SIMPLY LIGHT AND INSERT TUBE Warmer does the rest

The Welkom Warmer Size 3 1/2 x 5 1/2 inches, weight 4 1/2 ounces. The only modern, safe, effective and sensible substitute for the antiquated Hot Water Bag. No water to heat—no rubber to rot. Will last for years. The Warmer is made of metal heated within one minute by the lighting and insertion of a paper tube containing a blazeless, smokeless and odorless fuel generating a uniform heat which lasts over two hours at a cost of less than one cent. It is curved to fit any portion of the body and held in place by means of a bag and belt allowing the wearer to move about at will.

AS A PAIN KILLER The Welkom Warmer has no equal. It can be put into constant action and is indispensable in cases of rheumatism, lumbago, neuralgia, sciatica, cramps, etc. By placing the Warmer on the affected part the heat being dry, not moist, bakes out the cold. Physicians say that the moist heat of the hot water bag will not cure but aggravate the ailments above mentioned.

Many have been sold—not a single complaint. Complete outfit including Warmer, bag belt, coil and 10 tubes of fuel sent prepaid to any part of the U. S. upon receipt of \$1.00.

If you wish to know more about this wonderful device write today for free descriptive booklet. WELKOM WARMER MFG. CO. 108 Fulton St., New York.

EVANS IS AFTER BRITON'S SCALP

Charles E. Evans, Jr., the Golf Champion, Intends to Invade England.

PETERHURST, N. C., April 3.—Charles E. Evans, Jr., the new united north and south champion, announced today that it was almost certain he would enter for the British amateur championship at Prestwick, England, during the week of May 29, though there might be contingencies to prevent his attendance.

Evans rounded out his visit here with a remarkable score of 71 made in four ball play with Donald Ross, a professional, as a partner against National Amateur Champion William C. Fownes, Jr., and Alexander Ross, a professional.

Golf players here express the belief that Evans will create even more of a sensation in England than did Walter J. Travis.

HEART BLOW FELS BOXER McMANUS

Tait Gets Ten-Round Decision Over Chisholm at the Olympic.

With four rounds of hard boxing in his favor at the Olympic Club at Manila, McManus of the New Orleans received a fierce blow in the body that made him sink to the ring floor with gasps of pain and a haggard face while the referee tolled off the required seconds. A foul was claimed on Jack Machado a Mexican boxer from the Albany, but the decision was that the punch was fair. Those at the ringside disagreed as to the nature of the final blow, but to all appearances it came after a fast exchange of right and left hooks. Machado caught McManus on the jaw and then shot a swift punch just under the heart.

Eddie Tait won a ten round decision in the main event over Chisholm, lightweight champion of the Asiatic squadron. Tait used his left to great advantage. The local boxer forced the game from the start leading and feinting dexterously. By his ring victory Tait retains the club lightweight gold belt and the championship of the Orient.

BOWLING TOURNAMENT BY WIRE IS ARRANGED

NEW YORK, Apr. 4.—Details have been completed for the telegraphic bowling contest between New York, Chicago, Pittsburg, Cleveland, Portland, Seattle and Montreal, for the Thompson trophy, donated by the president of the New York Athletic Club. The tournament will be held on April 22. It is to be an annual affair hereafter.

Teams will consist of five men, with two substitutes allowed. Each club will bowl on its own alleys. The Western team will begin bowling at 7 o'clock Eastern time; the Middle West team at 9 o'clock and the Eastern team at 10 o'clock. The first five frames and the total score of each game are to be telegraphed to all the different competing teams.

AMATEUR PROFESSIONAL LOCAL FOREIGN SPORTS

RICHARDS NOW IS IN THE FINALS

Played More Than Fifty Games Yesterday Afternoon.

Either Al Castle or Wall meets Atherton Richards in the finals for the Hall Cup this afternoon at 4 o'clock, depending on the result of the fifth set which was stopped last evening when the games stood two-all, and which will be played off at 3 this afternoon.

For strong work that of Richards yesterday afternoon deserves mention, for he played off the set with Sinclair and then went after Nowell and played fifty-four games with the latter in the five sets necessary to determine which one of them would get into the final round.

The match between Richards and Sinclair, which was carried over from the day before, was settled by Richards taking the first and third sets and losing the second to love.

In the play between Castle and Wall there were several surprises, the games seesawing back and forth, first one taking a game and then the other, and it was the same way with the sets.

Wall took the first and third, and Castle the second and fourth sets, and then when they called it off on account of darkness, each had two games in the fifth and deciding set.

This will be played off early this afternoon, and the winner will meet Richards in the finals, which are scheduled to start at 4 o'clock.

Castle and Wall both played strong from the start and were apparently about as fresh when the match was called off at 6:20 as when they started.

It was smash and bang with these players, each giving and taking a lot of punishment as they raced from one side of the court to the other, and the service.

In the Richards-Nowell match, which was finished just as dark set in, the winner relied more for his points on good placing of returns than he did on service, for this way weak long before the end of the match was reached.

Nowell with his southpaw continued to bang them over the net on his service, serving as strongly when the ball was smash and bang with these results:

Richards won from Sinclair, 6-3, 6-6, 6-3. Semi-finals—Richards won from Nowell, 7-7, 5-6, 6-4, 5-7, 6-1.

