by refusing to transport supplies.
Capt. Ray thinks a military gov-
ernment is needed. His report
runs from October 8 to November 8.

A SCORCHER.

From Dr. Osborn, late Repub-
lican Candidate for Su-
perintendent of Schools

Boys, the election being over and
the excitement calm down, I now
wish to drop you a few words of
admonishment. I was your nomi-
nee for Sup't of schools and you
boiled the convention and voted me
to a defeat, with a disgrace to
yourselves and to your future suc-
cess, I am afraid. I know you,
boys, all of you, and I have met
some of you since you proved to be
traitors to me and to your party,
and there is not one of you but
who has a down cast look in his
contentance and I am impressed
to believe that some day in the
future you will be made to weep
over your straying away. I was
the choice of the Republican party,
without spending a dollar by a
large vote. I made an honest
fight, but in every dollar that my
party paid for me to put in, though
the way you boys treated me it was
a shame. To think of you leaving
a man that would have stood by
you even unto death and pushed
you into victory and final success.
Think of leaving such a friend and
voting for a man that will put his
foot on you politically and crowd
you down to a defeat forever in the
future. I feel certain there is not
one of you but who believes this
statement is true. I fear it will
be said to you, boys, as it was said
to Jerusalem of old, How oft would
I gathered you as a hen doth gather
her chicks and ye would not. The
Bible says that if a man sins wil-
fully and maliciously there remains
no more sacrifice for him. Boys, I
saw in the News where Rev. Jas.
Moore said that his boys had fol-
lowed after strange Gods and had
betrayed their party. I think brother
Moore was mistaken to some ex-
tent. They were only like some of
our boys; strayed off after strange
doctors.

I wish to say here that the Dem-
ocrat boys are made up of better
material than some of our boys, for
if they take money they take it and
stand to their own men; not like
our boys. Some of them take from
both sides and then vote democra-
tic.

There was a merchant at Blaine
that my father and our family has
traded hundreds of dollars with
him and then him, his sons, his
sons-in-law and all of their aid
went against me and then claim-
ing to be strong Republicans. Father,
son, sons-in-law, I know you, I
will wait for you. The state is on
your side, and not me.

There was another family that
voted democratic on the grounds
of their father getting skunked in
the primary at Geo's creek. Boys,
I know you, I will wait for you.

Another strong man talked
of running for Sup't of Schools and
declined the idea and made the race
for magistrate and was largely de-
feated. He then asked a very prom-
inent Republican what about swal-
lowing Dave Osborn. He is a good
rad. Rad, I will wait for you
patiently.

I met another awful strong Rep.,
so strong that he said that he was
not going to tell any one how he
was going to vote. I knew his fa-
ther had been following for some
of the democratic party. His son
was defeated in the primary for a
certain office. He is a strong rad,
certain. I know you, my brother,
and shall wait for you.

I do not think hard of any Dem-
ocrat for not voting for me and
them that voted for me I certainly
thank them for their kindness. I
have now moved from Lawrence
for a while, I can't say how long;
though boys, you that stood by me,
call when you need me and I will
be there on good time. There were
men, ministers of the Baptist Ch.,
the church that I love and cherish,
took money and rode from
Lawrence to Boyd and worked in
the election against their own
Baptist brethren. Such men! I never
want to hear them say, "as Rep-
ublicans will stick together." There
were Baptist brethren voted against
me that I had ministered to their
bedside when sick, as a minister
and as a physician. Still they are
once in grace and always in grace.
I feel sure that it must be a grace
that Christ Jesus knows nothing
about. I venture to say that a man
of God won't vote against his brother
and him knowing at the same
time that his brother is poor and
stands in need of his help. It does
not matter what his politics may
be, I say, if we are brothers in
Christ we are going to help in
time of need.

I pity and dread the awful day
for a brother that has no more love
for his brother than to vote him
off when in need.

I say God's people will stick to-
gether but there is a people once in
grace and always in grace, that
won't stick together.

I have written all of this without
malice and shall make no apology
ever. My best wishes to the peo-
ple of Lawrence county.
D. OSBORN, M. D.

FALLSBURG.
I impeach King Alcohol because
he destroys the health. He disfig-
ures the body. Because he destroys
the nervous system. Because he
dethrones reason and is the fruit-
ful cause of idocy and insanity.
Because he blunts the finer feel-
ings and sensibilities of the soul.
Because he destroys every princi-
ple of manhood. Because he de-
stroys both soul and body in hell.
Because he squanders property and
produces pauperism. Because he
crowds our poor-houses. Because
he costs the Nation every year over
nine hundred millions of dollars.
Because he squanders paint; he
paints houses too little and noses
too much, those who paint their
noses most, paint their houses the
least. Because he planted a saloon
in the basement of our Capitol at
Washington and thus debauches
our National Senators and Repre-
sentatives. Because he has cor-
rupted our courts, defied justice, ig-
nored the laws, and perjured wit-
nesses.

I impeach him because he has
shaded homes, broken hearts
and beggared innocent wives and
children.

Because he leads to three-fourths
of the litigation in our courts.

Because he leads his subjects in-
to violence, murder and every con-
ceivable crime.

