the two rival headquarters is significant. The Republicans are bustling and enthusiastic and success seems in sight everywhere. The Republican managers do not concede the Democrats a single member of the Legislature, and Kuhio is looked upon as sure by a big majority. At the same time there is no overconfidence. Every precinct is splendidly organized and the workers will be out with carriages and autos to hunt up laggard voters and take them to the polls.

The Democratic headquarters also issues announcements of confidence, but McCandless today was working with might and main trying to get a hold on the local situation, which is entirely beyond him. The county ticket will probably poll a much larger vote than McCandless. Whereas

POLITICAL FORECASTS

REPUBLICAN

DELEGATE KALANIANA'OLE—"I am confident that I will be returned to Congress again as delegate by the people of Hawaii. I feel that they have confidence in me, that my record is clear, and that they will not be misled by malicious attacks on my work in Congress or my personal character. I think that every island will stand by me and see that the enemies of the Territory are beaten."

A. L. C. ATKINSON, Chairman of the Republican Territorial Central Committee—"The situation today is more encouraging for a clean Republican victory than I have seen it during the entire campaign. It has been a campaign not of bosses, but of party workers. The movement for a straight ticket has come from every source. I look for a great Republican victory all over the Territory. Kuhio will get a larger vote this time than he did two years ago. Locally the Republican majority will be between 500 and 1,000, and Kuhio will run at least even with the ticket. It is to be a victory in every department, and a complete vindication of the Republican party's record."

WILLIAM HENRY, Chairman Joint Committee Fourth and Fifth Districts—"Kuhio looks to me like he will be given a majority of 1,200 on this island, and the whole ticket will run well. I expect every man to be elected by at least 300 majority. Some will go well over 500, some under. Bob Shingle is good for 500 over Trent."

W. C. ACHI, Executive, Fifth District—"The Fifth District will poll between 1,750 and 2,000 Republican votes, and the general ticket will get 500 majority. Cox will be given 300 majority over Jarrett for Sheriff in the Fifth. It looks to me like a Republican victory all over the island."

JOHN WISE, Executive, Fourth District—"The Republican ticket is safe today. The voters know what they want to do, and will do it in spite of the Boss' promises. The Fourth District will come to the front and do its duty for Kuhio and the best ticket the party has ever put in the field. The whole island is Republican."

DEMOCRATIC

L. L. McCANDLESS, Candidate for Delegate to Congress—"I will be elected by a big majority all over the islands. I will carry every island except Kauai and there I will get a big vote. On Oahu my vote will be much bigger than anybody expects. I'll win this election sure."

COL. C. J. McCARTHY, Campaign Manager Oahu County—"I can't see anything to it but a Democratic victory. The whole ticket will be elected. I think that the size of the vote will be a surprise. I look for a Democratic victory generally over the islands. On Kauai we will run heavier than is expected, though I have not paid much attention to the campaign outside of the County."

Kuhio is expected to run even with his ticket everywhere and in many cases to run ahead of it, the wise politicians figure that McCandless will not run within 200 votes of his ticket in Oahu county.

Boss Counts on Outside Support. McCandless is counting on heavy majorities from Maui and Hawaii. He declares that he will carry West Hawaii. (Continued on Page 6)

HAWAII PAYS LAST TRIBUTE TO EX-GOVERNOR CLEGHORN IN HONORS AT HIS FUNERAL

Hawaii officially mourned Hawaii's dead yesterday, when military, church, state, civil and social organizations united in a splendid tribute to former Governor A. S. Cleghorn that ended when the casket bearing the remains of the beloved citizen was placed in the crypt reserved for it at the royal mausoleum. Dignified and impressive as were the funeral services for the ex-Governor, the striking thing displayed yesterday was the universal sorrow over the death and the universal desire to manifest that sorrow in fitting tribute.

With the solemn pomp of the funeral march, the stately tread of

soldiers in procession, with the fragrance of Hawaii's flowers and the deep-toned chants of sacred choir, the ex-Governor was laid at rest beside the coffins of his wife and daughter, the Princess Likelike and the Princess Kalanui. The ceremonies were simple, but their impressiveness was only heightened by that simplicity.

Under the official auspices of the Territory of Hawaii, the services were conducted both at St. Andrew's cathedral and at the tomb with something like martial severity. The casket containing the remains reached the cathedral at 2 o'clock from

"SUNNY JIM" MARRIES BACHELOR NO LONGER

James S. McCandless is married.

This interesting news came to "Sunny Jim" relatives and friends by cable this morning, and no one is at fault of the time of the lady. There have been reports at various times in years past that "Jim" was to be married but each time he has fooled them, as this was one of the masters which with all his good nature he refused to decide for himself. The wedding took place today in Tacoma, and the bride is presumably a Tacoma lady.

The happy bride and groom will return to the city by the Wilhelmina and the dear people will understand why it was that Sunny Jim has been building a ten thousand dollar home at Kalahele. They will have a great reception.

LABOR AGENT IS AT WORK IN MANILA

R. D. Mead, Director of the Hawaiian Sugar Planters' Association labor bureau, has arrived in the Philippines and is busy now looking over the islands to organize the work of securing immigrants, according to reports he has sent to the planters' association. Mr. Mead reported to the association in a communication arriving last Saturday on the Nippon Maru, and also wrote a letter to W. H. Babbitt, assistant director of the bureau.

