

A man's best pal is his smoke

"Knotty problem? Let me help"

—Ches. Field

"HELP" is right! A smooth, mellow smoke is just the thing, when you're up against a tough one. And Chesterfield is that smoke.

An expert and exclusive blend is responsible—finest, silkiest Turkish tobaccos from Xanthi, Cavalla, Smyrna and Samsoun, and the best varieties of Domestic leaf—put together by the manufacturer's private formula that brings out every last bit of flavor. No other process, no other blend, can successfully imitate Chesterfield's smoothness and full-bodied flavor.

No argument here! Chesterfields satisfy as no other cigarette has ever satisfied before.

Liggett & Myers Tobacco Co.

"SOCKS AND BELTS AND MATTRESSES"

"Henry Green carefully hid his money in a sock. Henry now has an odd sock and no money. "Susan Price pushed her savings under a mattress. She still has the mattress. "George Martin carried six months' pay in a money belt. George was held up by thugs, but all they took was his money. "Anna Mason hid two hundred dollars behind a brick in the chimney. Somebody started a fire. "Here are four examples of folly out of thousands—four reasons why you should place your money in a safe and sound bank where thieves and fire and carelessness cannot reach it." The above experiences emphasize the importance of keeping your money in OUR BANK. We pay the taxes on your money deposited with us. If you keep it at home the taxes cost you more than a dollar per \$100.
