REV. STANLEY AT LOUISA.

Louisa has recently been honored by the presence of the Rev. Wm. Stanley, a gallant veteran of the confederate army, and a distinguished and eloquent preacher of the Disciples of Christ. He had been invited to this city by some who knew him and his worth as a man and his ability as a minister of the Gospel, and all who heard him on Sunday last are glad, as he said he was, that he came. He came Saturday and on Sunday morning he delighted a very large audience at the court house with a scholarly, earnest, religious sermon, based on words taken from the Sermon on the Mount, Love thy neighbor as thyself. It was an admirable discourse, logical, eloquent and convincing, showing that when a man learns how to rightly love himself he can and will love his neighbor.

At night Mr. Stanley spoke at the same place and to a very large audience on "How to grow old gracefully." The speaker is a striking object lesson in the art of which he spoke. He is 83 years of age, with snow white hair and beard, but does not look 83 by many years. He is erect, his voice has scarcely a quaver, full and strong, and his eyes are bright and clear. The music for the two services was furnished by a mixed choir from all the churches, with Mrs. George R. Vinson at the organ.

Mr. Stanley lives a few years longer he will be happy in knowing that he has lived to be the father of a Governor of Kentucky, his son, Mr. A. O. Stanley, being the Democratic candidate for that high office.

Mr. Stanley left Monday for his home in Shelbyville. During his stay in Louisa he was the guest of Mr. and Mrs. H. E. Ferguson by whom he was delightfully entertained.

MURDERERS OF GIBSON CAPTURED.

Six Negroes in Party That Killed and Robbed C. & O. Engineer.

The NEWS gave a brief account last week of the murder of Engineer Joe Gibson at Ashland. Developments have led to the indictment of six negroes for this awful crime, and three are in jail—"Black Texas," Wm. Bailey and Alex Calloway. The others are known as "Blue Steel," "Roadsport" and "Stonewall." These have not been found.

"Black Texas," whose name is said to be Abraham Smith, was arraigned for trial Thursday morning of this week, the officials taking this prompt action to satisfy the public and prevent lynching.

The killing occurred in a gondola car. Gibson and his fireman were going to Russell to take out a train and intended to ride in the gondola because it was cooler than in the locomotive cab. The negroes robbed Gibson and then shot him. The fireman gave up his money and watch and jumped out of the car and escaped. His life was saved by the fact that the negroes had only one pistol.

"Black Texas" was arrested at Portsmouth after a battle with the police. He had the pistol with which Gibson was shot, but he claims "Blue Steel" did the shooting.

Excitement has been very high in Boyd county and there has been much talk of lynching.

The report that Gibson was a nephew of Mrs. Gearheart, of Louisa, is untrue.

MISS SNYDER ENTERTAINED.
It was a delightful afternoon function, the sewing party given on Tuesday of this week by Miss Julia Snyder in honor of Miss Alma Elliott, of Charleston, W. Va., who is visiting Mrs. B. M. Keith. The spacious porch which half surrounds the beautiful Snyder home was the sewing room, and it certainly looked charming in its garniture of ferns and flowers, and its bevy of handsomely gowned young women. The sewing part of the pleasant affair was probably mostly a polite fiction, but the girls and the other goodies were very real and very nice.

The out of town guests were Miss Alma Elliott, Charleston, W. Va., Miss Emma and Eulah Collins, Henderson, Miss Anna Bahan, of Somerset, and Miss Lelah Gault, of Mayesville.

AN ENJOYABLE ENTERTAINMENT
The recital given at the College Chapel Tuesday evening by Miss Freese was highly enjoyed by all present. Miss Freese is a talented singer and those who failed to hear her faultless renditions missed a rare treat.—Morehead Mountaineer.

WEDDING AT VAN LEAR.
A pretty wedding took place at the home of Harry Walters at Van Lear, Thursday morning. The contracting parties were Mr. E. M. Quickel, of Carbon, W. Va., and Miss Laura Walker of Van Lear, Ky.

DISTRICT SUNDAY SCHOOL CONVENTION.

To Editor Big Sandy News:
Knowing that your paper has always been the friend of Sunday schools and being present at the District Convention held at Green Valley last Saturday, it occurred to me to write a brief report of the proceedings, and incidentally to proclaim the great good being done in Lawrence county by the Sunday school movement. Any one present at Green Valley could not help noticing the splendid order of the very large crowd assembled and then compare it with the same sized crowd meeting in the country in former years.

As to order and good behavior, the contrast would be so noticeable as to excite wonder and admiration and make the most careless observer a strong advocate of Sunday schools to have seen the many bright eyed boys and girls appear before the large crowd and recite with composure. To have seen the many old men and women endorsing their presence and assistance this great work was an inspiration. Mr. Quisenberry, Adam Harman, M. Harman, J. D. Belcher, Wm. Belcher, Isaac Cunningham and others were there and addressed the large congregation.

