DEMOCRATIC TICKET.
 For President,
WOODROW WILSON, of New Jersey
 For Vice President,
THOS. R. MARSHALL, of Indiana.
 For Congress,
W. J. FIELDS, of Carter County.

The Roosevelt band wagon should not make very much noise. It is well greased.

Any old sort of an election is enough to get up a row in Breathitt. On school trustee day they killed a man in that county.

Instead of building that long-talked-of bridge across the Ohio river at Ironton the Secretary of War has ordered the removal of the coffer dam built some time ago.

Dr. J. A. Goodson, of Dixon, has been appointed superintendent of the Eastern Kentucky hospital at Lexington to succeed Dr. C. A. Nevitt. The appointment is effective October 1.

Kentucky State Fair, to be held at Louisville September 9 to 14, will be the largest and best in the State. Stock, farm implements, machinery, ladies' needle work, horse show, Liberator's band and many other fine attractions. Go if you can.

Before the late primary the Louisville Post had the following: "The Democratic party will do a graceful act in not contesting the election, and Wilson, Taft and Roosevelt men can all unite in the promotion of Judge A. J. Kirk."

Well, did you notice the returns from the late primary? Politics is not abounding in "graceful" things of this sort.

Steel Lined SHOT SHELLS

Each and Every One a Speed Shell

The speed that breaks your targets nearer the trap. That's why Remington-UMC Steel Lined Shells have won 13 out of the 15 Handicaps held in the last three years.

The speed that gets that mile-a-minute "duck" with a shorter lead—that's why it takes over 50,000 dealers to handle the demand for Remington-UMC Steel Lined Shells.

The Shooting fraternity are speed wise. They know loose smokeless powder won't drive shot. They know that the drive depends on the compression.

The powder charge in Remington-UMC shells is gripped in steel. This lining is designed to give the exact compression necessary to send the load to the mark quickest. It insures speed—the same speed in every shell.

The steel lining is moisture proof—no dampness can get through. No proof—no powder can get out. Waste proof—no energy is lost.

Shoot Remington-UMC Arrow and Nitro Club Steel Lined Expert Sundry loaded shells for Speed plus Patrons in any make of shotgun.
