OLD BLACK JOE.

Studebaker's

"When I invest in a wagon I buy a Studebaker, then it's a safe investment"

Of course it is! Studebaker wagons are built on honor, with sixty years of wagon-building experience—and with every wagon goes a Studebaker guarantee.

You can't afford to have a dealer sell you some other wagon represented to be "just as good."

If you want a wagon that will last, run easily and stand up to its work, there is only one wagon to buy—and that's a Studebaker.

Don't trade ten extra years of service for a few dollars difference in price.

Studebaker wagons are made to fit every requirement of business or pleasure, in city, town or country.

Farm Wagons	Business Wagons	Trucks

BABY DOLL.

SAID SHE WOULD FAINT

Mrs. Della Long Unable to Stand on Her Feet More Than a Few Minutes at a Time.

Pendergrass, Ga.—Mrs. Della Long, of this place, in a recent letter, says: "For five or six years, I suffered agonies with womanly troubles. Often, I couldn't sit up more than a few minutes at a time, and if I stood on my feet long, I would faint. I took Cardul, and it helped me immediately. Now, I can do my work all the time, and don't suffer like I did." Take Cardul when you feel ill in any way—weak, tired, miserable, or under the weather. Cardul is a strengthening tonic medicine for women. It has been found to relieve pain and distress caused by womanly troubles, and is an excellent medicine to have on hand at all times. Cardul acts on the womanly constitution, building up womanly strength, toning up the nerves, and regulating the womanly organs. Its half century of success is due to merit. It has done good to thousands. Will you try it? It may be just what you need. Ask your druggist about Cardul. He will recommend it.

"Pittsburgh Perfect" Fence

CONSIDER SIZE OF WIRE When Buying Fence
DON'T BE FOOLED by Weight per Rod or Roll

There's no "bunkum" about weight per roll when you buy "Pittsburgh Perfect" because it is constructed without using extra wire to make the fence-joints. The extra weight of the joints in all wrapped, clamped, twisted or tied fence supplies no extra strength, but actually weakens these fences by persistently dragging down the panels, wearing them out before their time and making you buy more before you should. "Pittsburgh Perfect," the only fence with Electrically Welded Joints, is a one-piece fabric of unequalled strength, durability and economy, because we eliminate the expense of extra wire, and put this money into extra quality.

Made in Different Styles for FIELD, FARM, RANCH, LAWN, CHICKEN, POULTRY and RABBIT YARD and GARDEN **Every Rod Guaranteed**

Ask your dealer for "Pittsburgh Perfect" and insist on his furnishing it. Do not allow him to persuade you that some other fence is just as good. If he doesn't sell it, write us direct.

"Pittsburgh Perfect" Brands of Barbed Wire: Bright, Annealed & Galvanized Wire; Twisted Cable Wire; Hard Spring Coil Wire; Fence Staples; Feeder Netting Staples; Repair Wire Nails; Galvanized Wire Nails; Large Head Roofing Nails; Single Loop Nails; "Pittsburgh Perfect" Fencing. All made of Open Hearth material.

If you are interested in Wire Fencing, write for FREE copy of our ALMANAC, 1913—
