OUR SCHOOL DEPARTMENT.

The following announcement is for the Ninth District Educational Association on November 24-25.

The spirit of co-operation has blossomed among us and has, at last, bloomed into this magnificent flower, the Ninth District Educational Association.

The Ninth Congressional District, composed of the counties of Lawrence, Boyd, Greenup, Lewis, Bracken, Mason, Harrison, Nicholas, Fleming, Bath, Carter, Robertson and Rowan, though one of the last to perfect an organization of its educational forces, is one of the most progressive districts in the State...

The program is replete with excellent addresses. While in this announcement it is impossible to mention all the speakers, we shall mention, at least, enough to whet the appetites of those who ought to be "a feast of reason and flow of soul."

Dr. J. G. Crabbe, President of Eastern Kentucky State Normal, and one of the most charming and eloquent speakers in the South, will address the Association on "The Relation of the Normal School to the State."

W. C. Kaze, Carter county's able and brayal Superintendent, will present "The Rural Schools - Their Relation to the Welfare of the State."

McHenry Rhoads, State Supervisor of High Schools, will address the Association on "The Opportunity of the Modern High School."

T. J. Coates, State Supervisor of Rural Schools, is gathering material in the different counties of the State, as he supervises ten of our best counties, to give us a great address on "Things Worth While."

F. B. Stanton, Superintendent of Ashland City Schools, will present, in his masterly way, the subject, "The Task of Modern Education."

F. C. Button, President, Morehead Normal School, will make an address on "The Rural Night School as a Factor in Education."

J. T. C. Noe, Dean of Department of Education of State University, will speak on "Kentucky's Educational Awakening." This is a great subject and will be presented by one of Kentucky's liveliest educators.

Dr. Malcolm Dills, of Carlisle, will address the meeting on "Health and Education."

R. S. Eubank, Editor of the Southern School Journal, will favor us with one of his happy helpful addresses on "The Work of the Reading Circle."

W. L. Jayne, of Boyd county, one of the most active county superintendents in the State will address us on "Lightening the Load."

Miss Lida Gardner, Superintendent Nicholas County Schools, whose energetic and successful efforts to organize and grade her schools are known far and near, will discuss "Problems of Supervision."

Several other prominent educators are expected to take part and their names will be announced in the regular program.

Evening Session. One evening session will be held, and the audience will be regaled with an address by Hon.

Barksdale Hamlett, Superintendent Hopkinsville City Schools, and an address by that peerless wit, Prof. J. S. Diekey, President Bowling Green Business University.

Place of Meeting. Carlisle is a place far famed for its genuine Southern hospitality. It is a city of cultured and refined citizenship, and contains some of the most elegant homes in the State.

The good people of Carlisle are making great preparations to make the stay of members of the Association pleasant while there.

Hotels. Potts Hotel will be the Association Headquarters, and reasonable rates will be arranged.

Several good boarding houses are convenient to the building in which the Association will be held, and a number of private homes will be opened.

Railroad Rates. Fifties of ten or more can secure on all railroads a rate of two cents per mile.

Prize Offer. Mr. C. H. Deitrich, of the American Book Company, has made to the county in the District which sends the largest delegation of members the generous offer of a library, consisting of Libraries No. 4 and 8, published by that company.

Work of the Association. It will be the aim of the Association to promote the cause of education, in the State, and, especially, to advance by persistent, organized effort, the welfare of the cause in the Ninth District.

All who expect to go, and also those who want to become members, will please send at once 50 cents to Supt. Jay, O'Daniel, Louisa, Ky.

Madge, Ky.—Interest in the school seems growing. Attendance is good, but still not what it ought to be. The children are anxious to make good grades in the examinations.

Peach Orchard, Ky.—My school is progressing very nicely, and I am very well satisfied with the advancement most of those are making who are regular in attendance.

Ulysses, Ky.—Report for third month: Grade I, Bracken Skaggs 80; Lillie Boyd 78. Grade II, Vera Chaffin 82, Mary Hatfield 81.

Grade III, Frank Castle 80, Charley Chandler 80. Grade IV, Arthur Chandler 82, Dare Allen 80. Grade V, Roy Lowe 83, Willie Thompson 82.

Grade VI, Pupils did not attend examination. Grade VII, Jeff Chandler 87.

I give two from each grade who took the examination. Other made excellent grades. These grades, I am sure, are not higher than they should be.

We have purchased a library.

We now have our books in school, and I find the pupils are anxious to peruse their pages.

I am glad to say that my patrons are giving me their support in all that I ask them to do.

Very truly, H. S. DEAN, Teacher. 84 Div. No. 2, Sub. Dist. No. 10.

All educational articles received by the editor of this department have been included in for publication, but there is not space to print all of them.

Once more we ask teachers to report the general average and not the grades in each branch. Do not give the name of any pupil whose average grade falls below 75 per cent.

Don't waste your money buying strengthening plasters. Chamberlain's Liniment is cheaper and better. Dampen a piece of flannel with it and bind it over the affected parts and it will relieve the pain and soreness.

OUR GREAT Combination Offer! Cincinnati Daily Post one year and BIG SANDY NEWS one year for \$2.50.
