

Ford

THE UNIVERSAL CAR

Have been built and actually delivered to retail buyers since August 1, 1916. These figures—320,817—represent the actual number of cars manufactured by us since August 1st, 1916, and delivered by our agents to retail buyers. This unusual fall and winter demand for FORD cars makes it necessary for us to confine the distribution of cars only to those agents who have orders for immediate delivery to retail customers, rather than to permit any agent to stock cars in anticipation of later spring sales.

We are issuing this notice to intending buyers that they may protect themselves against delay or disappointment in securing FORD cars. If, therefore, you are planning to purchase a FORD car, we advise you to place your order and take delivery now.

IMMEDIATE ORDERS WILL HAVE PROMPT ATTENTION.

Delay in buying at this time may cause you to wait several months.

Enter your order to-day for immediate delivery with our authorized FORD agent listed below and don't be disappointed later on.

PRICES:

Runabout \$345, Touring Car, \$360, Coupelet \$505
Town Car \$595, Sedan \$545, f. o. b. Detroit.

Commissioner's Sale.

Green Hays, Executor
of the estate of John Plaintiff
Hayes deceased, and others

vs.

W. T. Hays, Defendant.

By virtue of a judgment and order of sale of the Lawrence Circuit Court rendered at its regular January term 1917, in the above style case, I will proceed to offer for sale at the Court house door in Louisa, Lawrence County, Kentucky, to the highest and best bidder, at public auction, at 1 o'clock P. M. on May 21st, 1917, (that being County Court day) the following real estate of the said John Hayes deceased, and known as the home place of John Hayes, (deceased,) situated on Georges Creek in Lawrence County, Kentucky, and being the same in which Elizabeth Hays by the will of John Hayes gave a life estate, (said will is recorded in will book 3 page 391 in Lawrence County Clerk's Office,) and bounded as follows: On the North by the lands of Sarah Hayes, on the East by the lands of Sarah Hayes and on the south by the lands of Major Hays, and on the West by the lands of Lucy Justice, number of acres not known, supposed to be about 85 acres. Said land is to be sold and divided as follows: One-tenth to Laura Hays Nickell and nine-tenths to Major Hays.

Sale will be made on credit of six months, and the purchaser will be required to execute bond payable to the undersigned Commissioner with approved security and a lien reserved on the property for said debt, interest and cost, and to have the force and effect of a judgment.

W. M. SAVAGE
Master Commissioner.

WE ARE THE BEST BUYERS IN EASTERN KENTUCKY ON EGGS

We buy everything in quantity. We buy eggs and old rooster high. 15c lb. for 4 lbs. and under. We go after produce like heroes. We are not going to name prices on eggs, as the hot weather declines. For next fifteen days we give you gallon of oil for six eggs; 4 lbs. pure lard for 3 doz. eggs; compound lard, 1 lb. for doz. eggs; 50 bottles of Foley's Honey and Tar for 1 doz. yellow tags twist, 7 for doz.; Brown Mile Runaway 1 lb.; plugs 10 leader doz. eggs; 3 1-2 lb. No. 4 sugar at Blaine, Ky., for doz. eggs; wash board doz.; 6 plait broom 75c for 2 doz. eggs; 2 lbs. shoulder meat 1 doz.; 5 lbs. side meat for 3 doz. and 10 eggs. We bought this meat for 10c lb. and got enough to buy all the eggs "old speck" will lay for 30. We like U. S. have been preparing, getting ready for war. One dealer buys eggs at 2c under thinks he gets ahead. He tells everything about wholesale people. We have four good teams hauling for us daily. The big egg fight makes things hum. We are not sore at any dealer. We hope them success. We give our customers one barrel of red Rome Beauty apples last week over big egg fight. We have three stores and are the terrapins, one on Canes creek, one on Big Laurel. The fox roose them up at 26c. We are the top market. The terrapin travels slow

and gets as he goes. The fox kidnaps, terrapin travels all night. Two poultry raisers had fine eggs, one had 33 doz., the other 51 1-2 doz. while fox napped the eggs were bought and that caused all the egg fight.

Every Saturday it takes four teams to haul produce off. We case the eggs as the poultry raiser comes in. We have a large quantity of sugar laid in. Big stock meal arriving daily. We sell cheap, 45 barrels of high patent flour coming in. We started in business nine years ago on \$500 hard earned money. The more dealers fight us the more money we make. The harder they fight us, the less they make. We reap a golden harvest. Six years ago a big poultry raiser sold on market to a certain fellow 55 doz. eggs and wanted 4c to mail a letter and was told "Sir, we don't pay anyone a penny in cash for eggs."

We have ten thousand dollars we are going to buy eggs with. We turn the dollar 900 times some years. We sell high grade coffee. We have customers in Boyd county. Take 1 lb. of our high grade coffee and if it isn't worth more than three lbs. some dealers sell, we give you gold dollar. We pay 30c doz. in store and sell you goods 40 per cent cheaper than wholesale on this.

The old hen cackles, the old rooster crows, and H. Pack pays high for eggs, everybody knows! No one gets in our way in price of eggs. We quit one job. We have taught the other dealers. It cost them \$500 a word; cost us \$5000.

If this war holds on we will do a big business in buying eggs.

We want to buy country hams 15c cash; 20c in groceries. We buy telephone batteries and junk at \$1.50 per hundred.

DELCO-LIGHT

ELECTRICITY FOR EVERY FARM

DELCO-LIGHT MAKES ELECTRICITY UNIVERSAL

For the first time electric light and power are available to anyone—anywhere.

Heretofore, the benefits of electricity have been confined to those who live in the larger towns and cities.

Now Delco-Light makes electric current universally available.

Delco-Light is today furnishing thousands of farm-houses with brilliant, convenient, safe and economical light.

It is furnishing power to operate pumps, washing machines, churns, cream separators, milking machines, vacuum cleaners, etc.

It is lighting country churches, stores and public halls.

It is furnishing light and power to summer homes and camps, to houseboats and yachts, etc.

It is lighting rural railway stations and construction camps.

It is lighting the camps of United States troops on the Mexican border and is disclosing heretofore undreamed-of beauties in the depths of Mammoth Cave, Kentucky.

Altogether, over 15,000 Delco-Light plants are in operation, and Delco-Light offices are to be found in almost every part of the world.

Delco-Light is a complete electric plant—the engine and dynamo in one compact unit combined with a set of specially built and wonderfully efficient batteries for the storing of current. The plant is so simple a child can care for it, and so economical that it actually pays for itself in time and labor saved. It operates on either kerosene, gasoline or natural gas.

Price with standard size batteries.....\$275.00
Price with large size batteries.....\$325.00