The reports were made the day after Mr. Mead reached Manila, which was on October 11, so that he had no chance to report much progress. However, the prospects are good for a continuance of Filipino immigration and an increase in numbers.

Mead went from Hongkong to Manila by the North German Lloyd steamer Coblenz and two days out from Hongkong the cargo caught fire. The situation was very grave for awhile but, though frightened, passengers and crew fought back the flames and finally extinguished them. Mr. Mead will go from Manila to the southern islands. His work has just commenced, in fact. The labor bureau expects a few Filipinos by the steamer Siberia next Friday, and the same steamer that brought word from Mead also brought ninety one Filipinos for the plantations.

DR. CRIPPEN GETS TWO WEEKS' DELAY

LONDON, Eng., Nov. 7.—Dr. Hawley Crippen, the American doctor, will not be hung until November 23. It was announced today that a legal requirement necessitates a delay after the denial of an appeal. In the meantime the most heroic efforts will be made by Americans led by Dr. Munyon and by Crippen's friends in England to secure a review of the case or, at least, a reprieve until it can be definitely established whether or not Crippen's wife, Belle Elmore, is really alive in America.

ENGINEERS OF MANY ROADS MAY STRIKE

CHICAGO, Nov. 7.—Sixty-two railroads may be tied up tomorrow as the result of a strike vote that is to be taken among the engineers. Attempts at arbitrating their grievances having failed, the engineers will vote on the question of striking, and it is believed that the vote will be in the affirmative.

GERMAN STEAMER IS WRECKED ON ROCKS

DOVER, Eng., Nov. 7.—The German steamer Progress is on the rocks at South Foreland and is probably a total loss. No lives have been lost.

30,000 COAL MINERS GO OUT ON STRIKE

Politics Mixed By Insurgency

National Parties At Sea In Predictions On U. S. Elections

(Special Bulletin Cable.)

WASHINGTON, D. C., Nov. 7.—No off year elections for years have attracted the widespread interest that is taken in the results of State and Congressional elections to be held tomorrow. The Democrats are claiming all New York by 150,000. The Republicans declare they will elect Stimson Governor by 110,000. The betting by members of his cabinet who have been campaigning indicate a general Republican victory.

In the State of California, the betting is even that Johnson, the Republican candidate, will be elected Governor and carry the whole ticket through.

Close contests are expected in many of the Congressional districts, and the forecasters are at sea in

TOMORROW IS ELECTION DAY FOR MANY STATES OF UNION

CHICAGO, Nov. 7.—Election of State officers, judges of the Supreme Court, railroad commissioners, etc., will be held in 28 States on Tuesday, November 8. Maine, Vermont, Arkansas and Georgia have held their State elections, but the two latter States will tomorrow elect Representatives in Congress. Maryland, Mississippi, Virginia and West Virginia, likewise, will elect Congressmen, Maine and Vermont have already chosen their Congressmen and State officers. In 28 of the States, Governors and full State tickets are to be elected. In 9 others, justices of the Supreme Court and minor officials are to be chosen, while in Indiana State officers, except Governor, will be elected.

A number of the States will elect members of the Legislature. The terms of 30 United States Senators expire March 3, 1911. The Legislatures of Alabama, Maryland and Vermont have elected their Senators.

The sixty-second Congress will be elected. South Carolina and Louisiana have each but one ticket—the Democratic.

The Prohibition party has tickets in 25 States, the Socialists in 24, the Socialist Labor in 8. The Independent League has a full State ticket in New York; the Keystone and the Industrial Party each have a ticket in Pennsylvania; the People's Independent (Populist) has one in Nebraska, and the American Party (anti-Mormon) one in Utah.

The number of tickets in the various States is: 1, South Carolina and Louisiana; 2, Florida, Kentucky and North Carolina; 3, Idaho, Nevada, Washington and Wyoming; 4, Alabama, California, Colorado, Connecticut, Delaware, Indiana, Iowa, Kansas, Montana, New Hampshire, New Jersey, North Dakota, Oklahoma, Oregon, Rhode Island, South Dakota, Tennessee and Wisconsin; 5, Illinois, Massachusetts, Michigan, Minnesota, Missouri, Nebraska, New Hampshire, New Jersey, New York, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Dakota, Texas, Utah and Wisconsin.

Numerous proposed constitutional amendments and questions of various kinds are to be submitted in many of the States. Prohibition is an issue in Florida, Missouri and Oregon, and in those States proposed amendments to the constitution prohibiting the manufacture and sale of intoxicating liquors will be voted upon. In Texas, the incoming Legislature will submit to the voters for approval or rejection, a constitutional amendment providing for prohibition. Oklahoma will vote incidentally on a proposed constitutional amendment substituting local option for the present system of State-wide prohibition.

Three States, Oklahoma, South Dakota and Washington, will vote directly on the question of granting suffrage to women, while in Oregon a proposed amendment to the constitution grants to all taxpayers, regardless of sex, the right of suffrage.

The largest number of questions to be voted upon in any one State is in Oregon. There 22 initiative and referendum measures will be upon the ballot for approval or rejection. Included in this number, besides the proposed suffrage and prohibition amendments to the constitution, is a bill, proposed by initiative petition, amending the Oregon primary law, and extending its provisions to Presidential nominations, allowing voters to designate their choice for President and Vice-President; providing for direct nomination of party candidates for Presidential electors; for election by party voters of delegates to their party national nominating conventions.