As a teacher of Lawrence county, thrown as I am in contact daily with the children of the county, I now and here desire to give my earnest, sincere approval of this great work, the object of which is to make, not only good citizens of our girls and boys, but to aid and assist them in becoming Christian men and women, and thus assist them in attaining a spiritual condition the highest and noblest attainable by human beings.

The ideal weather brought people from a great distance and long before Old Sol reached his forty-five degrees the people were there in throngs and the church Nature's sacred grove was filled with earnest church and Sunday school workers ready to lift the fallen or cheer the faint.

What a choir! The music was an inspiration to every lover of art or nature. How it thrilled the soul as those beautiful songs were wafted heavenward.

M. S. Burns accompanied by his daughter Klizzie Clay and Mr. August Snyder of Louisa were there and the address by Mr. Burns was able and shows that his life is consecrated to a higher life and high ideals and that he is living for eternity.

The program was ably carried out and it seems that much good was accomplished.

The hospitality of the good people was unbounded and the most beautiful and dainty and appetizing viands were spread when the sun reached his meridian and not a soul was left uncared for.

Yours for a higher life,
ISAAC CUNNINGHAM.

SUSTAINED A BROKEN LEG.
On last Sunday morning as Charley Waldeck was speeding on his motor cycle along the Lick creek road, a wheel ran into a deep rut, throwing the rider with great force to the ground. His left leg was broken near the ankle and he was much bruised on other parts of the body. Sam Bartram brought the injured man home and Dr. York set the fractured bone. The patient is resting as comfortably as can be expected.

MISS DANCE WILL BE PRESENT.
All who had the pleasure of hearing Miss Maude Dance, of the Kentucky Sunday School Association who spoke to the Lawrence County Association, will be glad to know that she will be with us next Saturday and address our local Association. Her subject on this occasion will be "Goals." She is a most original and attractive speaker, charming all who hear her. Don't forget the day, Saturday, Sept. 18, and one day only.

SIXTY-MILE EXTENSION.

Huntington, W. Va., Sept. 12.—Work has begun on a new sixty-mile extension of Virginia Railroad from Mullens to Mann, W. Va., piercing the state's richest coal territory in the wilds of Wyoming county. The line for the first time will connect the Virginia with the main Guyan River, the ultimate plan being to give a lake as well as a tidewater market. Sixty men are now engaged in grading, and it is added rails are being laid at Mullens. The extension connects the Virginian also with the Logan county field. It is said 50 miles of the extension will pass drift mines.

DR. TOM BURGESS HERE.

We are pleased to know that they are building up a most enviable reputation in the practice of medicine and surgery. Liberal in their ideas and close students, they have won deserved success.—Williamson News.

C. & O. OFFERS RIVER BRIDGE FOR SALE.

Nominal Price Will Buy Three Mile Bridge for Free Use.

The new C. & O. bridge being built across the river at Three Mile will soon be completed and in use. When this occurs the old structure will be abandoned by the company. The NEWS is informed that the C. & O. has proposed to sell the old bridge to the citizens or the county for \$500. This will carry with it certain necessary rights to make it available as a free wagon and foot bridge. The matter will be taken up at the October term of fiscal court.

This is a proposition that should be accepted. The bridge probably cost \$20,000 and the county would have nothing to do but lay a floor. It would be necessary also to build a connecting piece of public road costing about \$1000.

DEATH GATHERS SEVERAL PERSONS.

Unusual Number of Fatalities in This Vicinity During the Week.

DEATH BY DROWNING.
On Thursday of last week Earl Wilson, aged 20 years and a native of this city, was accidentally drowned at Firebrick, Ky., where he was employed as a watchman for the company, which is constructing the government dam near that place. When he was missed search was made for him and the body was found in the water between two flat boats. There were some bruises on the body which lead to the suspicion that he had been foully dealt with. Before he was employed by the dam people the young man had been a soldier in the U. S. Army.

When the body of the unfortunate boy was found his relative was notified and the remains prepared for burial. The body was shipped to Louisa where it arrived Saturday evening and was taken to the home of Jerry Endicott. Interment was made on Sunday afternoon in Fulkerson cemetery, following funeral service conducted by the Rev. Olus Hamilton, of the Louisa Baptist church. It was largely attended, the friends of the family manifesting their sympathy by profusion of beautiful flowers.

Earl Wilson was the son of Zeke Wilson of this place. He is survived by his father and a young brother and sister. His mother died several years ago. His untimely death was a sad one and is much deplored by his relatives and friends.

On the following evening the body was taken to Dwale, Floyd county, where it was buried the next day. Dr. Porter was born in Martin county, but practiced medicine in Floyd county 50 years.

He moved to Louisa in 1908, but on account of poor health practiced medicine very little here. He was married six times. He was the father of eight children, six of whom with his wife, were present when he died, and all attended the funeral. Those present at his death were Mrs. Sam Newberry, of Inez, Mrs. Wm. But God saw fit in his infinite wisdom to call her from this earth to her eternal abode. The funeral services were conducted by Rev. Rickman and she was laid to rest in the Shannon graveyard. Dearest Nina thou hast left us.
