At a recent meeting of the Board of Education it was resolved to admit pupils living out of the district, by their paying the usual rates of tuition. This will be welcome news doubtless, to many young ladies and gentlemen who desire to fit themselves for teaching, and who have not the means for attending school away from home. The school will shortly be fitted with new desks, and every effort will be made to render pupils comfortable. For terms apply to the Board of Education or Dr. Wroten.

Western Bottle's Chosen Specifics. With every advance of civilization into the West, a new demand is created for Hostetter's Stomach Bitters. Newly peopled regions are frequently less salubrious than older settled localities, on account of the miasmata which cling to the banks of rivers that are subject to floods. The agricultural or mining emigrant soon learns, when he does not already know, that the Bitters afford the only sure protection against malarial, and those disorders of the stomach, liver and bowels to which climatic changes, exposure, and exhaustion are so often the cause. Consequently, he places an estimate upon this great medicinal specific and preventive commensurate with its intrinsic merit, and is ever ready to keep on hand a sufficient amount of it for health and longevity to be raised upon in time of need.

Burned to Death.

Mrs. Giles-Roe, living in Fort Gay, W. Va., our neighboring town, was burned to death this morning. She was just recovering from a spell of sickness and was very weak. There were only some small children at the house at the time of the sad accident and it is not known how it happened, but it is supposed that she fainted and fell into the fire, which was in a large wood-fire place. She died within two minutes after assistance reached her.

Children often need some safe cathartic and tonic to avert approaching sickness or to relieve colic, headache, sick stomach, indigestion, dysentery and the complaints incident to childhood. Let the children take Simmons' Liver Regulator and keep well. It is purely vegetable, not unpleasant to the taste and safe to take alone or in connection with other medicine. The Genuine has our Trade Mark "Z" in red on front of wrapper. J. H. ZELIN & Co., Philadelphia, Pa.

A fire started in R. J. Frichard's grocery store about one o'clock to-day, but was soon extinguished. The fire was caused by a deflection of the gas from the gas stove. The condition of the roof would probably have resulted very disastrously to the town. Brick fires only should be allowed to be used in this town.

You will have no use for spectacles if you use Dr. J. H. McLean's Strengthening Eye Salve; it removes the film and scum which accumulate on the eye balls, subdues inflammation, cools and soothes the irritated nerves, strengthens weak and failing sight. 25c a box. For sale by Freese & Norris.

BRACE UP. You are being depressed, your appetite is poor, you are bothered with headache, you are nervous, and generally out of spirits, and want to brace up. Brace up, but not with stimulants, spring medicines, or laxatives, which are for the most part, bad whiskey, and which stimulates you for an hour and then leaves you in worse condition than before. What you want is an alternative that will purify your blood, start the healthy action of liver and bowels, restore your vitality, and give you strength. Such a medicine you will find in Electric Bitters, and only 50 cents a bottle at R. P. Vinton's drug store.

Give them a Chance. That is to say, your lungs. Also all your breathing machinery. Very wonderful machinery it is. Not only the larger air-passages, but the thousands of little tubes and cavities leading from them.

THE ELECTION.

New York and Old Virginia Handsomely Democratic.

Ohio and Massachusetts go Republican, of course.

Fred Grant Gloriously Defeated.

The Democratic victory in New York was a grand one, and places the re-nomination and re-election of President Cleveland beyond a doubt. The plurality is about 15,000 or 20,000. The defeat of Fred Grant for Secretary of State was a surprise to his friends. Blaine's boom is buried.

Old Virginia elected a Legislature that will retire Riddleberger from the Senate and place in his stead a good Democrat.

The Democrats gained in Pennsylvania and lost in New Jersey.

In Massachusetts the Republican State Ticket was elected.

The Democratic candidate for Governor is thought to be elected in Iowa.

The Democratic ticket is elected in Maryland.
