Quite a shooting affray occurred last Saturday about one and a half miles southeast from here, between the Cook boys, Joe and Bill, and Joshua Endicott and his son. The cause was over the ownership of a cow which the constable had under an execution. Several shots were fired between them. Six people received shots, including one woman. No one was seriously hurt.

It seems that the Cook boys went to the house of Joshua Endicott and demanded a cow which they had sold to him. He refused to give it up and the Cooks went away and armed themselves with shotguns and went back, and soon a shooting began. Finally each side ceased firing, and the Cooks got possession of the cow. The Cooks fled into Kentucky carrying some shot in their persons. Mountain Boy.

TO AILING WOMEN.

A Little Sound Advice Will Help Many a Sufferer in Louisa.

No woman can be healthy and well if the kidneys are sick. Poisons that pass off in the secretions when the kidneys are well, are retained in the body when the kidneys are sick. Kidneys and bladder become inflamed and swollen and worse troubles quickly follow. This is often the true cause of bearing down pains, lameness, backache, sideache, etc. Uric poisoning also causes headaches, dizzy spells, languor, nervousness and rheumatic pain.

When suffering so, try Doan's Kidney Pills, a remedy that cures sick kidneys. You will get better as the kidneys get better, and health will return when the kidneys are well. Let a Louisa woman tell you about Doan's Kidney Pills. Mrs. C. A. Evans, of Louisa, Ky., says: "Doan's Kidney Pills gave such entire satisfaction in our family that in January 1908 I publicly recommended them. Doan's Kidney Pills were used for a weak and lame back, the result of disordered kidneys and they made a complete and permanent cure. I willingly allow the continued publication of my former testimonial."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York sole agents for the United States. Remember the name—Doan's—and take no other.

IN MEMORY.

Death entered the home of H. E. Coleman the 22nd of February, and claimed for its victim the loving companion and mother, Aunt Louisa as she was familiarly called. Her maiden name was Louisa Venters. She came from Virginia and is a member of one of the oldest and best families in Virginia. She was the daughter of James Venters, who survives her. She was born July 19, 1854, aged 56 years, and was married to H. E. Coleman. To this union were born five children: W. E. Coleman, J. H. Coleman, J. M. Coleman, Mrs. J. H. Ramick and Mrs. Rufus Blair. All are living to mourn the loss of a dear mother. How mournful seems in broken dreams

The memory of the day When icy death hath sealed the breath

Of that dear form of clay, In the death of this dear one the home has lost a sparkling jewel but she has gone to shine upon the golden shores of the new Jerusalem.

Interment was made in the family graveyard at her old home place. Funeral services were conducted by the Rev. Thos. Thacker. H. C.

OBITUARY.

Mrs. Addie T. Osborn, wife of John S. Osborn, was born in Lawrence county, Ky., October 19, 1868, married to John S. Osborn October 18, 1890; she died January 13, 1910. Several years ago she professed the religion of Christ and united with the Christian Church in which communion she lived in fellowship with God and man until the evening of the 13th when, having finished her course and kept the faith, her work done, she fell asleep in Christ.

In her hospitable home not only ministers of the Gospel, but others as well, found an open door and a royal welcome. Even the most wayward and prodigal boy found bread and a shelter from the storm. Doubtless of her it will be said in that day, "I was hungry and ye gave me meat; a stranger and ye took me in."

She was well known in the community in which she lived and to be known was to be loved for she possessed all the virtues of a womanly woman; so to love her was no task. In tribulations and afflictions and death, in all these she was one of the noble. "None knew her but to praise."

Her sickness was long. She seemed to have been waiting in a state of readiness. On January 10th by her request she was accompanied by her husband and brother, G. C. Swetnam, to the St. Joseph Infirmary Hospital, Louisville, where a surgical operation was performed on the 12th. Shortly after sunset on the 13th she had sweet communion with Jesus and met loved ones who were waiting to welcome her home, to rest in the Kingdom of God, who will in His own time call His children to meet in that land where there is no death.

A husband and three children, Pansy, Ethel and Lydia Milton, are left to mourn their sad loss. The church has lost one of its exemplary members; brothers and sisters an affectionate sister, a blessing to the home. Thus passed away one of earth's best. Funeral services were conducted by P. M. Stanbaugh recently of Illinois.

After the service at the church, her body was borne away to the home burial place, where the remains were tenderly laid beside those of loved ones there, to rest quietly awaiting the resurrection. We weep not as those who have no hope.

"Asleep in Jesus! far from thee Thy Kingdom and their graves may be; But thine is still a blessed sleep From which none ever wakes to weep."

AN INVITATION..

is extended every woman in the Sandy Valley to visit our store for the purpose of inspecting the most comprehensive and beautiful line of new spring wearing apparel and fabrics that we have ever been able to offer. You will find a practically complete showing in most departments from which it is possible to choose a number of beautiful and new conceals that are right in the height of fashion and at the same time offered at a very moderate scale of prices.

If the women outside of the city of Huntington were as well acquainted with our store and the manner of conducting our business as those in our own city our business would double in a single month.

Every purchase from our departments means entire satisfaction in every particular and a standard of quality that few stores carry.
