## Cable News

### TAFT SPEAKS AT SEATTLE

(Associated Press Cable.)  
SEATTLE, Wash., Oct. 9.—President Taft made a comprehensive address here this evening, in which he spoke of the defeat of reciprocity with Canada and upon the problems in Alaska. He declared among other things that Canada may well be sorry that she did not adopt the reciprocity agreement as endorsed by the United States Congress.

**Problems in Alaska.**  
His assertions regarding Alaska were of national interest, and especially so to the Seattle business men present. The President stated emphatically that he favors local self government for Alaska. In connection with the problem of the development of the great coal fields in that country, he asserted that he is against the combined government ownership and operation idea, but favors the leasing system, thus encouraging private enterprise.

**BRITISH DREADNOUGHT IS SAFELY LAUNCHED**  
PORTSMOUTH, Eng., Oct. 9.—Great Britain's largest dreadnought battleship, King George V., was successfully launched here today and was christened by the Princess Christian. The King George V. is of 23,000 tons displacement, is 355 feet long and is designed to make twenty-one knots under forced draught. The battleship will be armed principally with ten 12-inch guns.

**CANADA NOW HAVING RAILWAY STRIKE TROUBLE**  
WINNIPEG, Man., Oct. 9.—A general strike of 700 boiler-makers and machinists started today in the shops of the Grand Trunk Pacific railroad. The men seek better conditions and higher pay, as well as recognition of the federation of shopmen.

**PICKING JURY IN TIMES CASE.**  
LOS ANGELES, Cal., Oct. 9.—Judge Walter Bordwell, presiding judge of the Superior Court, today selected forty-five out of 122 foremen called as a venire in the McNamara case and their examination will be conducted tomorrow. It is now definitely announced that the defense of J. J. McNamara will be that the Times building was blown up and destroyed on October 1, last year, by an explosion of gas and the following fire.

**CALIFORNIA ELECTIONS.**  
SAN FRANCISCO, Cal., Oct. 9.—Throughout the State of California tomorrow will be held a special election for the adoption of constitutional amendments, of which there are twenty-three to be voted upon. The principal excitement is in regard to the woman suffrage amendment, many of the leading women of the State, assisted by Mrs. Fore Scott of Yonkers, N. Y., and other anti-suffragists from the East, having conducted an energetic campaign against the amendment.

**CORNELIUS BLISS DEAD.**  
NEW YORK, N. Y., Oct. 9.—Cornelius N. Bliss, former secretary of the interior in the cabinet of President McKinley, died suddenly in this city today from heart failure. Cornelius Newton Bliss was born in Fall River, Mass., January 26, 1833. He became a successful merchant and finally moved to New York, where he became head of the drygoods firm of Bliss, Falyon & Co. He twice refused to be a candidate for governor of the Empire State. He served as secretary of the interior in the cabinet of President McKinley from 1897 to 1899, when he resigned.

### ROYAL PORTRAITS MAY GO TO COAST

It is reported that an offer has come from the mainland to buy up the set of twenty-seven portraits, the only complete set of portraits of the former monarchs of Hawaii in existence, now in the gallery of J. Williams, the veteran photographer of the Islands. This is the second offer that has been made for these portraits. A number of years ago the Berkeley university made an attempt to purchase the set, but the offer was refused, for Williams thought that if the portraits were worth being sought for by an institution on the mainland, they were worth keeping at home, and he kept them until now. Now that the second offer has come there is a possibility that Williams may let them go, as there has been no offer for them from any local source.
