THOROUGHLY RELIABLE.

If ever there was a reliable and safe remedy it is that old and famous plaster—Allock's. It has been in use for sixty years, and is as popular today as ever, and we doubt if there is a civilized community on the face of the globe where this wonderful pain reliever cannot be found. In the selection of the ingredients and in their manufacture the greatest care is taken to keep each plaster up to the highest standard of excellence, and so pure and simple are the ingredients that even a child can use them.

Allock's are the original and genuine porous plasters and are sold by Druggists in every part of the civilized world.

John Howell was here a few days ago, looking for hogs.

Koy Carter bought a nice bunch of sheep of Sam Rose. Oldtimer.

THE LIMIT OF LIFE.

The most eminent medical scientists are unanimous in the conclusion that the generally accepted limitation of human life is many years below the attainment possible with the advanced knowledge of which the race is now possessed. The critical period that determines its duration, seems to be between 50 and 60; the proper care of the body during this decade cannot be too strongly urged; carelessness then being fatal to longevity. Nature's best helper after 50 is Electric Bitters, the scientific tonic medicine that revitalizes every organ of the body. Guaranteed by A. M. Hughes, Druggist, Louisa, Ky. 50 cents per bottle.

Base Ball.

Everything in the line of Spalding's base ball goods is in stock at Conley's Store. The prices are the same here as they are the world over on these goods.
