### Colds on the Chest

Ask your doctor the medical name for a cold on the chest. He will say, "Bronchitis." Ask him if it is ever serious. Lastly, ask him if he prescribes Ayer's Cherry Pectoral for this disease. Keep in close touch with your family physician.

We publish our formulas. We banish alcohol from our medicines. We urge you to consult your doctor.

## Ayer's

To the traders and trappers of Lawrence County:

I will pay for black stunks, large number one, \$1.50 to \$1.70 until February 15th 1909. After this date at a fair value. I will travel over the country and you will know H. J. Bring your hides and pelts to my one horse wagon and get your cash for them. I want 2,000 skunks and 2,000 muskrats. I have already been a help to the citizens of Lawrence county to thousands of dollars and expect this ad to be thousands of dollars advantage in the county for the people. Yours Respect,  
H. J. PACK.

## INDIGESTION FNDS.

Misery from your Disordered Stomach goes in Five Minutes.

You can eat anything your stomach craves without fear of a case of Indigestion or Dyspepsia, or that your food will ferment or sour on your stomach if you will occasionally take a little Diapepsin after eating.

Your meals will taste good, and anything you eat will be digested; nothing can ferment or turn into acid or poison or stomach gas, which causes belching, dizziness, a feeling of fullness after eating, Nausea, indigestion (like a lump of lead in stomach), Biliousness, Heartburn, Water brash, Pain in stomach and intestines or other symptoms.

Headaches from the stomach are absolutely unknown where this effective remedy is used. Diapepsin really does all the work of a healthy stomach. It digests your meals when your stomach can't. Each triangle will digest all the food you can eat and leaving nothing to ferment or sour.

Get a large 50-cent case of Pape's Diapepsin from your druggist and start taking today and by tomorrow you will actually brag about your healthy, strong stomach, for you then can eat anything and everything you want without the slightest discomfort or misery, and every particle of impurity and gas that is in your stomach and intestines is going to be carried away without the use of laxatives or any other assistance.