I impeach all brewers, distillers,
saloon keepers and smugglers who
are abettors of his majesty King
Alcohol.

I impeach those who vote for li-
cense, support whisky men, sign
drug store and saloon petitions, op-
pose prohibition, or remain silent
on the question.

These are all the supporters of
King Alcohol. They are particeps
criminis. What is the remedy?
Total abstinence for the individual
and prohibition for the Nation. If
all church members would vote as
they talk and pray, we can route
the King out of our land. Will you
do it? R. F. B.

Not For Everything
But if you have liver, kidney or
bladder trouble you will find
Swamp Root just what you need.
People are not apt to get anxious
about their health soon enough. If
you are "not quite well or half
sick" have you ever thought that
your kidneys may be the cause of
your sickness.

It can easily be told by fill-
ing a bottle or common glass
with urine and let it stand twenty-
four hours; a sediment or settling
indicates an unhealthy condition
of the kidneys. When urine stains
linen it is evidence of kidney trou-
ble. Too frequent desire to urinate
or pain in the back, is also convinc-
ing proof that the kidneys and
bladder are out of order.

There is satisfaction in knowing
that the great remedy Dr. Kilmer's
Swamp Root fills every wish in
relieving weak or diseased kidneys
and all forms of bladder and ur-
inary trouble. Not only does
Swamp-root give new life and ac-
tivity to the kidneys—the cause of
trouble but by treating the kidneys
it acts as a tonic for the constitution.
It you need a medicine you should
have the best. Sold by druggists,
price 50c and \$1.00. You may have
a sample bottle and pamphlet both
sent free by mail. Mention Rio

ROYAL BAKING POWDER

The appointment of Paymaster
Alfred E. Bates as military attaché
at the United States Embassy at
London has excited a good deal of
criticism in military circles in
Washington and elsewhere. The
office is one of great importance
from a military point of view, as it
enables the appointee to greatly
improve his professional knowl-
edge, and the present is the first
instance in which a pay department
official has been chosen by any
government.

The Palace Hotel, at Cincinnati,
has greatly improved its table fare
lately and it is now the best hotel
for the price that can be found any-
where. All patrons agree upon
this fact. Another new feature is
the addition of the European plan.

A very popular departure has also
been recently made in providing
a private dining room on the sec-
ond floor, where meals are served
without extra charge. This is
much appreciated by the lady pa-
trons. The prices are \$2.00 to \$3.00
per day on the American plan, and
from \$1.00 up on the European
plan.

A few months ago Mr. Byron
Every, of Woodstock, Mich., was
badly afflicted with rheumatism.
His right leg was swollen the full
length, causing him much pain.
He was advised to try Chamberlain's
Pain Balm. The first bottle
helped him and the second effected
a cure. The 25 and 50 cent sizes
are for sale by A. M. Hughes.

Mr. Ward L. Smith, of Freder-
icktown, Mo., was troubled with
chronic diarrhoea for over thirty
years. He has become fully sat-
isfied that it was only a question
of a short time until he would have
to give up. He had been treated
by some of the best Physicians in
Europe and America but got no
permanent relief. One day he
picked up a newspaper and chanced
to read an advertisement of
Chamberlain's Colic, Cholera and
Diarrhoea Remedy. He got a bot-
tle of it, the first dose helped him
and he continued use cured him.
For Sale by A. M. Hughes.

leading pedagogues and free silver
Democrat. Red Rush has three
stores kept by W. H. Balley, Harry
Wallen and Sam Williams. Aaron
Webb and his son Jasper, of
Morgan county, were visiting rela-
tives here on the 9th. Solomon
Frazier went to Paintsville on last
Friday. C. M. Black and Alex
Polphrey are visiting homefolks in
Morgan. Our watch tinker,
Meredith McKinzie is making a
reputation. A man had so much
confidence in his ability that he
brought a watch case to him full of
wheels of three different watches
a cylinder escapement, an Elgin
and a Waterbury, and wished him
to produce order out of chaos, two
balance wheels, three plates, &c.
Our young jeweler will be compell-
ed to send his customers to Red
Rush or to Conley's at Louisa.

Rev. Powell Ferguson issued five
marriage licenses on the 1st day of

purchasing walnut timber. Green
is a hustler. Pleas. Bollbrook
has received his commission as
postmaster and will take charge of
the office in a few days. Miss
Virginia Smith went to her broth-

parents. The Literary society
elected officers at its last meeting.
T. J. Chandler, president Miss Stella
Williams, secretary, &c. Wallace
McKinzie's house is nearly
ready for occupancy. J. D.
Board made a trip to Martinsburg
last week. Benny Cox, of Flat
Gap, is visiting Mr. Bond. Wm.
Ferguson and J. E. Hammond,
drummers, passed through here a
few days ago. Elphas and Ste-
phen Ro-s, of Flat Gap, attended
our Literary Thursday night.

I have given Chamberlain's
Cough Remedy a fair test and con-

readily to this medicine. I con-
scientiously recommend it for colds
and croup in children.—Geo. E.

was calling on his best girl at this
place Sunday. Dr. Deane never
fails to be in our neighborhood
on Sunday. Several boys from

our girls. A goodly number of
our young folks took in the Liter-