Castle and Wall—First and third sets to Wall, 6-2, 6-4; second and fourth to Castle, 6-4, 6-3; fifth set 2-2 when postponed until this afternoon.

THEY'RE PLAYING BALL TODAY.

By JACK DENSHAM. Bill cannot go to school today—Aches in his youthful head. The office boy must stay away—His old grandmother's dead. The cashier has to keep a date—Down at the bank with Brown. The boss just called me in to state—He's going out of town.

No matinees the theaters bill, For, ghastly to relate, The ushers have been taken ill—They could not mind the "gate." The elevator's "on the pig." The cop has left the beat; But certain street cars overflow—Those marked "Valencia street."

I wander in to quench my thirst, One lone bartender stands. Quoth he, "The others got there first," And sadly waves his hands. I ask him what has hit the town. In accents far from gay, "Wake up, you boob"—this with a frown—"They're playing BALL today!"

EIGHTY TENNIS PLAYERS ENTER TOURNAMENT

SANTA CRUZ, Apr. 1.—Eighty leading tennis players are expected to enter the Pacific States lawn tennis association meet to be held here June 19 to 25, among them being Max Sutton, Florence Sutton, Hiss Hotchkiss, Maurice McLaughlin, Thomas Bundy and M. H. Long. The tournaments heretofore have been held at Del Monte, but it is understood that the change to Santa Cruz will be permanent. The matches will take place on new tennis courts now being constructed adjacent to the Hotel Casa del Rey.

THE MAJOR WAS RIGHT

"Many a man is a 'good judge of bad whiskey,' and many another a 'bad judge of good whiskey,' said the major. 'I've tried all the Honolulu bars, and now I know where to go. The Fashion is the only house that has ten-year-old Lavey Whiskey—and, believe me! age is what counts.' Weekly Bulletin \$1 per year.

GREAT BALL TEAM OF 2ND INFANTRY

Lieutenant Jackson Says They Will Be Able To Trim All.

"I am going to have a ball nine that will wipe the diamond with anything in that line in Honolulu or around Honolulu," said Lieutenant Franklin P. Jackson of the Second Infantry last evening in discussing athletics at Schofield Barracks. Jackson is an ardent fan as well as being some player himself, and the team he will put into the field to represent the regiment when the other battalion arrives in July will be something to make the fans in Hawaii sit up and take notice.

At present there is a good team in the two battalions here, but there are one or two men in the other battalion whom Jackson wants with ball suits on before he says he has the right team.

One of these chaps is an old Southern Leaguer who has a floater which he coaxes over the plate in such a way that about one batter in a hundred can connect with it.

Since the dryer weather came in, the men at Schofield are getting into athletics strongly, and baseball is taking most of their time.

In the Fifth, the teams have been playing company matches, but now the squadron series is on, one team from each squadron being in the field.

Within a short time a series is to be arranged between teams of the three branches of the service stationed at Schofield, and then there will be something doing.

The cavalry is sure of what they have in the ball line, but the artillery claim they have something good, and as for the infantry, why, Lieutenant Jackson says there will be nothing to it after the second-ounce gets going.

Nothing in the baseball line at Schofield will be able to stop them. Each week there is a polo match between officers of the Fifth, and the men and horses are getting into such good shape now that some great games are being played.

The regimental team of the Fifth has not been picked as yet for the season, but the officers are shaping up so well that those who will wear the colors will be known soon.

DOTS AND DASHES.

Preston G. Orwig, field secretary of the Boy Scouts of America, who is making a tour of the West and Northwest, sends cheerful reports of the work now being done among boys. He says that the scout-masters are men of unusual caliber, and have remarkable tact and influence in handling boys. He reports that his explanation of the aims of the Boy Scout movement is eradicating wrong ideas that the movement is training boys for war.

Edgar S. Martin of Columbus is reported as doing excellent work with his boys and is planning an exhibition of Boy Scouts activities in June. From Chicago Orwig reports that since the amalgamation of the American Boy Scouts with the Boy Scouts of America the work has been progressing finely and hundreds of boys are joining the organization.

The Captain Sam benefit is on at the Orpheum Theater this afternoon, and there should be a big crowd present to see one of the best matinees ever put on in Honolulu and to help out the old mariner with the cash. The theater is in charge of a committee appointed to look after Captain Sam's interests in the box office.

Each day gives more evidence of baseball, and the fans now know that the season is in full swing. Tomorrow there are games at Athletic Park, and in the Sugar League, while on Monday the Grammar School League opens, and in one week—on April 22—the regular season of the Oahu League is on.

The Y. M. C. A. basketball boys had a surprise party last evening, when they were flummied in great shape. They were watching the wrong man, and while they were guarding him another chap slipped several baskets over on them.

Welcome back to Steve, who returns today from Hilo to take over the sports desk on the Advertiser again. Steve has had in charge of some while running the Hawaii Herald and should come back to his duties here with lots of vigor.

That tennis this afternoon promises well, and for the final round there should be a lot of spectators. Richards did some good work yesterday, playing more than fifty games during the afternoon.

Kahlili Boy and Red will start at 5 o'clock this afternoon on the Kaplalani track for a purse of \$200. The former will be ridden by Olopiole and the latter by Tassita.

Rugby practice is on this afternoon and the members of the recently organized rugby association will be out at Molihini grounds at 3:30 to try themselves out.
