The Effects of Mental Exhaustion. Many diseases, especially those of the nervous system, are the products of daily repressed mental exhaustion. Business avocations often involve an amount of mental wear and tear very prejudicial to physical health, and the professions, particularly the law, are no less destructive to brain and nerve tissue. It is one of the most important attributes of Hall's Catarrh Cure, that it restores the vitality of the brain and nerves, and imparts new energy to the brain and nervous system. It is a powerful tonic, and its effects are marked, and shows that its invigorating properties are of the highest order. Besides increasing vital strength, and counteracting the effects of mental exhaustion, this potent medicine cures and prevents fever and ague, rheumatism, chronic dyspepsia and constipation, indigestion and uterine weakness, and other complaints. Physicians also commend it as a judicious stimulant and remedy.

Mr. F. C. Reynolds, of St. Louis, salesman and agent for the Dr. J. H. McLean Medicine Co., is in Louisa this week in the interest of that firm. An advertisement will be found elsewhere.

Sick headache, wind on the stomach, biliousness, nausea, are promptly and agreeably banished by Dr. J. H. McLean's Little Liver and Kidney Pills. 25c. a vial. For sale by Freese & Norris.

Last Sunday was Children's Day in the churches. Preparations were made for the occasion by the Sunday Schools of the Methodist churches, and the result was success. Some good music was furnished.

We notice that in many towns elsewhere the merchants have entered into agreements to close their stores at 7:30 p. m., (except Saturdays) in order that they and their clerks may have sufficient time to rest.

Wm. F. Huff, a deaf mute of New Hope, Va., and a graduate of Staunton Institute, gave a magic lantern entertainment at the old Hotel dining room on last Friday night, and in Cassville on Saturday night. He will show next at Peach Orchard and Richardson.

Good and ill luck may be received with an equal mind, unless the latter takes the form of Piles, one of the most distressing diseases. When thus afflicted the most comforting assurance we can receive is that Tabler's Buckeye Ointment will cure every case of Piles on the Globe. Give it a trial and be convinced.

Mrs. Hammond, who was wounded some time ago by the Smiths on Cat's Fork, in this county, died a few days ago from the effects of her injuries. She was suddenly attacked by a pain in the portion of her body which was pierced by a ball, and lived only about an hour.

A gentleman who had been afflicted with piles for years and vainly sought relief in many lands, was told by a friend that Tabler's Buckeye Pile Ointment was a certain cure for that disease. The rest is soon told for whoever uses Tabler's Buckeye Pile Ointment will surely find speedy and permanent relief.

U. S. Assistant Engineer B. F. Thomas, of this place, now has charge of the improvements on both the Big Sandy and Little Kanawha rivers. His superior management of the work on the Big Sandy secured for him the Little Kanawha management also. He left for Parkersburg a few days ago.

The dearest spot on earth to me is home, and what ever conduces to the health or comfort of the home circle is regarded as a blessing. In the category of blessings we place White's Cream Vermifuge the best worm medicine in the world. It never fails to expel worms when their presence in the stomach is indicated by the usual symptoms.

CONFESSED AT LAST.—That J. Monroe Taylor's Gold Medal Soda is the best article known for making nice light Bread, Biscuit, Pies, Puddings, &c. Baseless imitators are trying to palm off to the public their articles, saying it is Gold Medal, or as good; therefore, all who would preserve their stomachs and health, look and see that the name of J. Monroe Taylor is on the wrapper, and be not put off with the spurious because the merchant tells you that it is good. Have nothing but the genuine Gold Medal. Dyspeptics can use it, and it will do them good. Try it.

In a few days the new town of Borders, on section 16-28-43, will be on a big boom, and we advise all those who have not yet secured property there to do so at once, as those who get in on the ground floor will make big money and make it quick. The famous "Cannon Ball" Green has put on a stage line to run from Coalidge to Taloga, and it will stop at Borders for dinner. A number of good improvements are now under way. If Borders does not make a good town there is no need of any other town trying. Johnson City, W. Va.

We clip the above short article from the Coalidge Citizen, of Coalidge, Kansas. It speaks of a town founded by and named for Joe H. Rodgers, a former citizen of this place, and well known all over the Sandy Valley. He has had great success since he went West, and now is the Treasurer of his county, Mayor of Coalidge, Cashier of the Coalidge Bank, and also interested in a railroad enterprise.

The many friends of the young pastor of the Baptist Church in Louisa, will rejoice to know that he has taken unto himself a helpmate. No man is fitted for thorough, complete work in the ministry of any vocation in life unless his hands are strengthened and his heart encouraged by a helpful, loving wife. He is a sort of a kite without a tail—a sidewheel steamer trying to run on one wheel. Brother Sudith has realized the truth of these sayings, and it can no longer be said of him that he is going it alone. We all know that the comfortable mansion to which he so often resorted contained something infinitely better than the choicest book in its well stocked library, and all of his friends sincerely hoped he might be able to win and wear the jewel sought. Miss Lattie Ferguson has linked her destiny with that of her pastor, and not only does the church to which he is so devotedly attached, but the entire community wish that she may always look upon the May evening when she became his bride as the beginning of a long and happy life. May they both live long and prosper, is the sentiment of

JOHN GODFREY.

