**"Gets-It" Stops Pain Instantly and Corn Soon Lifts Right Off.**

A few drops of "Gets-It" quenches corn pains like water quenches fire. Gives you immediate relief.

"Gets-It" Feels It Off

The corn begins to lose its grip at once. In a day or two it is so loose that you can lift it off, roots and all, twist thumb and finger. That's the last of it, as millions have found out. It is the simple, effective and common-sense way to be rid of corns.

"Gets-It" the never-failing, guaranteed, money-back corn remover, costs but a trifle at any drug store. Sold by E. Lawrence & Co., Chicago.

Sold in Louisa and recommended as the world's best corn remedy by Louisa Drug Co.

## THREE LONESOME KIDS.

## A WOMAN'S BACK

The Advice of This Louisa Woman is of Certain Value.

Many a woman's back has many aches and pains.

Often it is the kidneys' fault.

That's why Doan's Kidney Pills are so effective. Ask your neighbor!

Many Louisa women know this. Read what one has to say about it.

Miss Leahie Smith, Franklin Street, Louisa, says: "I was led to take Doan's Kidney Pills, because others in the family had been greatly benefited by them. I used them for attacks of backache, which came on after a cold settled on my kidneys or after I had over exerted at my housework. Doan's Kidney Pills strengthened my back and took all the pains away. At any sign of a return of backache, I always get Doan's Kidney Pills at the Louisa Drug Co., and they have never failed to benefit me."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Miss Smith had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Mrs. Rachel Daniel is convalescing after being confined to her bed two months.

D. L. Thompson and Fred See, of Louisa, K. F. Diamond of Yatesville, and John Hughes of Irad, were here last Friday.

A telegram announcing the serious illness of her mother, Mrs. Permelia Cunningham, was received by Mrs. Kittle Jordan the 9th inst., and she and her brothers, Isaac of Tuscola, William of Denton, and Joel of Ashland, went to Advent, W. Va., reaching there Tuesday. She was still conscious and recognized her children but there is not much hopes of her recovery at her advanced age 52.

On last Saturday morning our community was shocked by the sad intelligence that Mrs. Robert Wells had dropped dead. Without a word of warning to her friends or family she breathed her last. She was a good Christian woman devoted to her home and family and had passed her 65th milestone on life's pathway. She leaves a husband and two children to mourn the loss of a true Christian mother and devoted wife.

Her funeral was preached Sunday at the church by Revs. Grant Bentley and Roland Hutchison in the presence of an unusually large congregation to pay the last respects to one they tenderly and dearly loved. Her remains were taken to the Hammond graveyard and laid to rest to await the resurrection morn when she will be clothed with immortality, the reward of the faithful and good.

The bereaved have our deepest sympathy. OLD LEM JUCKLENS.

## GLAD TO TESTIFY

Jays Watoga Lady, "As To What Cardui Has Done For Me, So As To Help Others."

Watoga, W. Va.—Mrs. S. W. Gindwell, of this town, says: "When about 15 years of age, I suffered greatly. . . Sometimes would go a month or two, and I had terrible headache, backache, and bearing-down pains, and would just drag and had no appetite. Then . . . it would last . . . two weeks, and was so weakening, and my health was awful.

My mother bought me a bottle of Cardui, and I began to improve after taking the first bottle, so kept it up till I took three. . . I gained, and was well and strong, and I owe it all to Cardui. I am married now and have 3 children . . . Have never had to have a doctor for female trouble, and just resort to Cardui. I need a tonic. I am glad to testify to what it has done for me, so as to help others."

If you are nervous or weak, have headaches, backaches, or any of the other ailments so common to women, why not give Cardui a trial? Recommended by many physicians. In use over 40 years. Begin taking Cardui today. It may be the very medicine you need.
