**Y**OUR clothes for summer are a matter we've given considerable attention to, without consulting you; we've gone ahead and got a lot of good things ready;

and as long as we didn't know exactly what you may want we've provided an immense variety for you to choose from.

clothes are the chief feature of our business in clothes; we make them so because we believe they're the best clothes for our customers to wear; and that's what we're here for.

There's no reason why we shouldn't do the best we can for our customers; we have some knowledge of the clothing business; it's quite natural that we should know more about clothes—the quality, the tailoring, the style—than the average man not in the business. A part of the service we render is to put this knowledge at your disposal; to give you the benefit of it; to use it for your interests.

Our way of doing this is to give you a chance to get Hart Schaffner & Marx clothes; we feel that in this way we are doing you as real a service as can be done for you in clothes. When you compare them with any other clothes made, you'll feel that we've done pretty well by you.
