Common-sense. All claims not consistent with the high character of Syrup of Figs are purposely avoided by the California Fig Syrup Company. It acts gently on the kidneys, liver and bowels, cleansing the system effectually, but it is not a cure-all, and makes no pretensions that every bottle will not substantiate.

Louisa, Ky., June 2, 1889. One of our faithful scholars, one of Louisa's noble young men, Ellsworth Norris, having removed from us:

We hereby express our appreciation of his prompt and punctual attendance upon, and the untiring interest he took in our school. We do and shall miss him very much. He has our prayers for success, both spiritual and temporal. Hoping, trusting, believing that at his new home he will still continue to live a moral and religious life, and be prompt and faithful in attendance at Church and Sunday School.

We hereby recommend him to the pastor, the membership, and the Sunday school of the M. E. Church South, Catlettsburg, Ky., or any other he may desire to attend.

ROCKVILLE, KY. There is a great "battle" raging in this neighborhood between the farmers and weeds. The weeds do not fight, but grow fearfully.

Quite a lot of timber and timber floated down Bear creek on the last tide.

Charles Warren visited his daughter at the Millersburg school, and was present at the commencement.

Miss Emma Hatten attended the commencement of the E. R. Normal.

Dr. Banfield has had an extended practice of late.

The name of M. F. Swetnam for the Legislature will suit all concerned in this neighborhood. No better man could offer. He would represent the farmers and laboring men of our county, as well as all others. Let him come. He is a winning hope.

There is another office to be filled which is very important to every tax-payer in the county—a County Commissioner. It should be a sober, industrious, honest man, with sufficient education to keep track of all county affairs. If our Board of Commissioners is not composed of sober, honest, competent men, possessing a fair amount of business ability, the interests of the county will suffer. Millard Garrod would certainly fill the vacancy to be filled next August with credit. Let us hear from others on that subject.

A VORRE. Job printing at the News office.

As I do not expect to trespass on your columns for some little time, unless something of importance turns up, I send a few lines from this "city of rocks."

Rains have ceased, but from all appearance will soon come again.

Now, let me have a fair shot at those detestable Mormon impostors, mis-called preachers, who are prowling up and down our loved Sandy Valley. We have no earthly use for them. It is a shame to suffer such prowling wolves to infest our fair country. They are a set of vicious, or well disposed men and women, would not go crazy to follow them to their foul dens and fall into hell before they are aware of it. Good people, open your eyes and watch before you are bitten by these serpents. I say give them a quick move, for they have now done dirty work enough. If they do not want a coat of tar and feathers they had better not pass this way. They have been preaching long enough. Stop the devils from sowing tares among our sons and daughters. Big Sandians, to your posts! I know these scamps.

A LOVER OF LAW AND ORDER.

Advice to Mothers. Mrs. Winstead's formula should always be used when children are cutting teeth. It relieves the little sufferers of all discomforts, keeps them quiet, and the little church swallows "bright new buttons" in a very pleasant way. It soothes the child, settles the stomach, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

IS LIFE WORTH LIVING? Not if you go through the world of dyspepsia, Acids, Dyspepsia Tablets are a positive cure for the worst forms of Dyspepsia, Indigestion, Flatulency and Constipation. Guaranteed and sold by W. T. Evans, Druggist.

How to get along in the world—walk.

CAUTION TO MOTHERS. Every mother is cautioned against giving her child laudanum or paregoric. It creates an unnatural craving stimulus which kills the mind or the child. A baby soother is specially prepared to soothe children and cure their pain. It is harmless and contains no Opium or Morphine. Sold by W. T. Evans, Druggist.

Some people never pay anything but visits to their relatives.

PINKETS ON THE FACE. Demos an impure state of the blood and are looked upon by many with contempt. Acker's Blood Purifier will remove all impurities and leave the complexion smooth and clear. There is nothing that will so thoroughly build up the constitution, purify and strengthen the whole system, sold and guaranteed by W. T. Evans, Druggist.

The citizens of Logan C. H., W. Va., are contemplating the erection of a non-denominational church building. It is said there is now a church building in the county and not a sufficient number of members of any one church at the county seat to build or maintain a church.

Dress the Hair

With Ayer's Hair Vigor. Its cleanliness, beneficial effects on the scalp, and lasting perfume commend it for universal use. It keeps the hair soft from falling, and if the hair has become weak or thin, promotes a new growth.

"To restore the original color of my hair, which had turned prematurely gray, I used Ayer's Hair Vigor with entire success. I cheerfully testify to the efficacy of this preparation."—Mrs. P. H. Davidson, Alexandria, La.

"I was afflicted some three years with scalp disease. My hair was falling out and what remained turned gray. I was induced to try Ayer's Hair Vigor, and in a few weeks the disease in my scalp disappeared, and my hair restored its original color."—(Rev.) S. S. Sims, Pastor U. B. Church, St. Bernice, Ind.

"A few years ago I suffered the entire loss of my hair from the effects of better. I hoped that after a time nature would repair the loss, but I waited in vain. Many remedies were suggested, none, however, with such prospect of success as Ayer's Hair Vigor, and I began to use it. The result was all I could have desired. My hair and gray to be so soft and heavy as I ever had, and of a natural color, and finally set."—J. H. Pratt, Spofford, Texas.

Ayer's Hair Vigor, PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Sold by Druggists and Perfumers.
