BETTER THAN CASH AND EASY TO CASH. Bear these facts in mind. A Liberty Bond is as good as gold.

If you own a Liberty Bond you own something that is better than cash—for it will be drawing interest at 3 1/2 per cent. every minute.

It is a loan to your Government, and there isn't any better person to whom to loan money than Uncle Sam.

You pay only two per cent of the value of the bond. If you apply for a \$100 bond, you pay only \$2 there. You can pay the rest when you get the bond on June 15, or you can pay it in installments that you can meet easily.

That's what a Liberty Bond is. Apply today for yours. Editor John B. Corns of the Ironton Register, and Miss Martha Moore, daughter of Mrs. C. H. Moore, one of the owners of the Register, were married Wednesday last week in Ashland, Ky., the Rev. W. C. Condit, officiating.

WATCH YOUR KIDNEYS

Inhaling fumes of turpentine and white lead often weakens the kidneys. That's one reason why so many painters have had bad backs and sick kidneys.

Exposure, frequent colds and chills and the strain of climbing up and down ladders helps start the trouble.

If your back aches, if sharp pains strike you in the back when stooping, lifting or working; if you have headaches, dizziness, rheumatic pains, if the urine is discolored or passages painful and scanty, try Doan's Kidney Pills, the remedy so widely used and so well recommended by men in the painting trade.

Here's Louisa testimony: J. F. Wellman, painter, Main Cross St., Louisa, says: "My back bothered me all the time and hurt me when I stooped. My kidneys were irregular in action and I think the trouble was due to my work. After using Doan's Kidney Pills, the symptoms disappeared. My back became strong and my kidneys again acted regularly."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Wellman had. Foster-Milburn Co., Props., Buffalo, N. Y.
