POSITIVE PROOF.

SHOULD CONVINCED THE GREATEST SKEPTIC IN LOUISA.

Because it's the evidence of a Louisa citizen.

Testimony easily investigated. The strongest endorsement of merit.

The best proof. Read it:

J. B. Peters, Lock avenue, Louisa, Ky., says: "Doan's Kidney Pills did me more good than anything else I ever used. Many people have asked me about this remedy and I have always recommended it. I do not hesitate to confirm the testimonial I gave in 1908." (Statement given January 3, 1912.)

On January 28, 1908, Mr. Peters said: "I was in a bad shape with kidney trouble. When sitting down for a few moments and attempting to arise my back felt as if a heavy weight were laid to it and sharp pains darted through my kidneys. After standing it was hard to straighten. Rheumatic pains seemed to shoot all through my body, but particularly in my knees, hips and joints. I was languid and all run down when I began taking Doan's Kidney Pills, procured at the Louisa Drug Store Co. They made me feel like a different person, correcting all my troubles."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
