CHEWING TOBACCO

LEADING BRAND OF THE WORLD

"Cheer Up, Brother. Take a Chew of STAR and Forget It."

THEY'LL never "get your goat" if you have a chew of STAR in your cheek. You "forget it" the minute you set your teeth on the juicy STAR plug.

The naturally sweet leaf in STAR is developed to an even deliciousness throughout. This is retained to the last chew by the three-quarter inch thickness that can't dry out like a thin plug. And every STAR plug is always a full 16 ounce pound.

Men Who Chew Are Men Who DO

If your work keeps you from smoking—chew STAR. If you're smoking too much or chewing too strong a tobacco—change off to mild, mellow STAR.

STAR was awarded the Grand Prize at the San Francisco Exposition, and is the only chewing tobacco that has ever received this highest possible award.

SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Years' Standing, Relieved by Cardui.

Mt. Airy, N. C.—Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell.

I tried most every kind of medicine, but none did me any good.

I read one day about Cardui, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I was almost cured. It did me more good than all the other medicines I had tried, put together.

My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it."

Do you, lady reader, suffer from any of the ailments due to womanly trouble, such as headache, backache, sideache, sleeplessness, and that everlastingly tired feeling?

If so, let us urge you to give Cardui a trial. We feel confident it will help you, just as it has a million other women in the past half century.

Begin taking Cardui to-day. You won't regret it. All druggists.

TAKE "CASCARETS" IF HEADACHY, BILIOUS AND CONSTIPATED

BEST FOR LIVER AND BOWELS. BAD BREATH, BAD COLDS, SOUR STOMACH.

Get a 10-cent box. Sick headache, biliousness, coated tongue, head and nose clogged up with a cold—always trace this to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret to-night will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months.

BIG ENGINES.

On Saturday last one of the Big Mallet locomotives intended to be used on this division of the C. & O., passed through Louisa on its way to Paintsville. It went down again in the afternoon, pulling an enormous train of loaded coal cars. This engine, with its tender, is about 90 feet long. One may get a good idea of what 90 feet long is, by noting that it is 15 feet more than the distance from the Louisa National bank to the court house fence across the street.
