# THE SECRET OF LONG LIFE.

Do not stop the springs of life by neglect of the human mechanism, by allowing the accumulation of poisons in the system. An imitation of Nature's method of restoring vitality and invigorating the blood and nervous strength is to be found in the alternative glyceric extract (Glyceric Acid) of Golden Seal and Oregon Root. Dr. Pierce's Discovery, which he called Dr. Pierce's Golden Medical Discovery. He found it would help the blood in taking up the proper elements from food, help the liver to purify, thereby throwing out the poisons from the blood and vitalizing the whole system as well as stimulating and strengthening the callous and atrophied organs. No one ever takes cold unless congested, or exhausted, and having what we call mal-nutrition, which is attended with impoverished blood and exhaustion of nerve force. The "Discovery" is an all-round tonic which restores tone to the blood, nerves and heart by imitating Nature's method of restoring waste of tissue, and feeding the nerves, heart and lungs on rich red blood.

Dr. Pierce.

"I suffered from pain under my right shoulder blade like a very severe attack," writes Miss W. Dore of New Bedford, Mass. "I had four different doctors and used all the best medicine. None did me any good. I was told to eat less, and I would have to have my appendix removed. I was told to take Dr. Pierce's Golden Medical Discovery and Dr. Pierce's Pleasant Pellets. When I had taken a bottle of the Discovery I could sit up for an hour at a time, and when I had taken three bottles I could do my usual work. I have not had any more pain since I started on this medicine. It is the best medicine I have ever used."