Webbville. George L. Johns, of Portsmouth, was here this week taking orders for hardware Messrs. Jayne and Hamilton, of Flat Gap, passed here a few days ago on their return from Cincinnati. John Underwood and wife, of Bull's Eye Spring, have been here for the past few days visiting relatives. L. J. Webb has sold to David Lewis his farm on Dry Fork. Died, on the 4th inst., a little child of G. W. Meads and wife. Mrs. E. H. D. Webb left Thursday for Carter county, where she was summoned to see her brother who is dangerously ill. Several traveling salesmen were here last week.

LITTLE STAR. Glenwood, Ky. I have been thinking that this little hamlet, Glenwood, ought to be mentioned in the columns of some good home paper, and I have come to the conclusion that there was none that could best the News.

Glenwood has four blacksmith shops, two churches, one store and one steam and grist mill. The Glenwood post office is kept at the store owned and run by D. W. Webb, late of Denton.

This East Fork Valley is not excelled in North Eastern Kentucky for corn, wheat and grass. A large acreage of corn is being planted, and the wheat bids fair for a large crop. Grass is looking fine.

Died, on the 6th inst., H. F. Adams, commonly known as Fisher Ben. The remains were interred in the family grave yard. He leaves a wife and large family to mourn his departure. He was 81 years old.

A three year old child of J. B. Riffe is quite ill with brain fever. J. W. Webb, of Webbville, was in our midst one day last week in the interest of the News. Jim is a good, jolly fellow, and is a hustler, too. I hope he may be able to do a great work for the News, and may some soon roll around when the News will hoist its banners victorious over any of our local papers.

J. B. Webb made a business trip to Ashland last week. There is a series of meetings going on at the Baptist Church, conducted by G. J. Justice, the pastor. The result is a few additions, and the work is still going on.

Your correspondent made a trip to Denton last week and found everything there flourishing.

ARE PENTAGONISTS.

Beware of Ointments for Catarrh that contain Mercury. Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do are ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury and is taken internally and acts directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure that you get the genuine, it is taken internally and made in Toledo, O., by F. J. Cheney & Co. Sold by Druggists, price 75 cts. per bottle.

Amazing Success. It is the duty of every person who has used Bosche's German Syrup to let its wonderful qualities be known to their friends in curing consumption, severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all Druggists to recommend it to the poor, dying consumptive, at least to try one bottle, as 80,000 dozen bottles were sold last year, and no one case where it failed was reported. Such a medicine as the German Syrup cannot be too widely known. Ask your druggist about it. Sample bottles to try, sold at 10 cents. Regular size, 75 cents. Sold by all Druggists and Dealers, in the United States and Canada.

Deep Hole Branch. The messes raging in this vicinity. Mr. Clats Sannons, of your place, was smiling at friends at this place last Sunday. Miss Emma Blankenship was the guest of Miss Rosa Pligand Sunday. Miss Jiggon is very low with measles. Little Little Drake has been sick for some time but is much better at this time. Mrs. Wylie Burchett, who has been sick for some time, is improving. Dr. Duval was shaking hands with friends at this place a few days ago. What has become of "Blockheads" and "Inappreciativ"?

Wives! Mothers! Daughters! BE YOUR OWN PHYSICIAN! Any sufferer can use them and thus cure herself, without the aid of a physician. Two recipes, treatise and full directions FREE, sealed. Address Mrs. W. C. HOLMES, 628 Broadway, N. Y. (Name this paper.)

Don't Experiment. You cannot afford to waste time in experimenting when your lungs are in danger. Consumption always seems, at first, only a cold. Do not permit any dealer to impose you with some cheap imitation of Dr. King's New Discovery for consumption, coughs and colds, but be sure you get the genuine. Because he can make more profit he may tell you he has the real thing, but insist upon getting Dr. King's New Discovery, which is guaranteed to give relief in all throat, lung and chest affections. Trial bottles free at R. F. Vinson's drug store.

Saved His Life. Mr. D. I. Wilkinson, of Horse Cave, Ky., says he was, for many years, badly afflicted with Phthisis, also Diabetes, the pains were almost unendurable and would sometimes almost throw him into convulsions. He tried Electric Bitters and got relief from first bottle and after taking six bottles was entirely cured, and gained in weight eighteen pounds. Says he positively believes he would have died, had it not been for the relief afforded by Electric Bitters. Sold at 50 cents a bottle by R. F. Vinson.
